

Four generations of male members of the Tomes family, Holland Landing, are represented in this picture when Rfm. Allan Tomes, 22, arrived home from Germany recently. Left to right are Rfm. Tomes, his grandfather, Harry Tomes, his young son, Tommy and father, Frank. Rfm. Tomes saw his son for the first time when he arrived home as he had left for Germany before Tommy was born. He is on leave from the Royal Hamilton Light Infantry which is serving with the 27th brigade in Germany. His brother, Donald, 20, is in Germany with the same regiment. Another brother, Ed, was formerly with the Princess Pats, served in Korea for a year and is now stationed at Montreal.

## Inspect Marsh Planned For Development

The members of the township councils of East Gwillimbury and North Gwillimbury, along with township road engineers, made a survey this week of marsh land which may be developed for marsh vegetable farms.

The land inspected is owned by Joe Gatti, R. R. 3, Newmarket, who recently requested co-operation of North Gwillimbury council in his plan to drain over 300 acres of marshland. He hopes to reclaim over 500 acres eventually.

The area is located west of the third concession at the east-west township line between East Gwillimbury and North Gwillimbury.

Roy Pollock, reeve of North Gwillimbury, said that the two councils were hesitant in committing themselves to building a jointly-owned road before they saw the fruits of Mr. Gatti's labors in the draining of land by canals and dikes.

The councils did give Mr. Gatti assurance that they would go ahead and work on the road once they saw that he was making progress in his project.

Permission was given Mr. Gatti to construct dikes on the township road allowance and these dikes would be used as a bed for a road to be constructed in the future.

### SCHOOL FEES UP

At the first meeting of the 1953 Public School Board of trustees, the secretary-treasurer, Bruce Hunter reported that the cost per day per pupil was up a total of six cents. One cent of this increase is paid by the parents to bring the cost per day per pupil from 44 to 45 cents and the five cent increase brings the board's share from 61 to 66 cents per day per pupil. Non-resident school fees are based on the 45 cent a day rate.

## COMING EVENTS

THURS., FRI. AND SAT., JAN. 8, 9, 10 — At Insley's Store. "Bond's" January Bonus sale men's suits. Extra trousers free. Women get a free skirt.

COMMENCING Tuesday Jan. 13, euchre will be held each Tuesday evening at 8:30 p.m. sharp, in "Ye Olde School House" (formerly Jersey school). Seven interesting prizes to be won each night. Admission 50c.

FRIDAY, JAN. 16—Newmarket Firemen's euchre, at new Fire hall, 8 o'clock sharp. Admission 35c. Full cards.

FRIDAY, JAN. 16—Queensville WI. are sponsoring a euchre in the school house, 8:15 p.m. Good prizes.

FRIDAY, JAN. 16—The annual public meeting of King Memorial Library will take place in All Saints' Anglican hall, at 8 p.m.

SATURDAY, JAN. 17—St. John's bingo, in the Town Hall, at 8:30 p.m. Jackpot \$125. 15 games 25c. 1 special game.

TUESDAY, JAN. 20—Euchre in Sharon Hall, sponsored by Union Street WI. Good prizes. Time 8:15 p.m. Admission 35c.

WED., JAN. 21—Carnival and Community night at Queensville Arena. Lucky draw at door. Refreshments at booth. Sponsored by Queensville Park Board. Admission 35c. Public school children free.

## To Start Co-Operative Nursery For Pre-School Children Here

A co-operative nursery school is to be started in Newmarket. The school will be held in the auditorium at the new fire hall.

A non-profit organization has been set up to operate the school in Newmarket. Mrs. G. A. Hines, Aurora, a graduate specialist teacher for nursery schools will be in charge of classes.

The classes at the nursery school are to be 2½ hours long and will consist of active and quiet indoor periods with music circles, creative group work, toilet and washing routines, self help in dressing and general assistance in learning how to work and play happily and constructively with other children and adults.

Donations of equipment for the new nursery school would be gratefully appreciated by the executive. Any chairs, tables or toys will be accepted by Mrs. J. E. Struthers, 5 Niagara St., phone 736w. Donations will be picked up. The Newmarket Opti-Mrs. club is sponsoring a tea at the fire hall auditorium on Friday, Jan. 23 to raise funds for equipment. Donations of toys will also be accepted at the tea.

The nursery school will be inspected and licensed by the department of public welfare. Play clothes, overalls and a sweater are recommended for children attending the school. Children may attend two, three or five days a week at nominal fees.

On the school executive are president, Mrs. J. E. Struthers;

vice president, Mrs. Robert Birrell; secretary treasurer, Mrs. Nick Styke; purchasing committee Mrs. John Haddad, Mrs. Edward McMullen and Mrs. Ernest Bennett; contacting parents, Mrs. Fred Gardner.

### READING FOR PLAY

A reading for parts for the next production of the Newmarket Dramatic club will be held next Monday evening. Persons interested in taking a part in the next play are asked to contact any member of the executive of the club over the weekend.

### THURSDAY, JAN. 22—Bingo in Aurora Legion hall, in aid of the Ladies Auxiliary. Good prizes. Share-the-wealth, 15 games 35c. Time 8 p.m.

FRIDAY, JAN. 23—Annual meeting, Chrl Guide Local association, Scout Hall, 8:15 p.m. Cornish invitation extended to general public. Light refreshments.

FRIDAY, JAN. 23—Tea and bake sale in the Fire Hall, at 3 to 5 p.m. Admission 35c. Sponsored by the Opti-Mrs Club, Newmarket.

MONDAY, JAN. 26—Euchre in Aurora Legion hall, sponsored by the Aurora Ladies' Auxiliary. Time 8 p.m. Good prizes. Refreshments. Admission 35c.

FRIDAY, JAN. 30—Dance in Vaindort Community hall. Sally Lloyd's orchestra. Admission 50c. Refreshments.

WEDNESDAY, FEB. 11—Valentine carnival at Queensville Arena. Prizes given for persons in costume.

DANCING at Mount Albert every Saturday night, from 9 to 12 p.m., to Norm Burling and his orchestra.

It won't be long before a com-

Members of the audience from Newmarket attending "Peter Pan", the New Play Society's presentation at Eaton auditorium, Toronto, Dec. 26 to Jan. 10, were surprised to recognize a local resident in the cast. "Why, there's Johnny Keeble's mother," one youngster remarked as Mrs. Darling made her entrance.

A careful study of the program revealed no such name as Mrs. Gordon Keeble or Midge Keeble, but a Marjorie Ellis was playing the role of Mrs. Darling. "They might call her 'Marjorie Ellis' there. But, she's really Johnny's mother," he asserted. On further investigation we found that to be the case.

Mrs. Keeble, the former Marjorie Ellis, had decided to use her maiden name in this, her most recent return to the theatre since coming to Newmarket about five years ago. Marjorie Ellis was a familiar name to Toronto radio audiences when during the war she was one of the women announcers at CBL.

Mrs. Keeble started in theatre in Vancouver. She was a member of the Madame Novello-Davies choir which visited the continent prior to the war and while in England did a BBC show for their overseas service.

Mrs. Keeble acted in the pantomime, "Cinderella" at Eastbourne, England, prior to returning to Canada.

During a two-year stay in Montreal, Mrs. Keeble was active for over a year in radio. She wrote and broadcast the program "Jane Ogilvy" which was aired five times weekly. Returning to Toronto she appeared in the New Play Society's Christmas Nativity play.

Basil Langton, the director of "Peter Pan", was a personal acquaintance of Mrs. Keeble. "When he phoned that he was in Toronto to direct the play and suggested that I try out for the part, I wondered if it might mean too much rushing for rehearsals and all," said Mrs. Keeble. "But, I decided to read for Mrs. Darling, got the role and it was fun."

The weatherman has been most un-cooperative this winter with the outdoor skating enthusiasts. Fathers have patiently flooded areas for young sons' skating practices. Boys at recess or after school have tried to make a small rink by the school. At least they could practice some stick handling, if that weatherman would stop being contrary. One day it looks promising. The next day it's slush.

Perhaps this might be the opportune time to warn youngsters about crossing Fairy Lake. We saw some small types testing the ice there last week. Parents and teachers might be advised to remind children of the dangers at this season of playing by the lake, river or creeks which pass through town.

It won't be long before a com-

## CUB LEADERS TAKE TRAINING COURSE IN NEWMARKET

Thirty were present at the opening of the South Lake Simcoe cub leaders' course which opened at the scout hall last night. The course is under the leadership of Jack Atkins, Field Commissioner Dick Edmunds and Art Townsley.

The course is designed to help new leaders and provide refresher training for experienced leaders. At the three Wednesday night meetings, the leaders will learn the basis of cubbing and new ideas for leadership.

The South Lake Simcoe District has been formed recently. It extends from Aurora to Virginia and from No. 11 highway to Stouffville.

### KING TWP. APPOINTMENTS

King Township by-laws were passed recently appointing 16 pound keepers, three fence viewers in each of the 16 subdivisions and 16 livestock valuers. Very few changes were made in the list of names given in 1952. The dates, time and place of the monthly council meetings, up to January 4, 1954, were fixed. They will be held at the municipal office at Nobleton and a special meeting was set for Dec. 15, 1953. Regular meetings will be held on the first Monday of every month, except Tuesday, Aug. 4 and Tuesday Sept. 1.

### COAT HANGER DRIVE

Newmarket Cubs of Pack 'A' will be holding a coat hanger drive in about two weeks time. Residents are asked to save coat hangers which the cubs will pick up this month on a date to be announced later.

Percy Hutchinson, Newmarket, was installed last Thursday night as worshipful master at Tuscan Lodge, No. 99, A.F. and A.M. Mr. Hutchinson is a 32nd degree Scottish Rite Mason. He has lived in Newmarket for the most part of 30 years of his life. He was born in England.

## Penalties For Speeding High

Court statistics prove it doesn't pay to rush through Newmarket.

Of 1,500 motorists charged last year, 87 per cent. were convicted. Approximately seven per cent. of charges were dismissed, and six per cent. withdrawn.

Deputy police chief James Leeder reports that after during the summer he clocks one speeder every minute. The speed varied from 37 to 70 mph, which means, if convicted, fines from \$9 to \$42.

Speed limit is 30 mph.

## D. J. HUTCHINGS RESIGNS AS G.M. OF DAVIS COMPANY

"Due to the extreme pressure of business in the past few years, Mr. D. J. Hutchings is resigning as general manager and after a well earned holiday will be returning to the company to assist in our sales promotion program," the Davis Leather Company, Newmarket, announced this week.

The duties of general manager will be assumed by J. H. Cairdner who was recently appointed executive vice-president of the company.

Mr. S. G. Woolham has been appointed comptroller and J. E. Cullen plant superintendent.

## Dedicate New Free Methodist Auditorium For Sunday School

Rev. A. L. Brown, Winona Lake, Indiana, general Sunday school secretary of the Free Methodist church, was the special speaker at an impressive dedication service of the new Sunday school auditorium at the church on Millard Avenue, Sunday, Jan. 11, at 2:30 p.m.

N. J. Sedore, chairman of the board of trustees, presented the building wing for dedication. Rev. Brown read the declaration of dedication and offered the dedicatory prayer. He was assisted in the service by Rev. E. G. Babcock, superintendent of churches in the Toronto and Muskoka districts.

Miss Clara Crowder, superintendent of the Sunday school, and the pastor, Rev. Earl S. Bull, also assisted in the service. Mr. Murray Varney, superintendent

of the Holt Sunday school, led the singing.

A beautiful basket of flowers paid tribute to the memory of the late Rev. F. A. Daw and Mr. Ross Tomlinson. It was under the leadership of the late Rev. Daw, as the former pastor, that the needed building project was launched. Mr. Ross Tomlinson worked faithfully as a carpenter in his spare time until a few weeks before his death.

The Sunday school has had a gradual steady growth to an average attendance of over 100. The new auditorium and the class rooms soon to be fitted in the basement of the original building will make possible the accommodation of more children, young people and their parents.

Miss Clara Crowder, superintendent of the Sunday school, and the pastor, Rev. Earl S. Bull, also assisted in the service. Mr. Murray Varney, superintendent

of the Holt Sunday school, led the singing.

# J. L. R. Bell Chairman Of 1953 School Board

## HOG PRICES TAKE UNEXPECTED JUMP TO 28 CENTS

Hogs are selling in the Toronto Stock Yards for \$28 per cwt. this week, the highest price in almost 15 months. This unexpected turn of events followed the lowering of government floor prices from the \$26 to \$23 cwt. as of Jan. 1, 1953.

The government floor price, as many farmers say, usually becomes a ceiling price as well and this is explained as the reason for the heavy marketing of hogs in the last few days of the old year. The heavy flow of hogs to the market soon brought about a shortage in the first two weeks of the new year.

The shortage resulted in the present unexpected high price. Whether this price will be maintained for any length of time or not, is difficult to predict. A levelling off of prices around the middle of next month is expected by most farmers, the unknown factor being the number of sows marketed last fall by farmers who decided that they could not make money on \$23 hog prices.

Other appointments included: Newmarket-Sutton Area High School board, Mrs. J. C. Edwards; Public Library, Mrs. William James; and Recreation commission, George Phimister and Arthur Lloyd.

In accepting the chairmanship of the board for 1953, Mr. Bell paid tribute to Mrs. Curtis for

J. L. R. Bell was named as new chairman of the Newmarket Public School board for 1953 by a unanimous vote at the first meeting of the year. Held on Wednesday night, Jan. 7, following the final meeting of the 1952 board, annual appointments were made and committees were struck.

Mr. Bell who led the polls in the recent election for public school trustees, was nominated for chairman on the motion of George Phimister. Mr. Phimister, declining the nomination for chairmanship by Allan Perks, had named Mr. Bell for that office. His nomination was seconded by Mr. Perks and unanimously carried. George Phimister was elected vice president.

Mrs. Morden Carter was re-appointed as attendance officer at the same salary of \$325 a year. The secretary-treasurer, Bruce Hunter was re-appointed for his second year with an increase in salary of \$150. He had received \$600 last year.

Mr. Hunter was commended for his fine work in the past year. It was recommended, with the paying of this increase, that the ordering of supplies would be assumed by him. It had been a duty of the past secretary-treasurer, but in 1952, Mrs. Curtis as properly chairman, had taken over that responsibility.

Other appointments included: Newmarket-Sutton Area High School board, Mrs. J. C. Edwards; Public Library, Mrs. William James; and Recreation commission, George Phimister and Arthur Lloyd.

In accepting the chairmanship of the board for 1953, Mr. Bell paid tribute to Mrs. Curtis for

the time she had spent during 1952 as the board's chairman. Prior to the retirement of E. J. Galbraith whose seat was taken on the new board by Arthur Lloyd, Mrs. Curtis thanked him for his co-operation and work while on the board. Mr. Galbraith had been appointed by the board to fill the vacancy caused by the resignation of Herbert Atkins.

Rev. Fred Breckon, minister of the Christian Baptist church, Newmarket, opened the inaugural meeting of the board with prayer. Rev. Breckon took the declaration of oath from the members elected this year, Messrs. Bell, Perks and Lloyd.

"As a father in the community, and having had some part in public life," said Rev. Breckon, "I can appreciate the difficulties facing you as members of the school board and the sacrifices which such duty entails. Your work over the year will be a reflection of your co-operation among yourselves. The spiritual forces of the town are with you in new responsibilities."

Schools were assigned to members of the board: Prince Charles, George Phimister; King George, Mrs. Curtis; Stuart Scott, Mrs. Best and Alexander Muir, Arthur Lloyd.

Mr. Phimister was named property chairman. On his committee are Mrs. Curtis, Mrs. Best and Mr. Lloyd. Management is under the chairmanship of Mrs. Best with Mr. Perks and Mrs. Curtis as committee members. Mr. Perks is finance chairman. The board as a whole, forms the finance committee and the chairman of the board is ex-officio member of all committees. Mrs. Best and Mr. Lloyd were appointed to a special committee to consider the annual music festival.

A discussion of the duties of each committee was held. Tribute was paid to Mrs. Curtis by members of the board for the conscientious manner in which she had chaired the property committee in 1952. Mrs. Curtis presented a detailed record of all maintenance supplies required in the four schools over the period of one year. This is the first time that such a record was attempted. Mrs. Curtis stated.

Best: "It was an expression of courtesy."

Phimister: "To ourselves?"

Curtis: "If you don't want the board to pay it, I will myself."

Best: "Why should you?"

Curtis: "Mr. Phimister, let me have that bill."

Phimister: "I was just expressing an opinion."

Best: "Don't be ridiculous. Let the bill stay right where it is."

Without further discussion, a motion was moved by Mrs. Mina Best and seconded by E. J. Galbraith, that all the accounts be paid. Mrs. Curtis, the chairman, neglected to put the question to the vote.

Phimister: "The bill for the flowers sent at Christmas time. It looks awfully foolish to me to get something from ourselves."

Curtis: "I thought it was just a courtesy gesture, for work well done. The town gives turkeys at Christmas."

Phimister: "That's different. They are employees. This was a gift to ourselves. I couldn't be party to that. That's why I sent them back, post haste."

Curtis: "You returned the flowers?"

Phimister: "I certainly did. Immediately."

Bell: "And so did I."

Phimister: "That's different. They are employees. This was a gift to ourselves. I couldn't be party to that. That's why I sent them back, post haste."

Curtis: "You returned the flowers?"

Phimister: "I certainly did. Immediately."

Bell: "And so did I."

## 500 DOORS A YEAR LEFT UNLOCKED

During last year nearly 500 doors on garages, stores and warehouses were found unattended during the night, the annual police report shows.

Aurora merchants have a better record. Constable Jim Krochok of Aurora states only 35 doors were found unattended in that town last year.

Principals in the services at the Free Methodist church, Newmarket, last Sunday, when the new Sunday school auditorium was dedicated are shown above. Left to right are the minister, Rev. E. S. Bull; general Sunday school secretary, Rev. A. L. Brown; Sunday school superintendent, Miss Clara Crowder and district superintendent, Rev. R. G. Babcock.

PAGE TWO

THURSDAY, THE FIFTEENTH DAY OF JANUARY, NINETEEN HUNDRED AND FIFTY-THREE

### UNHEALTHY STATE

It is well known that there is a strained conflict between members of the Newmarket public school board. This situation has existed for a considerable length of time. Aside from recent "tempests" there has been a constant state of poor relations between trustees the past year and it is probable that it dates back more than a year. There is no fighting, no noisy spitting on the board, but plenty of wry remarks are made across the table. The impression one gets from the board is that of a quiet volcano which never completely erupts.

It is difficult to diagnose the disease of the school board. The state of affairs certainly may be compared to a disease. It is easy to classify the symptoms. They include prejudice and malice. To go into the causes of a disease, a physician has one objective in mind and that is to discover what treatment should be adopted to cure the disease. Once causes are established, the attack is carried out. But to go into the causes of the school board disease, one must go to the individual members themselves for a closer examination. This might take considerable time because the examiner would be required to find out the causes of likes and dislikes, hatreds and personal prejudices. One might be required to go back into individual childhoods. A psychologist would be better fit for the job.

The conflict on the school board should not exist. A school board is elected to serve the public by managing local affairs concerning education. Buildings must be properly managed and a staff of qualified teachers must be maintained. There should be no problem in carrying out these duties. Other matters concerning personal grievances or dislikes should not interfere with the normal duties of the school board. In other words, school board members should have a public spirited outlook; they should be concerned with serving the taxpayers, the purpose for which they were elected, nothing more.

It is not always the case that individuals stand as candidates for election with the desire to do public service as the foremost motive. Most candidates for public office have grievances to be aired. But when elected representatives allow personal grievances and prejudices to supersede the desire to carry out duties in a public spirited manner, they are not useful office holders. The resulting state is unhealthy for the community.

### PERSONAL INFLUENCES

The school board's decision last week to bar Warrendale students from the public schools has prompted questions from residents of Newmarket. Chairman of the 1952 board, Mrs. Stella Curtis and trustees Allan Perks, Mrs. Mina Best and James Galbraith voted to carry a motion to dismiss the children living at Warrendale if school fees were not paid within a week. Trustees Larry Bell and George Phimister did not vote on the motion and took little part in the discussion.

Warrendale is a home for girls between the ages of 12 and 15. In an article published previously and based on interviews with officials of the Warrendale board, the girls who are admitted to Warrendale are described as "neither delinquent nor incorrigible, but rather, they are unhappy adolescents who feel rejected. In many cases they have been taken from emotionally unstable homes where co-operation, love and loyalty were met less frequently than were friction, hate or distrust. A succession of foster homes in which these girls failed to find the help they needed has built up their feeling of insecurity. Perhaps in group living they will find that they are wanted; that they are important to someone."

Four members of the public school board expressed opinions which conflict with those of trained social workers and members of the Warrendale board. Statements made at the public meeting of the board are not quoted in this or any other publication for obvious reasons. Should the statements be publicized, untold harm could be done to the minds of adolescents.

Members of the board appeared to make no attempt to hide the fact that school fees and taxes were not the foremost reasons for their decision to bar students from the schools. Many public statements were made but only a small part of the discussion concerned fees and taxes.

Had not personal opinions been concerned in the school board's handling of the particular subject, it is a question whether the issue would have arisen or not.

**The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.**

## Office Cat Reports Catnips By Ginger

At the inaugural meeting of Cuttin' Corners town council, Slim Bliggins was appointed fence viewer for 1953.

In an interview regarding this important appointment, Slim said this week, "All fences will be viewed with an unbiased outlook in 1953. This here fence viewer will keep a constant vigil over all fences within the corporate limits of the municipality."

"How did this appointment come about?" Slim was asked. "Well, the public has been cryin' fer me to run fer office for a long time," said Slim. "But I'm strictly not a politician at heart. At the insistence of the mayor, though, I did accept this here appointment with a public spirit and I will view every fence with that same attitude."

"I have a fence in my back yard that is falling down and you are welcome to come and view, with alarm, its deplorable condition," I told Slim.

"No, a fence viewer is strictly confined to his own municipality," asserted Slim. "I wouldn't want to come down here and view your fence. I might be steppin' on the toes of some fence viewer here. We fence viewers swear a solemn oath that we will never view one another's fences. It just ain't etiquette."

"It seems to me that a fence viewer hasn't much to do in these modern times," I said. "Fence viewers had their day when there was a predominance of rail fences, had they not?"

Slim was mortified. "I'll thank you to keep any opinions that the art of fence viewing is on the decline, to yourself. Why fence viewing is one of the most important duties of the municipality."

"How so?"

"Well, take a couple of neighbors, one of whom says the other's fence is encroaching upon his property, and the other of whom says no it ain't, it's encroaching upon his, if you know what I mean."

"Yes."

"Well, they disagree and have a fight and a fence viewer is called in to settle it. Well I, for instance, comes in and steps in between these here wrangling neighbors, right between 'em and I lifts my hand up to shield my eyes and I views. After several minutes of professional viewing, I makes my decision and that there is that."

"You are a fence viewer and sort of judge or magistrate combined, eh? Well, I had no idea of the importance of fence viewing. I suppose then that any old fence viewer might have a lot of interesting stories to tell."

Slim nodded. "Have you any interesting stories to tell?" I asked.

"I mind the time," said Slim, "when a man built a fence so high in the Corners that he cut out all the sunlight from his neighbor's house. He did it for revenge. It was a spite fence he put up because his neighbor ate bananas in his back yard and threw the skins over the fence into his back yard."

"Were you called in?"

"No, this was years ago when poor old Will Needham, rest his soul, half blind he was, took the case. He viewed him onto an hour before he reached a decision and ordered holes put into the fence for fresh air and sunlight. It was a health matter," Slim said.

We had no idea of what ends a fence viewer must go to, to view in the proper professional manner which is expected of him.

## The Top Six Inches by "Dairy Farmer"

The first week of the New Year brought two events of great importance to the farming community. One was the proposed sale of five million pounds of cheese, mostly from Ontario, to the U.K. and the other the discovery of that animal that was considered long extinct, the \$27 hog.

Now we have heard a great deal of the current varieties of bacon hog, the \$26 hog. It is a mongrel, born from very doubtful parentage, the runt of the litter so to say, but we will admit that towards the end of the year, when the great animal breeder, Mr. Gardiner, with his able assistant, McLean, promised to introduce the new 1953 model, called the \$23 hog, we suddenly discovered that we really loved the old brute.

As a matter of fact, we swore that we will never have anything to do with this new variety and hired a different juggler, called McInnis, to do better.

Between you and me and the hog pen, we didn't believe that we had a chance. This breeding business of hogs with price tags on them is a bad bit of business and while all the great masters whose names we mentioned before, had their cure; they all had their price too, and sometimes we were wondering if the cure was worse than the illness.

Along came the first week of the year and instead of behold that hopeless runt, the \$23 hog, here was our old pet, the \$27 hog.

Frankly, we don't know what happened. We don't even know if the brute will live or not; as a matter of fact it has

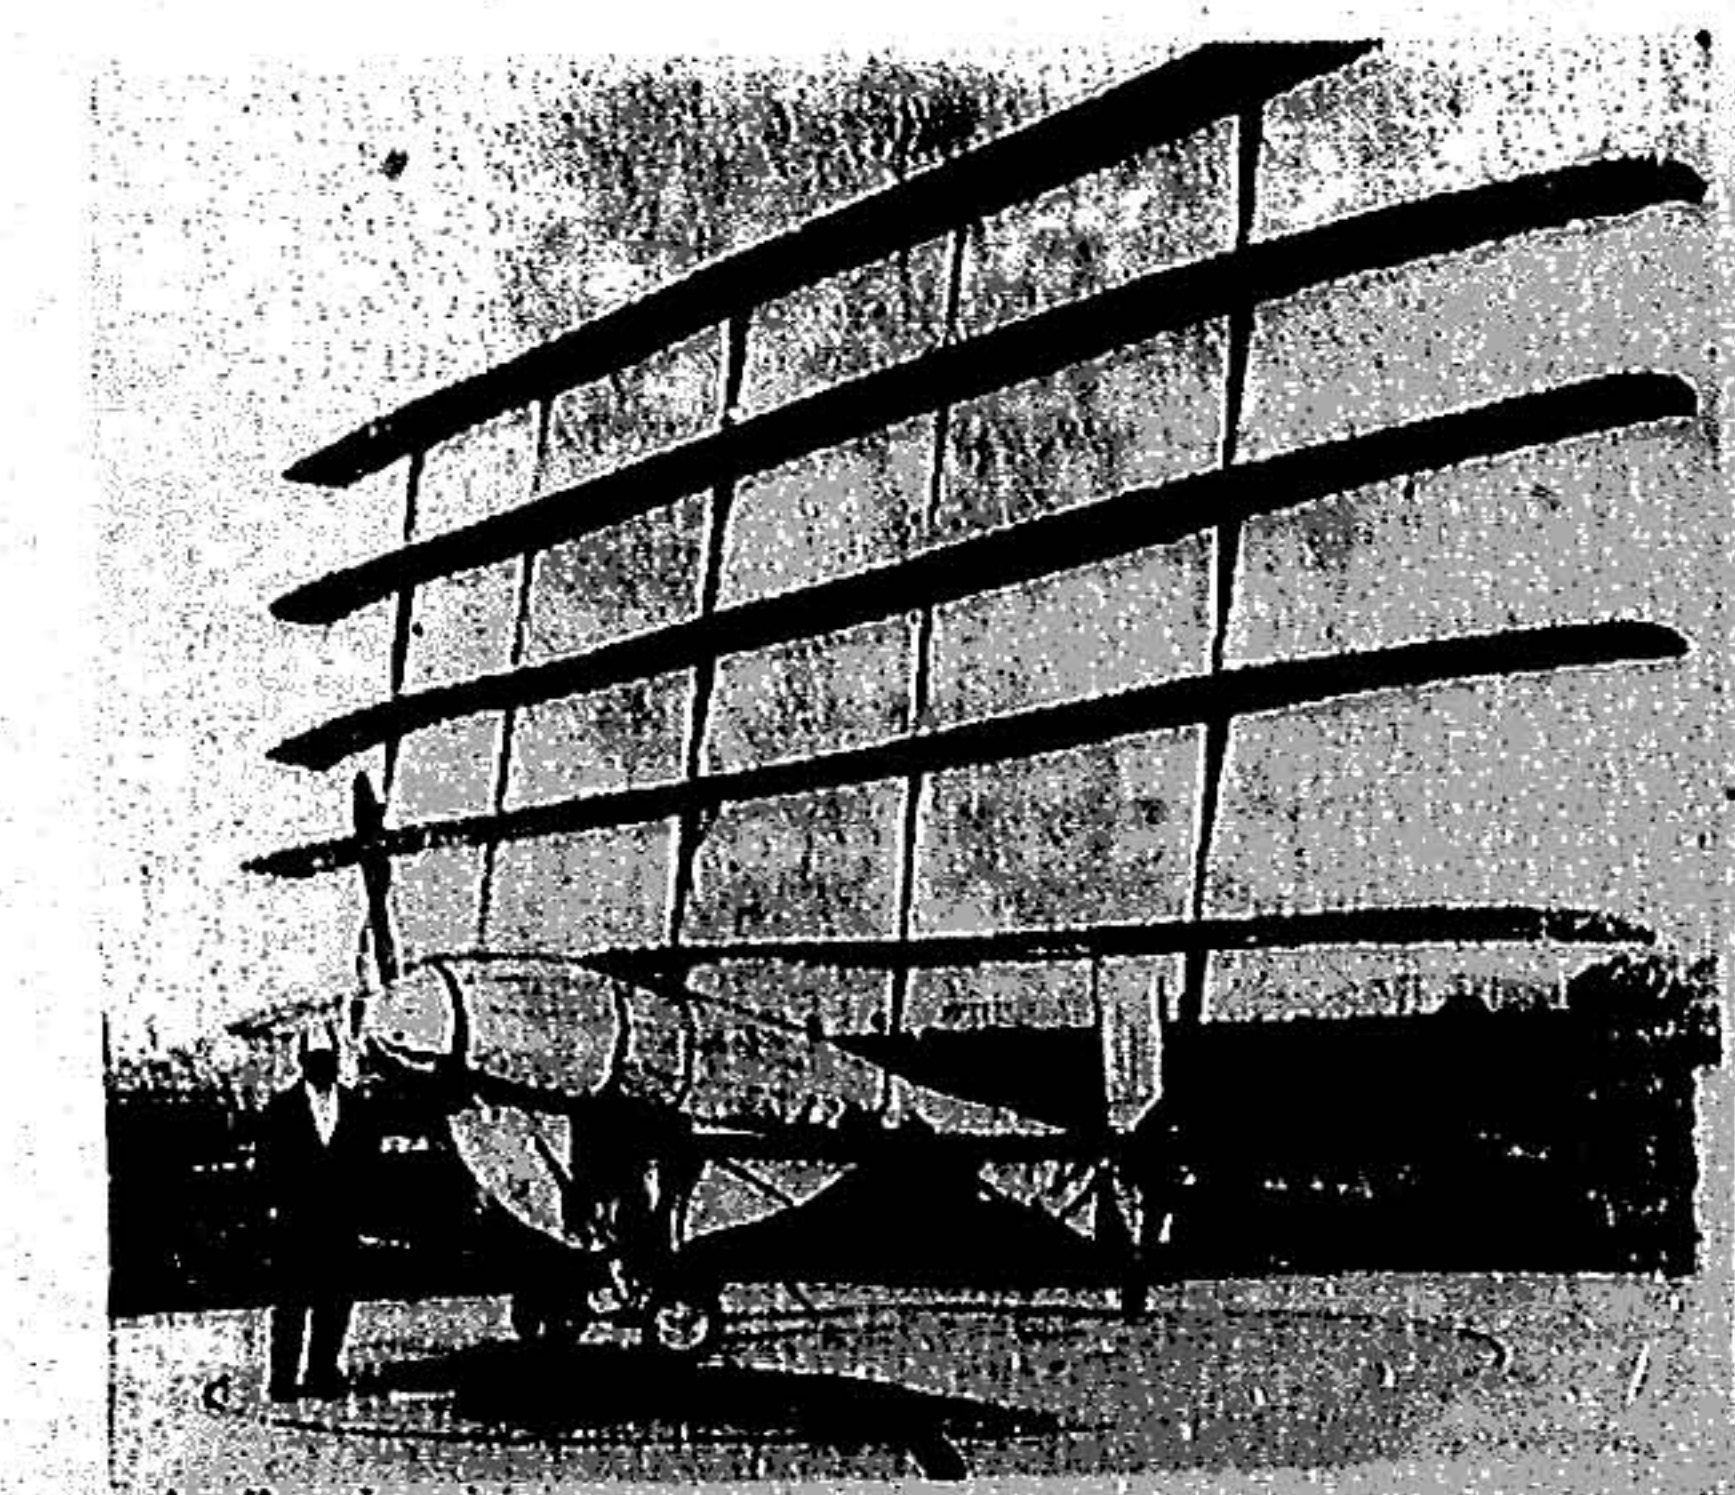

a funny sort of squeal to it. We certainly don't know who fathered this bit of gift from heaven, but we think that maybe while the master breeder wasn't looking, the assistant, McLean, slipped one over the old man. In any case we great, ly suspect that we haven't heard the last of this racket yet.

Well, we could say, don't look in the mouth of a gift horse. The only trouble is, we don't know whose gift it is and to whom. As the end of the year's hog run kept increasing and filling up all available space at the yards and in storage, some of it light and underfinished, it became obvious that the arbitrary manipulation of prices is creating a very unhealthy condition.

There had to be a shortage of marketable hogs in the weeks following. What will stop the people who bought large numbers of hogs under the old floor price from bidding up the expected small run and make a profit on the hogs bought the previous weeks?

And what will be the position of the marketing scheme which is due to come into effect the middle of the month? The hog run will keep slowly increasing as time goes on. Will the marketing scheme be made the goat of the eventual drop in prices that will be bound to come? We do not know the answer.

As to cheese, we hope that the negotiations now starting will give some assurance to the future too. To remove the surplus is one thing, and a good one, but we also need some assurance for next summer's production.

Another beautiful dream faded in 1923 when U.S. inventor W. F. Gilbert's pedal-driven plane made a last descent, even with the addition of sextuple wings. Both before and after the Wright brothers' historic flight in 1903, many have tried to develop new versions of a motor-driven, heavier-than-air machine, but the basic principles of the Wright plane have proved their worth.

## From the Files of 25 and 50 Years Ago

JANUARY 13, 1928

Churchill Curling club celebrated its 50th anniversary of organization last Friday and in response to an invitation to the Newmarket Curling club to take part in a bonspiel, a team composed of Messrs. G. A. Binns (skip), J. R. Y. Broughton, John Murphy and W. Dunn drove up to participate in the event. The result was that Newmarket won first prize in competition with 26 rinks.

There were no less than 17 tables at the progressive euchre held in St. John's schoolhouse last Monday evening and a delightful time is reported. Mrs. Thos. Fahey won the lady's prize for points, Mr. George Flanagan the gent's prize and Mrs. Smart the prize for lone hands.

A very happy event was celebrated at New Year's at the home of their eldest daughter on Woodcrest Ave., Toronto, which was the golden wedding of Mr. and Mrs. John H. Wesley, who formerly resided in Sharon.

Dr. and Mrs. Irwin of Weston and Dr. and Mrs. Bond of North Toronto took dinner on Thursday of last week with Dr. J. H. Wesley, it being his birthday.

Mr. and Mrs. J. E. Hollingshead are expected home on Saturday after spending about a month in Winnipeg.

Mr. C. S. W. Scott appears to be very glad to remain home after spending six weeks on jury in Toronto.

Mr. Melbourne Pipher of Swift Current, Sask., is spending a few weeks with his brother, Mr. Earl Pipher.

Mrs. Robt. Thompson of Toronto and Mr. Ed. Thompson of Kenora visited their brother, Mr. J. W. Thompson, Park Ave., over Sunday.

Mrs. C. Stocking of Aurora, formerly of Newmarket, is leaving for California next week for a visit with relatives.

JANUARY 16, 1903

Mrs. T. Boyd of Winnipeg visited her sister, Mrs. Soules, at Major Allan's last week, on her way to Hanover to visit her daughter, Mrs. James Adams.

We understand that a change is being made in the firm of Messrs. Danford Roche and Co. A company has been formed to take over the business, to be known as the Danford Roche Co., Ltd., with Mr. Danford Roche as manager.

Last Friday a young man named Spencer Everest, met with a bad accident at Canes' factory. He was operating a band saw, cutting pail staves the proper length. He misplaced a stave, cutting it too short, and in raising his hand to throw it out for another size, his fingers came in contact with the saw, and quick as a wink he had three fingers and the thumb taken almost off. Dr. Wesley dressed the hand immediately and he has hopes of saving all the fingers, though they may be stiff hereafter.

Mrs. Eastwood and Mrs. Sproule, who have been spending the last few days with Mrs. Cassidy at "Killarney", returned to Toronto on Thursday.

Mr. Wm. Low, Sr., was taken so bad with sciatica while at work at the Office Specialty on Monday that he had to be taken home.

Miss Minnie Waldon of Eglington was visiting over Sunday with the Misses Case.

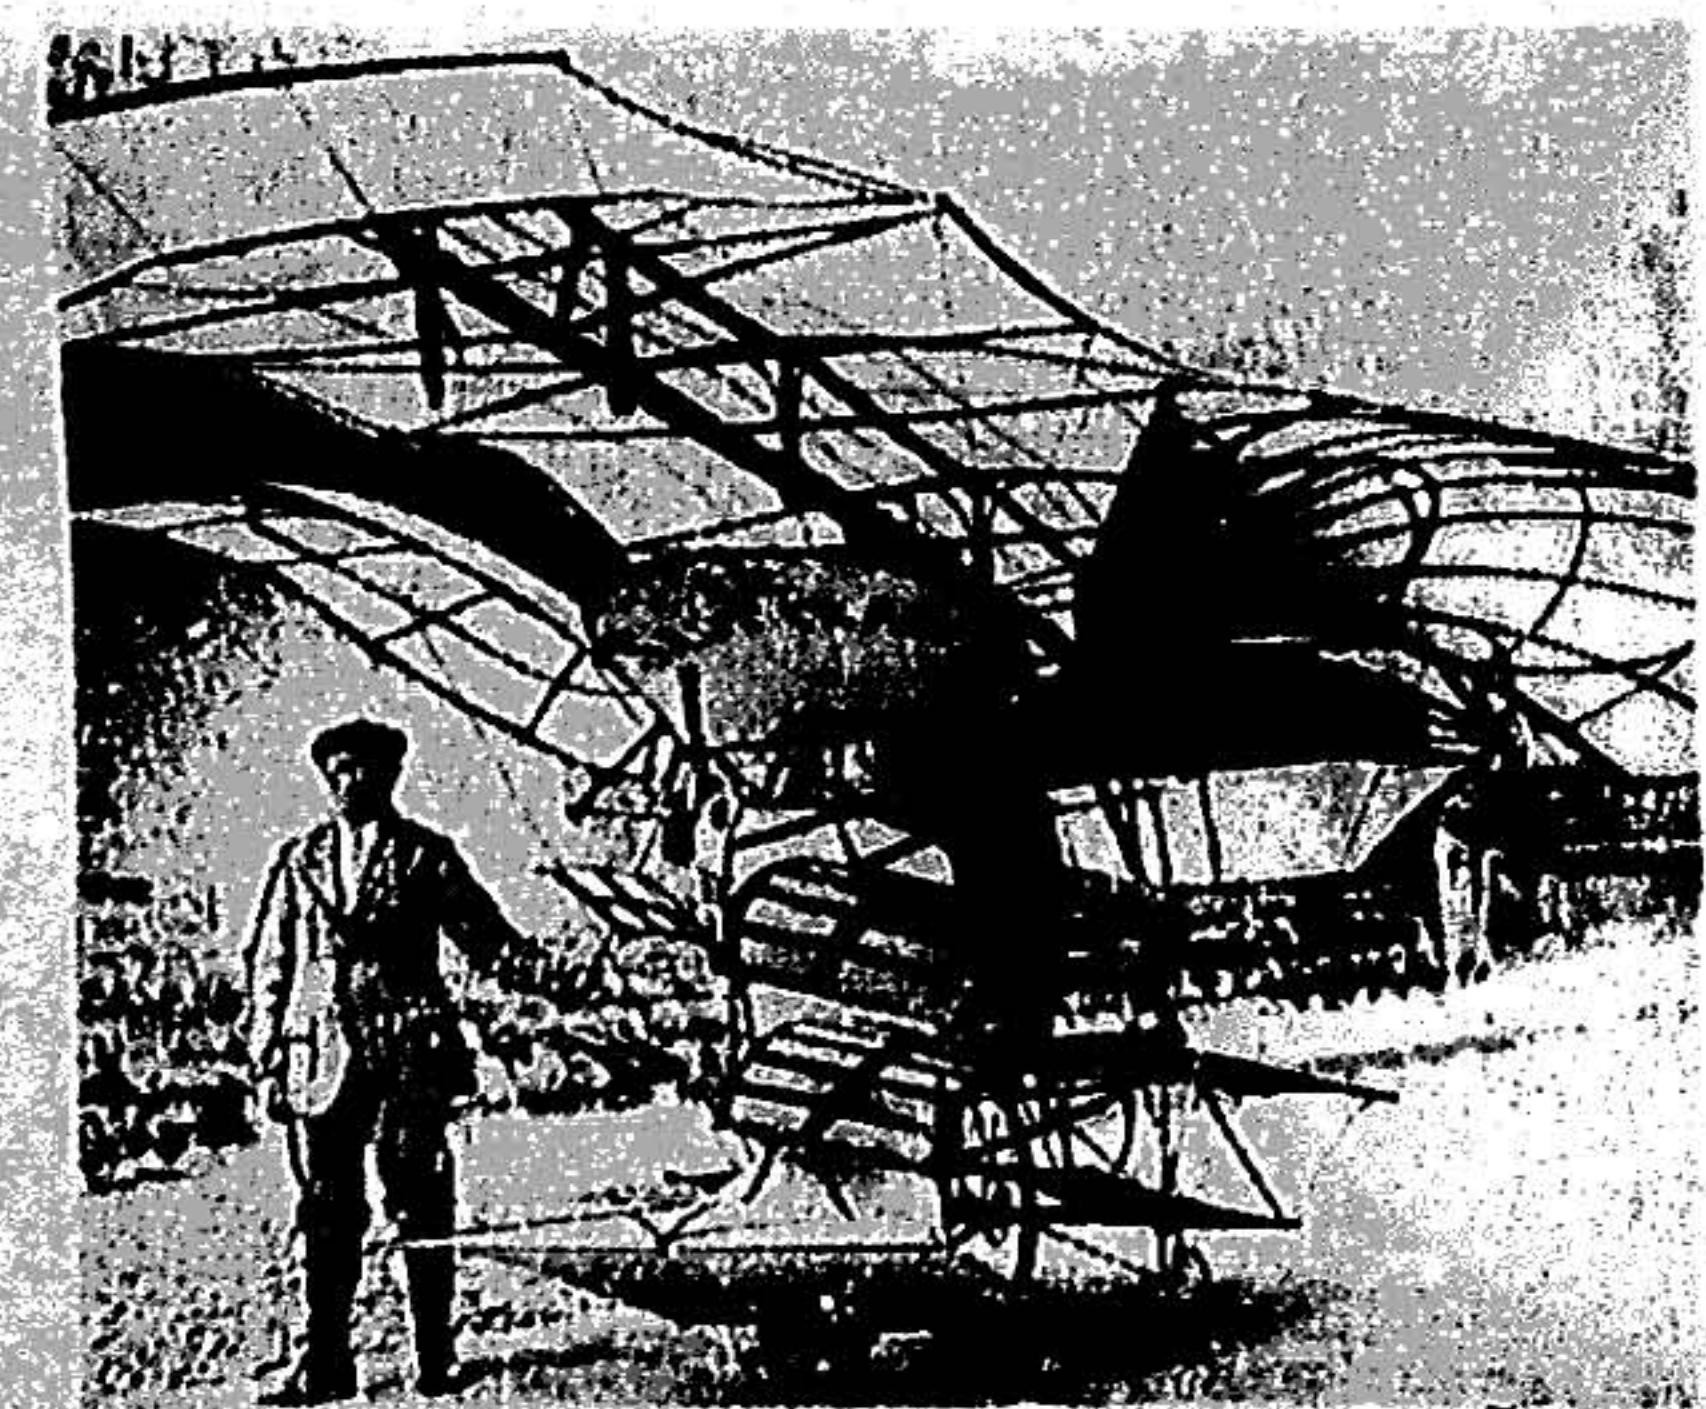

Mrs. (Rev.) Wilkinson is here on a visit with her mother, Mrs. Geo. Richardson.

Mrs. H. Luesby of Allandale has returned home after visiting friends in Newmarket.

Mr. and Mrs. J. H. Millard were "at home" with numerous guests last Friday night.

Miss Elva Yorke has returned home after spending three weeks in the city.

Miss Mary Kelley has gone to Waterloo on a month's visit.

Muscular strain proved the downfall of another Frenchman's elaborate invention. In 1923, P. Le Sauteral used pedal power along with flapping of the arms to make his kite-like plane "sag like a bird." This frenzied motion was too much for M. Le Sauteral's constitution, so his experiments came to naught.

Somebody wrote some poetry  
a long time ago that speaks the  
heart of many of us. Here it is:  
How often, oh, how often  
I had wished that the ebbing  
tide  
Would bear me away on its  
bosom,  
O'er the ocean wild and wide.  
For my heart was hot and rest-  
less  
And my life was full of care,  
And the burden of life laid upon  
me  
Seemed greater than I could  
bear.

I think the title was "The  
Bridge". It has the same cry as  
the cry of the Psalmist in the  
55th Psalm: "Oh that I had the  
wings of a dove for then would  
I fly away and be at rest." Here  
is a man who wants to run away,  
or, to be more accurate, he wants  
to fly. He is tired. He is dis-  
couraged. He is so human. His  
name? Well, just put yours in  
his place. Heartache and heart-  
break. Enemies without and  
fears within.

What was the matter with  
David that he should so weep?  
He was not weak. He was a  
great man and courageous. He  
was a great statesman. He was  
a great poet. His songs will live  
as long as men remain to sing  
them. But (1) He was face to  
face with a task that he felt un-  
equal to. Rebellion was every-  
where and his nation needed a  
strong man. (2) He nursed a  
broken heart. The leader of the  
rebellion was none other than  
his own son, Absalom. (3) He  
had a tortured memory for the  
one great sin of his life kept  
prodding his conscience. A  
mocking voice followed him at  
every step. (4) His best friend  
had let him down. He speaks of  
him thus, "We took sweet coun-  
sel together. His words were  
softer than oil, yet they were  
drawn swords."

What about the remedy for  
such a broken heart as David's?  
Will running away help? Ah  
no! A thousand times no. Like  
David, our hope is not in flight  
but in God.  
"Cast thy burden on the Lord  
and He shall sustain thee," is  
the advice of this man who  
learned early to trust his God.  
Hear the invitation of our Lord  
Jesus Christ, "Come unto me  
all ye that are weary and are  
heavy laden and I will give you  
rest," and further, "Take my  
yoke upon you and learn of me;  
for I am meek and lowly in  
heart; and ye shall find rest for  
your souls."

First high altitude photo-  
graphs recording a total eclipse  
of the sun were taken by the  
RCAF in July 1945. Flying at  
an altitude of 34,000 feet, an  
RCAF Spitfire photographed the  
phenomenon. A Mitchell and an  
Anson also took part in the op-  
eration from Rivers, Manitoba.

LEGION NEWS

Have you got back to normal  
after the year end festivities?  
Quite a job, eh!

The Legion now starts off with  
a new executive and our info at  
this writing is: "Attend All Meet-  
ings" and help them give you the  
service which you expect.

The next bingo is on Wednes-  
day, bigger and better. See ad  
in this issue; come with the  
crowds; Prizes and Jackpot are  
tops. Wednesday, Jan. 21, at the  
hall.

The membership drive is still  
on. Comrade Alex Hands is  
membership chairman. Bring in  
a new one before our next in-  
itiation night. We now have over  
200 paid-ups, trying for 250; the  
potential is there. Let's get  
them with us now.

Have you seen the television  
yet? It's quite a good break for  
the members. Drop in at any  
time, Comrades.

Monthly meeting is January  
26. Mark your calendar now.  
Good attendance requested.

Have you offered to help the  
Arena committee at the lunch  
counter? They will appreciate  
your assistance. Comrade Ken  
Miller is chairman at the pres-  
ent time.

WEEK OF PRAYER

In connection with the univer-  
sal week of prayer, which is held  
simultaneously in all churches at  
the beginning of each year, Sut-  
ton's churches co-operated with  
the united effort and services  
were held.

On the evening of Jan. 6, Rev.  
Stephen Mathers, minister of  
Knox United church, preached  
the sermon in St. James Anglican  
church. On the following even-  
ing Rev. Leonard Geary, rector of  
St. James, preached at St. An-  
drew's Presbyterian church and,  
on the following and final even-  
ing the Presbyterian minister,  
Rev. George Killen, preached in  
Knox United church.

Our readers write

Letters to the editor are always welcome but the names of  
the writers must be known to the editor.

The Editor: Learning from the  
Toronto press that Newmarket  
has come into prominence as an  
azalea-growing, or should I say  
giving, centre, I deem this an  
opportune time to give some ad-  
vice on azalea culture.

The first step is the acquiring  
of the plant. The Christmas  
season finds azaleas at their best,  
and a nice plant with a profu-  
sion of bloom, may be obtained  
from your local florist at a cost  
of approximately \$4.

These make acceptable gifts to  
most people, especially as a re-  
cognition for public service ren-  
dered, but it is advisable to as-  
certain whether or not the re-  
cipient of such a gift is willing  
to assume the responsibility en-  
tailed by its acceptance, or the  
incident might prove embar-  
rassing if it should be returned.

Also, it is wise to pay the  
florist bill promptly, as an over-  
due account of as little as \$20  
may inconvenience the florist  
who must meet his bills when  
due. Having acquired your  
azalea, preferably by the gift  
method, its care is simple. Place  
it in a sunny window, water it  
occasionally and your plant will  
repay you with beauty of bloom  
for many weeks.

Nurture it carefully, and when  
it has finished blooming, store  
it in a cool place until next  
winter, for Santa Claus may  
not be so generous next year if  
the taxpayer is called on to pay  
the bill.

Madeleine N. Mathews.  
The Editor: May I use your  
paper to express an appreciation  
to the members of the town  
council for the recent renova-  
tions made in the auditorium of  
the town hall?

As a member of the Dramatic  
club who was working behind  
scenes in the recent pantomime,  
I should like to inform the coun-  
cil and the townspeople-at-large  
of the distinct pleasure it was to  
work on the stage with the new  
curtains, the new lighting effects  
and the other improvements  
which have certainly enhanced  
the auditorium to a great extent.  
Any event which takes place  
in this auditorium is for the peo-  
ple of the town, a community  
affair, so that not only those who

Board Chairman Paid  
Travelling Expenses  
Incurred During 1952

(The following report on  
certain discussions at the De-  
cember meeting of the New-  
market public school board  
is published at the request of  
interested taxpayers who in-  
sisted that the information  
concerning the public meet-  
ing be made known.)

(The chairman of the board  
had requested that the rep-  
resentative of this newspaper  
refrain from reporting this  
item of business at the De-  
cember meeting but rather  
than risk the possibility that  
taxpayers might think that  
any facts are being withheld  
from them, the report is pub-  
lished here. -Editor)

Mrs. Stella Curtis, chairman of  
the 1952 Newmarket public school  
board, submitted a personal ac-  
count at the December meet-  
ing of the board amounting to \$50.  
Mrs. Curtis explained that her  
travelling expenses incurred  
while she was carrying out du-  
ties as property committee chair-  
man, approximated this figure.

Before dealing with this item  
of business, Mrs. Curtis asked  
that the press refrain from re-  
porting its discussion.

Trustee Allan Perks said that  
she was misinterpreted by the  
press at the beginning of 1952  
when she asked that the board  
approve of payment of her trav-  
elling expenses incurred while  
she was engaged in board work.

"Very much that way," Mrs.  
Curtis agreed.

From the minutes of the earlier  
meeting, when Mrs. Curtis asked  
for this approval, the secretary  
read information showing that

Mrs. Curtis had said that before  
she would accept the property  
committee chairmanship for 1952,  
she felt the need for some re-  
muneration. No rate per mile  
was set, according to the secre-  
tary.

"Nine cents a mile should cov-  
er expenses," said Trustee James  
Galbraith.

Mrs. Curtis said she had made  
six trips to Toronto during the  
year besides her trip to a con-  
vention.

"The correct way would be to  
put in mileage," said Mr. Gal-  
braith. Trustee Larry Bell said  
that the usual system in business  
was to submit a mileage figure.

Mrs. Curtis said that \$5 would  
cover a trip to Toronto and re-  
turn and that she did not think  
a total of \$20 would be out of the  
way for the local school calls  
made during the year.

"It is quite a legitimate ex-  
pense," said Mr. Galbraith.

"It is quite within reason for  
the time spent on board work,"  
Trustee Mrs. Mina Best added.

"Yes," agreed Trustee Perks.

"Is there anyone against my  
having this money being paid?"  
asked the chairman. "I don't  
want one penny if the board is  
not in agreement with the idea."

No member of the board men-  
tioned any disagreement with the  
idea.

Mrs. Curtis then said that she  
would "submit the bill for \$50".  
"Do that," said Mr. Galbraith.  
He suggested that in the future,  
an account should be submitted  
on a mileage basis. "Perhaps it  
would be more businesslike," he  
said.

(It has been pointed out that  
Chapter 316, section 130, states  
that "A trustee shall not enter  
any contract . . . or have any  
pecuniary claim upon or receive  
compensation from the board for  
any work engagement, employ-  
ment or duty on behalf of the  
board . . . and a trustee violating  
the provisions of this section shall  
ipso facto vacate his seat.")

(The act states that on the com-  
plaint of two ratepayers of the  
municipality, "The judge of the  
county court shall, on proof of  
facts, declare the seat vacant . . .")

(However, section 93 states that  
"It shall be the duty of the boards  
of all public schools to see that  
the schools are conducted accord-  
ing to this Act and the regula-  
tions, and they shall have power  
to provide and pay . . . travelling  
expenses of trustees and officers  
of the board, incurred by the au-  
thority of the board . . .")

(This section would indicate  
that the chairman's account was  
submitted under the provisions of  
the act, although there is no  
knowledge of a precedent to the  
action on the Newmarket board.)

Farm Forum News

The Mount Albert farm forum  
met at the home of J. McDonald  
on Monday, Jan. 12, to discuss  
"Effective leaders needed for the  
future".

The members of the Mount Al-  
bert forum decided that Junior  
farmer meetings help in training  
young people for leadership. They  
conduct at least one church ser-  
vice a year, which is very help-  
ful. The Junior Red Cross meet-  
ings in the public schools assist  
greatly as they prepare their own  
programs, which are put on in  
the schools once or twice a  
month.

The Mount Albert Institute  
sponsored a public speaking con-  
test last year and are doing so  
again this year. This gives them  
training in expressing themselves.  
Other jobs with better pay and  
less responsibility than farm  
leaders would have and criticism  
are blamed for keeping young  
people from taking responsible  
positions in farm organizations,  
it was decided.

The next meeting is to be held  
at the home of Mr. Murray  
Stokes.

FATHERS' COMMITTEE MEET

On Monday, Jan. 19 at 8.15  
p.m. in the scout hall, there will  
be a fathers' committee meeting.  
All fathers of cubs and scouts  
are urged to be present.

A range-rider who looks the part is 16-year-old Andy Stewart,  
whose territory is not the North American West, but Australia.  
Andy and five others completed the most spectacular trek of its  
kind in Australian history when they herded 160 horses from South  
Australia to Melbourne, a distance of 400 miles. They had no In-  
dians or rustlers to contend with, but wild dogs, or dingoes, followed  
in packs, keeping the horses in a perpetual frenzy of fear. Andy  
admitted the best part of the trip was the bath and shower at the  
end.

"... the willingness  
to find a way"

A man who started a new business a  
few years ago recently wrote to pay  
tribute to the bank's part in helping  
to make it a success:

"We were fortunate in having, as our  
banker, a man who could combine  
with experience the willingness  
to find a way that called not for  
experience alone but for imagination  
as well."

The chartered banks are forever alert to  
the fresh problems, the changing needs  
of their customers. At all times, in all  
your banking problems, you can depend  
on your local bank to bring experience  
and imagination to the task of helping  
you to "find a way".

Classified advertising may be phoned into, or left at The Era and Express office on Main St., Newmarket, phone 780; at Whitelaw's Gift Store, Yonge St., Aurora, or Aurora office, phone 656j; Aurora; at Mrs. L. E. Rolling, phone 8, King; or with any correspondent. Advertisements accepted through the mail where name of sender and address is clearly indicated.

Your advertisement gets into nearly 4,000 homes in North York.

## 22 HELP WANTED

WHY SETTLE FOR LESS than \$12,000 in a year? The days are gone when a "few thousand" a year salary was enough for a man to take care of his family, buy a new car, and "salt some away for the future."

If you are a middle-aged man who has reached the "ceiling" on your earnings and now want to make good in a new field, we can make you a fine offer to join our organization, where top men are paid up to \$22,000 in a year.

In spite of shortages in other businesses, our volume is expanding at a terrific rate. We have openings for men in Ontario. The men we want must be high grade (not high pressure), ambitious and sincere. Earnings are paid in advance, no investment is needed, no collections, no deliveries.

Write a personal letter to our Vice-President, Dept. V., P.O. 88, Station J, Danforth, Toronto 6, Ontario.

## SENIOR CLERK

MALE OR FEMALE  
APPLICATIONS will be received for position of senior clerk, Municipal and Hydro office. Duties to include bookkeeping, typing, etc. billing machine and addressograph experience. Apply by letter only stating experience, when available and salary expected. References required. Position offers excellent opportunities, pension plan and group insurance. Box 759, Newmarket, Ontario. c1w3

CAPABLE woman to help care for patient. Apply Era and Express box 263. c1w3

EXPERIENCED waitress, 6-day week. Good wages. Apply stating wages expected, age and experience. Apply Era and Express box 255 Newmarket. c2w2

## NOTICE TO CREDITORS

IN THE ESTATE OF DAVID WILSON LEAPARD, LATE OF THE TOWN OF NEWMARKET, IN THE COUNTY OF YORK, GENTLEMAN, DECEASED.

Creditors of the above-named deceased, who died at the Town of Newmarket, in the County of York, on or about the 17th day of November, 1952, are hereby notified pursuant to The Trustee Act to send to the undersigned proof of their claim on or before the 1st day of February 1953, after which date the assets of the Estate will be distributed having regard only to the claim of which the undersigned will then have notice.

DATED at Newmarket this 20th day of December, A.D. 1952. Nora Mabel Quast and Arthur Cecil Leppard, Executors, by their Solicitors, Mathews, Stiver, Lyons & Vale, Newmarket, Ontario. c3w1

## PUBLIC NOTICE

## THE LAND TITLES ACT

IN THE MATTER OF parts of Lots 23 and 24 in the Second Concession of the Township of North Gwillimbury, in the County of York and Province of Ontario, all as more particularly shown on a survey made by Speight, van Nostrand, Ward and Anderson, dated September 10th 1947, with additions made May 9th 1952, and as more particularly described in Schedule "A" annexed to the application for first registration under The Land Titles Act, all of which have been filed with me, and may be examined in the custody of the Master of Titles at Toronto.

NOTICE IS HEREBY GIVEN that J. Dumaresq Smith, Stockbroker, and Margaret Eberts Smith, wife, both of Roches Point, in the said Township of North Gwillimbury, formerly of the City of Toronto, in the said County of York, being entitled for their own benefit, as joint tenants and not as tenants in common, to an estate in fee simple in the land above referred to, have applied to me to be registered as the owners, under the Land Titles Act, of the lands to which reference is above made, with an absolute title, subject to one mortgage and to no other charges or encumbrances, and free from any public highway, any right-of-way, water course, right-of-water or other easement.

WHEREFORE any other person or any corporation owning or claiming to have any title to or interest in the said land or in any part thereof, is required, on or before the 30th day of January 1953, to file a statement of his or its claim in my office, at the Land Titles Office, 90 Albert Street, in the City of Toronto, and to serve a copy on Manning Mortimer and Kennedy, 67 Yonge Street, Toronto 1, solicitors for the applicants, and in default of doing so, the said applicants and the title of the said applicants may become absolute and indefeasible at law and in equity, subject only to the reservations mentioned in Section 9 of the said Act.

DATED at Toronto this 13th day of January 1953. S. Mercer D.Y. Master of Titles c2w3

## NOTICE

On Wednesday, Jan. 21, 1953, the Board of Trustees for the new school area, No. 1 King Township, will consider applications for the position of secretary-treasurer. Applications must be received by Monday, Jan. 19, 1953. Send to H. Burns, Kettleby. c1w3

## EFFECTIVE FEB. 5

The charge for announcements in the "Births" and "Deaths" columns will be 75 cents for each announcement, less 25 cents if paid within a week of publication. The Newmarket Era and Express has always inserted these announcements free of charge, but regrets that due to increased costs of production it has been found necessary to make a charge, in accordance with normal newspaper practice. (Deadline for birth announcements will be 9 a.m. every Thursday.)

## BIRTHS

LA BONNITA—At Newmarket, on Tuesday, Jan. 13, 1953, Elizabeth Rogers, wife of the late Richard La Bonnita, mother of Mrs. Helen Waldruff and Mrs. W. E. Richardson (Florence), Newmarket, and Ross Rogers, Niagara Falls, N.Y. Resting at the chapel of Roadhouse and Rose. Service on Friday at 2 o'clock. Interment Newmarket cemetery.

LEWIS—At the home of her daughter, at Sutton, Tuesday, Jan. 13, 1953, Lydia Phillips, wife of the late Thomas Lewis, Queensville, in her 85th year, mother of Mary (Mrs. Noble Munroe), Sutton, and William of Queensville. Resting at the Strasser Funeral home, Queensville. Service will be held in the chapel on Friday, Jan. 16, at 2:30 p.m. Interment Queensville cemetery.

STEPHENS—At Aurora, on Wednesday, Jan. 14, 1953, Catherine Frances Livingston, wife of the late Thomas W. Stephens, and mother of W. L. and D. E. Stephens, Aurora, in her 93rd year. Resting at the Thompson funeral home, Aurora. Service on Friday, Jan. 16, at 2 p.m. Interment Aurora cemetery.

TRAVIS—After a brief illness, in York County hospital, on Monday morning, Jan. 12, 1953, Ambrose Travis, in his 67th year, husband of Melvina Cole, and father of Melville of Uxbridge; Retn (Mrs. Vern Smith), of Sharon; and brother of Mrs. George Seldore of Egypt, Ont. Funeral service was held on Wednesday, Jan. 14, Interment Queensville cemetery.

WORVILLE—Suddenly (as the result of an accident), at Toronto Western hospital, Tuesday, Jan. 6, 1953, Alfred Worville, in his 50th year. Funeral service was held on Saturday, Jan. 10, Interment Mount Albert cemetery.

JOHN—At Hamilton, on Sunday, Jan. 11, 1953, Frederick C. Hoehn, husband of L. N. Hamill, R.R. No. 2, Capetown, formerly of Toronto, in his 68th year. Funeral service was held on Wednesday, Jan. 14, Interment Aurora cemetery.

## IN MEMORIAM

CAIN—In loving memory of a dear wife and mother, Mabel Cain, who passed away January 20, 1952. Loving and kind in all her ways, Bring Reminiscent

her days; Sincere and kind in heart and mind. Beautiful memories she left behind. Lovingly remembered by husband and family.

CRYDERMAN—In loving memory of our dear wee son, and brother, Jerry, who passed away suddenly January 16, 1951, age 15 months. There the buds from earth transplanted.

For our coming watch and wait, In the upper garden growing Just inside the pearly gate. Though our hearts may break with sorrow, By the grief so hard to bear, We shall meet him some bright morning.

In the upper garden there. Lovingly remembered by mom, daddy, sisters and brothers, of Myrtle Station.

HARMAN—In loving memory of our parents, Bessie Harman, who passed away January 12, 1943, and Benjamin Harman, who passed away March 14, 1938. Ever remembered by their children.

"How still they lie, the dead As if their stillness were a word. That trembled to be heard Before the Spirit fled. They do not tell us what they know, The dead—before they go".

JONES—In loving memory of a dear husband and father, Johnny Jones, who passed away January 14, 1944.

Our dear ones never die In the hearts of those they loved. Sadly missed by his wife and son Donald.

JONES—In loving memory of a dear son, Johnny Jones, who passed away January 14, 1944. A son so true, a brother kind, A beautiful memory left behind, We have lost but Heaven has gained.

One of the best this world contained. Away on the beautiful hills of God. In the valley of rest so fair, Some day when our task on earth is done, With joy we shall meet him there.

Lovingly remembered by his mother, Mrs. Abe Jones, Owen Sound.

JONES—In loving memory of a dear brother and uncle, Johnnie Jones, who passed away January 14, 1944.

Treasured thoughts of one so dear, Often bring the silent tear; Thoughts go back to scenes long past.

Time goes on but memory last. Lovingly remembered by his sister, brother-in-law and nephew, Beverly, Mr. and Mrs. Ted Ross-Koff, Owen Sound.

MILTON—In loving memory of Sadie Milton, who passed away January 14, 1952. We are lonesome here without you Sadie.

We miss you more each day; Somehow life does not seem the same. Since you were called away, Our hearts still ache with sadness.

Our eyes shed many a tear, God alone knows how much we miss you. As this ends the first sad year.

Loving husband Jack and Donny. By.

MILTON—In loving memory of a dear sister, Sadie Milton, who passed away January 14, 1952. In silence she suffered, In silence she bore, Till God called her home, To suffer no more.

Ever remembered by sister Lilly and brother-in-law Roy.

OLSON—In loving memory of a dear son and brother, Monte Olson, who passed away January 12, 1951.

Out of sight, but not out of mind. Cherished in the hearts of those left behind. Mother, father, Betty and Ralph.

PATRICK—In loving memory of my dear daughter, Annie Violet Bray, who passed away January 9, 1952. One year has passed dear daughter.

Since you were called away; How well do we remember You suffered much, you murmured not.

We watched you day by day; We cried and prayed that your dear life, Would not be taken away.

Lovingly remembered by her mother.

WOOD—In loving memory of a dear father, Walter Wood, Jr., who passed away at his home, Crescent Brook Farm, Aurora, January 11, 1952. His charming ways and smiling face, Are a pleasure to recall; He had a kindly word for each, And died beloved by all.

Ever remembered by daughter, Jean, son-in-law Allen, grand children Ronnie Peggy and Gary.

WOODCOCK—In ever loving memory of Howard W. Woodcock, killed in action in Italy, January 17, 1944. So many things have happened, Since you have gone away; Things that you would have enjoyed.

Had you been left to stay, So many things to share with you. In just the usual way, It would all be so much nicer. If you were here today, But we cannot bring the old days back.

As we sit in quiet alone; In our hearts there comes a longing. If he only could come home, Lord will you please take a message.

To our dear one up above Tell him how much we miss him And give him all our love. Sadly missed by mother, father, sisters and brothers.

Era and Express Classifieds Bring Reminiscent

The family of the late Alfred Worville wish to thank neighbors and friends for their kindness during their recent bereavement, especially thanking Rev. C. P. Shapter.

## CARD OF THANKS

To those who expressed their sympathy in so many beautiful and practical ways during our recent bereavement in the loss of a very dear father, and father-in-law, Mr. Frank Dawson, we extend our heartfelt thanks. Art and Irma Dawson

## CARD OF THANKS

We wish to thank Dr. G. Case and the staff of York County hospital for their kindness shown us, also our many friends and relatives who sent their regards during our recent illness. Vernon and Frieda Rye

## CARD OF THANKS

Mr. Charles Brice wishes to express his sincere thanks to his many friends and relatives for their thoughtful interest and sympathy, also the kind assistance of my neighbors, at the time of the death of my dear wife.

## CARD OF THANKS

We wish to thank our relatives, friends and neighbors, for their many acts of kindness, expressions of sympathy and beautiful floral tributes received during our recent bereavement. Edward F. Streeter and Mrs. A. E. Willis.

## CARD OF THANKS

We wish to extend our heartfelt thanks and appreciation for the acts of kindness, messages of sympathy and beautiful floral offerings received from our kind friends and neighbors during our recent bereavement of our beloved husband and father. Mrs. Travis and family

## CARD OF THANKS

The family of the late Mrs. Alfred Brodie wish to express their sincere appreciation for the many acts of kindness, floral tributes and messages of comfort extended to them during their recent bereavement of a dear mother.

## MARRIAGE

Maj. and Mrs. T. M. Ewing, Second St., Newmarket, announce the marriage of their eldest daughter, Katherine Morley, R.N., to Mr. Tom Berthelotte, Midland, son of Mr. and Mrs. Leo Berthelotte. The marriage was solemnized in St. Patrick's church, Toronto, by Rev. Father Austin McGuire.

## OBITUARY

## Mrs. A. H. Jones

Mrs. A. H. Jones, Eversley, died on Monday, Dec. 29, at her Eversley home. She was 57 and had been in poor health for over a year. She had been in York County hospital on two occasions and in Toronto General hospital, returning home two weeks before she passed away.

The funeral service was held on Dec. 31, at the Thompson funeral home, Aurora, conducted by Rev. David Wooterspoon. Interment was made in Maple cemetery.

The pallbearers, who were brothers and brothers-in-law of Mr. Jones, were Sidney Jones, Newmarket, Earl and William Jones, Toronto, Dan McMillan and Harry Richards, Toronto, and Bert Caldwell, Barrie.

She was the former Lillian Shuttleworth of Ottawa and had come to Eversley about six years ago. During her few years in the community, Mrs. Jones made many friends and was devoted to church activities. She was a member of Eversley Presbyterian church, president of the W.A. for the past two years and first vice-president of the W. M. S.

Mrs. Jones gave excellent leadership and served her offices with sincerity. It was her hope that recovery from illness would find her able to resume her activity with the Eversley congregation.

Among the many floral tributes was a basket of lovely flowers from Eversley W.A. and W.M.S. Besides her husband, and his daughter, Mrs. Howard Cairns, the deceased is survived by two sisters, Mrs. W. J. A. Reid, Aurora, and Mrs. Wm. Kinney, Stouffville; two brothers, David Shuttleworth, Ottawa, and Harry Shuttleworth, Stouffville.

## BLIND CANADIAN TO LEAD EGYPTIAN BLIND TO BETTER WAYS

The blind will literally lead the blind when 42-year-old Arthur Magill of Toronto flies with his family, seen above, to Egypt where he will take up the directorship of the first experimental demonstration centre for the blind of backward countries, a new project jointly sponsored by the Egyptian government and the U.N. Mr. Magill, who was born in Cobourg and is now Ontario division superintendent for the Canadian National Institute for the Blind, lost the sight of one eye at the age of six months and the other when he was 17. Deciding more education would be a decided advantage, because of his condition, Mr. Magill completed his high school education and then went on to obtain his B.A. and his M.A. Chosen by Col. E. A. Baker, managing director of the CNIB, who was first approached by the U.N. as to whether Canada had a sufficiently qualified person for this important post, he will be on a loan basis for one year. His job will be to do exactly what the CNIB is doing across Canada today — ameliorating the condition of the blind and preventing blindness. Of Egypt's 20,000,000 population, 75,000 are without sight.

## Hold Red Cross Annual Meeting Miss E. Robertson President

The regular sewing and quilting meeting of the Newmarket Red Cross was held at Trinity United church on Tuesday, Jan. 13. Twenty attended the luncheon. In the afternoon the 13th annual meeting was held with an attendance of 45.

The meeting opened with the national anthem. Mrs. F. Breckon, Rec. Sec. read the minutes. Miss E. Robertson, President, gave a short summary of the year's work. The president spoke of the work being done for the York County Home and a nursing class which was held. The speaker also told of the work being done by the different committees and the success of the 1952 campaign.

Mrs. A. King gave the treasurer's report. Mrs. C. E. Wheeland, chairman of the Nursing Class committee gave the report on the Nursing Class. Mrs. Holland from the York County Health Unit was the instructor. Twenty-two received pins at the graduating exercises.

Mrs. A. Cody reported on the welfare work. Mrs. J. Booth reported on sewing. Mrs. E. Morton reported on the quilts made and Mrs. T. A. Mitchell reported on the number of garments knit.

After the reports were given, Mrs. A. Evans was called to the chair. All offices were declared

## Keswick Comets Lose

Keswick Comets' attempt to win their second straight home triumph in the Tri-County Rural Hockey League was stymied Saturday as Cannington dropped the home forces 8 - 3.

A second period letdown that allowed Cannington to run in four goals, snuffed out the Comets' chances. Albert Smith laced in two goals to pace the short-on-condition Comets. Playing coach Ken Davis put away the Comets' other marker. Bob Nicholson visitors' ace marksman with four goals and Orval Nicholson with two, gave Bernad Kay a rough time of it in the Keswick citadel.

## WHITCHURCH TOWNSHIP WARBLE FLY CONTROL

Public meeting at Vandorf hall, Tuesday afternoon, Jan. 20, at 2 o'clock. Mr. R. H. Graham, associate livestock commissioner, will speak on Warble-fly control.

At this meeting there will be available Warble-fly control petition for Whitchurch township. We would request that a representative from each school section attend this meeting to take charge of circulating this Warble-fly petition in their school section.

All cattle owners welcome. Special invitation to all farm women.

WHITCHURCH UNIT FEDERATION OF AGRICULTURE Edgar DENNIS, President Ross ARMITAGE,

## TEA IN AID OF NURSERY SCHOOL

The Newmarket Opti-Mrs. club held its regular monthly dinner meeting at the King George hotel on Monday, Jan. 12. The president, Mrs. Lillian Warner, was in the chair and Mrs. Hines of the Aurora Nursery school was guest. Mrs. Hines intends to start a nursery school in Newmarket shortly.

After the business meeting, a number of mothers who are interested in the nursery school joined the ladies of the club to hear Mrs. Hines explain the operation of such a school.

The Opti-Mrs. Club is planning to hold a tea and bake sale, the proceeds of which will go to the Newmarket Nursery school. The tea will be held on Friday, Jan. 23 at the Fire Hall auditorium from 3 p.m. to 5 p.m.

Donations of any useful articles such as toys will be accepted at the tea on behalf of the nursery school.

## Women's Institutes Helping Hospitals

The Women's Institutes of Ontario are taking an active part in a wide variety of enterprises for the health of the people.

Wherever a hospital is being built, the Women's Institutes of the district are furnishing a room or a ward, or providing some special piece of equipment. For example, even before the site was chosen for the South Waterloo Memorial hospital, the Institutes of the district were holding bake sales and quilting bees and in all the ingenious ways known to women, raising money for their hospital fund.

Heard are such reports as that Preston and South Dumbries each have contributed \$900 to furnish a one-bed room in this hospital and that Galt has given \$1,350 for a two-bed room. Similar contributors are coming from about every branch in the district. Institutes of South Temiskaming, last summer presented the hospital board with a cheque for \$2,150 for the new hospital and promised \$500 more toward the furnishings.

Royal Institute, near Guelph, has given \$600 to furnish a room in the new general hospital in their area. South Dufferin Institutes gave their local hospital \$2,500 and a promise of \$500 more. Nestleton put on a party and raised \$200 for the Port Perry hospital and the Institutes of Perth county, in addition to furnishing a room, gave the Stratford hospital an "orthopedic cart" for carrying casts, pulleys, weights and other equipment for orthopedic cases.

—Mr. and Mrs. John E. Scudamore, Dartmouth, N.S., were weekend guests of Mr. and Mrs. Reid Atkinson and family. Mrs. Scudamore is Mrs. Atkinson's sister.

—Mrs. Jack Cliff, Schomberg, visited her aunt, Mrs. Frank Widdfield, last week.

—Mr. and Mrs. Walter Couch, Holf, visited relatives in town on Monday.

—Among the out-of-town guests who attended the Simpson-Winter wedding on Saturday, Jan. 10, were Mr. and Mrs. William Beer and son, Billy, Toronto; Mrs. Margaret Barker, Ravenshoe; Mrs. Nicholas Simpson and Miss Ruth Simpson, Mt. Albert; Miss Dorothy Wilson and Elwood Simpson, Toronto. The wedding was held at the home of the bride's parents, Mr. and Mrs. Ernest Winter.

—Mrs. George Nichols, Donald Nichols and Mrs. Wesley Blythe, Toronto, spent Sunday with Mr. and Mrs. Roy Martin and family.

—Wendy Closs spent last week with her grandmother, Mrs. John Closs, Sr., Aurora.

—Rev. and Mrs. Lavern Snyder, Lorne Park College, Port Credit, were weekend guests of Mr. and Mrs. H. G. Gibbons while attending the District

Quarterly meeting at the Free Methodist church, Newmarket.

—Judy Widdfield, Lansing, spent the weekend with her grandparents, Mr. and Mrs. Frank Widdfield.

—Stanley Foote attended the International Mink association show in Syracuse, N.Y., for two days last week.

—Mr. and Mrs. M. B. Seldon spent Christmas and New Year's in Quebec City, the guests of Major and Mrs. J. M. Seldon and family.

—Miss Mary Funston, Toronto, and Mrs. Alice Cook, Craig, Sask., were weekend guests of Mr. and Mrs. Wesley Boyd.

—Mr. and Mrs. Tony McGraw and Mr. and Mrs. W. E. Seaton, Aurora, were Saturday visitors at the home of Mr. and Mrs. John Closs, Jr.

—Mr. and Mrs. Morley Hunter, Toronto, visited in town over the weekend.

—Mr. and Mrs. Lowell Widdfield, Lansing, spent Sunday in town, the guests of Mr. and Mrs. Frank Widdfield.

—Donald Smith is spending three months in Toronto where he is employed with the Bell Telephone Company.

—Mrs. Samuel Atkinson, St. Marys, is making her home with her son and daughter-in-law, Mr. and Mrs. Reid Atkinson.

## IT'S A Woman's World

By CAROLINE ION

"What's in a name?" you might ask. Well, sometimes it isn't wise to tempt fate.

In a letter from a friend last week, we learned that she had joined a skating club organized for the not-so-young in Lunenburg, N.S. The name selected for the organization was the Brittle Bone Skating group. In her letter, she commented, "Rather appropriate, won't you agree since many of us haven't skated for over 25 years."

The letter continued with an enthusiastic account of the club's plans for the purchase of skates and it finally closed so that the writer could meet some of the group for the first evening of skating. As one of the organizers of the project, our friend was very anxious to be present for the initial event.

As we folded the stationery, we noticed a penciled post script. It had been added the following morning.

"Went skating last evening as planned. Everything was going beautifully so I decided to try some fancy figures. Down I went. Have a commuted fracture of the left wrist. Perhaps that name, 'Brittle Bone' wasn't such a good one after all."

Of all the stories told about the Christmas shopping and particularly the shopping of youngsters for mothers' presents, we liked the one about the little boy who had decided a cookie tin would be the best gift for his mom.

He checked the one the clerk showed him, asked if he could see any more and with each that he was shown, carefully removed the lid. After doing this with over a dozen cookie tins, he was told by the clerk that they had exhausted the store's supply.

The young lad examined the cookie tins once more. Each lid was removed in turn. "No," he said, "these won't do. They'd give a fellow away. Haven't you the kind you can take the lid off without any noise?"

Many people doubt that honesty exists today. Too often we only hear of the mean and underhanded happenings. One story we heard recently illustrates that integrity still exists.

A resident of Kincardine who operates a seven-cabin tourist

establishment noticed that the majority of families who patronized his cabins encountered problems in shopping for food. It was not convenient for them to carry large stocks of supplies and when their stay lasted a few days to a week, it involved shopping trips for the visitors.

In August he stocked a central "unsupervised" equipped kitchen with \$94 worth of quality canned goods, coffee and sugar. In the kitchen a notice was posted, requesting that a child be made out, stating what was used, so that the cost could be added to the visitors' account.

In the course of two months, 40 people used the kitchen for varying lengths of time. During that time, sales slips amounting to \$67 were written out and \$27 worth of goods were left on the shelves. Every item was accounted for, with no one attempting to cheat by as much as a cent's worth. In the main, those using the kitchen were U.S. citizens from such states as Michigan, Illinois and Ohio.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The Bogartown branch will meet at Bogartown school Friday night, Jan. 16, at 8 p.m. There will be installation of home beautification, music and a paper by Mrs. E. Ewart. Lunch will be served after the program. The motto is to be "Wholesome homes are stepping stones of a great country."

Aurora branch will hold its regular monthly meeting on Thursday evening, Jan. 22, at 8 p.m., in the United church hall. Roll call, "A simple home remedy." Program in charge of Mrs. J. Brooks, convenor of home economics and health. Hostesses: Mrs. Daniels, Mrs. Roberts, Miss B. Charles, Mrs. H. Bunn.

Plans are complete for visiting the Ontario Hospital on Friday afternoon, Jan. 23, and anyone wishing to go is asked to contact Mrs. Jennings, 609w or Mrs. Monkman, 499j.

The Elmhurst Beach branch met at the home of Mrs. Walter Sedore for the January meeting. Many letters of appreciation for Christmas gifts were read. A letter of appreciation for work done by the members in connection with the Baby Clinic was read. Mrs. Walter Hirst gave a reading which was very much enjoyed by all. A paper on historical research was given by Mrs. Lloyd Pollock.

Members please bring items of interest for current events and also our history to the next meeting.

The Union Street branch is holding a cùiche in Sharon hall on Tuesday, Jan. 20, at 8.15 p.

**ART CLUB PRESENTS**  
**GIFTS TO BRADLEYS**  
**BEFORE DEPARTURE**

Presentations were made by the Newmarket Art club at its first annual banquet to Mr. and Mrs. Balfre Bradley prior to their leaving for Jamaica. The banquet was held at the King George hotel.

A book on oil painting, "Elementary Principles of Landscape Painting" by John Carlson was presented to Mr. Bradley by the club's president, Bob Chadwick. Mrs. Bradley received a compact.

Both Mr. and Mrs. Bradley will be missed by the Art club. Mr. Bradley, who was the vice-president in 1952, gave freely of his talents and time in the promotion of a greater interest in painting in the community. The Newmarket Art club was made welcome by Mrs. Bradley at their home for many of the meetings.

The best wishes of the organization were extended to Mr. and Mrs. Bradley and family in their new home.

**TO INSTALL OFFICERS**  
 Installation of officers for 1953 will be held at the first regular monthly meeting of the Women's Mission circle, Christian Baptist church, Newmarket. The group will meet in the Sunday school room on Thursday, Jan. 22, at 2.30 p.m. All ladies of the church are invited to attend.

**RED CROSS CONVENTION**  
 Alice MacKay, campaign manager of the Newmarket branch, Canadian Red Cross, will attend the Ontario Division Campaign conference at the Red Cross headquarters, Toronto, on Friday, Jan. 16.

**JUNIOR AUXILIARY**  
 The Junior Evening Auxiliary, W.M.S., Trinity United church, Newmarket, will meet at the home of Mrs. Herb Atkins, 77 Botsford St., on Tuesday, Jan. 20, 8 p.m. All junior ladies of the congregation are invited to attend.

## NEW PRESIDENT OF PAROCHIAL GUILD

Mrs. George Cuppage was elected president of the Parochial guild, St. Paul's Anglican church, Newmarket, at the annual meeting in the Parish hall on Tuesday Jan. 6. Mrs. John Dales presided. Rev. J. T. Rhodes conducted the election.

Those elected to office include: Past Pres., Mrs. John Dales; Pres., Mrs. Cuppage; Vice Pres., Mrs. Ray Sturges; Sec., Mrs. Arnold Leeder and Treas., Mrs. Warren Hulse.

At the close of the business meeting, refreshments were served. Hostess was Mrs. Rhodes. The next meeting will be held at the home of Mrs. Bertha Smith, Main St. on Jan. 20, 8 p.m.

## GUIDE ASSOCIATION

The Newmarket Girl Guide Local association will hold its annual meeting and election of officers in the Scout hall on Friday, Jan. 23, at 8.15 p.m. Reports on the year's activities will be presented by association officers, Browns and Guide leaders.

All those interested in the Guide-Brown movement are invited to attend this open meeting. Light refreshments will be served.

There will be special prizes and lunch served.

Union Street branch met at the home of Mrs. David English Thursday afternoon, Jan. 2. There were 26 members and four visitors present. Many interesting facts were given in answer to the roll, "An old landmark of the district". Mrs. Walter Rose gave a suitable reply to the motto, "The only way to preserve our heritage is to build upon it."

Mrs. Frank Perry was appointed representative to the Queensville park board. A donation of \$20 is being sent to the rest room at Newmarket. Mrs. Lloyd Pollock, district president, was our guest and spoke briefly.

Members all joined in singing "O Canada" and "Long Long Ago". Mrs. Oliver Diceman gave an interesting paper on historical research, using as her topic "Kingshorn".

Mrs. W. Micks read current events. Mrs. Archie Sedore read an article written by a former resident entitled "Boyhood Memories of Ravenshoe". Members are reminded to pay their Blue Cross fees by the first of February.

## Mrs. W. O. Noble New Chairman Of Hospital Women's Auxiliary

Mrs. W. O. Noble was elected president of the York County Women's auxiliary at the annual meeting on Tuesday, Jan. 6. Held in the Agricultural Board rooms, the meeting was chaired by Mrs. R. J. Rogers.

Mrs. Howard Cane conducted the election of officers. Reports were given by the officers and committee chairmen and the secretary and treasurer presented annual reports.

The nominating committee chairmen and the secretary and treasurer presented annual reports.

The nominating committee brought in the recommendation that the office of honorary president be created. Named for this position was the last president of the former Hospital auxiliary, Mrs. Lyman Rose.

Miss L. Thomas, superintendent of the hospital, spoke briefly. When she came to Newmarket and discovered that there was no auxiliary at the hospital, she was completely amazed, she said.

She could not imagine a hospital without an auxiliary. This attitude has been justified since the re-organization of York County Hospital's auxiliary. The

thanks of the board and her personal thanks was extended to the auxiliary by Miss Thomas for the contribution of equipment it has made to the hospital. The auxiliary has been particularly strong in establishing good public relations, an important job, concluded Miss Thomas.

Those elected to office include: Honorary Pres., Mrs. Rose; Past Pres., Mrs. Rogers; Pres., Mrs. Noble; First Vice Pres., Mrs. J. C. Edwards; Second Vice Pres., Mrs. G. Rownt, Aurora; Recording Sec., Mrs. W. P. Fish; Corr. Sec., Mrs. W. A. Spear; Treas., Miss Lulu Cleland; public relations, Mrs. Elton Armstrong; Mrs. Howard Cane; press, Mrs. Arleigh Armstrong; conveners, bulletin, Mrs. J. W. Bowman; ways and means, Mrs. M. B. Seldon; purchasing, Mrs. Rogers;

Membership, Mrs. C. S. Gilbert; entertainment and program, Mrs. Frank Hope; refreshments, Mrs. Frank Courtney; advisory, Mrs. W. L. Bosworth; Mrs. Cane; Zone representatives, Mrs. A. M. Cousins, Aurora; Mrs. Ivan Specht, King; Mrs. Charles Evans, Bradford; Mrs. Michael Gillan, Sutton, and Mrs. H. J. Kurtz, Mount Albert.

### Canadians, Leafs And Bruins N.H.L. Winners

Two high scoring games and one tidy tussle featured Friday's Optimist N.H.L. contests. Bill Hopper's Canadians exploded a big scoring package to wipe the hapless Ed McMullen coached Hawks off the map 17-0. Bill Mabbett's Maple Leafs tuned in on goal production to swamp Fred Speer's Redwings 11-2.

Don Warner's Bruins cracked in two middle session tallies to eke out a 2-1 win over Lowell Waller's Rangers. As a result of the games Canadians and Bruins remained in a first place deadlock via four wins and one loss.

Leafs are third, Redwings fourth, Rangers and Hawks are deadlocked in the cellar with one win in five attempts. Bill Forhan counted six, Grant Morton five and Bob Crouch three, to set a sizzling scoring pace for the Canadians. Newcomers Jim Wagg, Buster Rogers and old reliable Lorne Babcock fashioned a goal each to complete the Canucks' blistering assault.

Bob Wilson potted four, Don McKnight and Ken Bell two each, while Brian Stokes, Earl Lethian and Francis Lewis blew in with singletons as the Leafs eclipsed the Wings. Charlie McGuire, hustling all night, beat his brother Johnny in the Leafs' cage for the two Wings' counters.

Jack Cain got the Rangers off the mark first on a first period set up pass from Glen Bellar. Boston ran into a bit of good flying in the second and won it on goals by Pat Ewing and John Galbraith. Player attendance on the various teams has dropped — better be out in full strength next week, please.

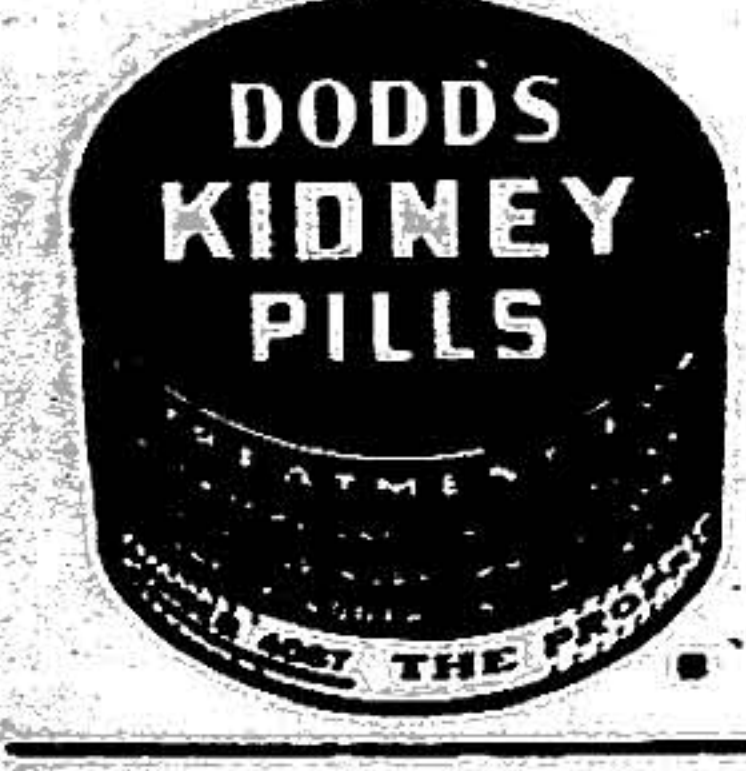

### Schomberg Trips King For Second Win

Finishes in the King-Vaughan Friday twin-bill scraps at the Nobleton arena were snuggier than a bug in a rug.

The Hastings-Bredon Schomberg swingers, making a bid to vacate the league basement, nosed out King City Maroons 4-3. Kleinburg and Bolton exposed the rival net-minders to a lot of punishment as they staged a 6-all deadlock.

Trailers 3-1 after two rounds, Schomberg snapped and snarled for three third-period scores to pull up in the winners' circle. Murray Edwards started Schomberg's winning stake with a middle session counter. Don Marchant, making his first appearance, Glen Atkinson and Murray Edwards parked third period shots behind King twine custodian Johnny Weedon.

John Richards hit the ice for two goals and Glen Murray managed King City's third as Alb. Sweeney buffalod King marksmen time after time.

### SHIRKES AND SPANES

Bowling leagues are back in full swing at Joe Smith's and the North End alleys. Standing in Hoffman league is: Vorclone 46, Press Shop 39, Machine Shop 35, Sheet Metal 34. Scoring last week: Sheet 7, Press 0; Vorclone 5, Machine 2. Geo. Hill rolled 748 (253, 187, 308), Jack Gleason 621, Ivan Ruddock 641.

Marg Davis counted 567 and Vi Dales 541 to pace the Wednesday afternoon Ladies League. League standing is: Vi Dales 27, Mary Fish 26½, Helen Taylor 18, Marg Atkinson 16½.

Eva Whitefield spilled the pins at a 552 clip. Florence Callaghan 539 and Barb Wilson 478 to lead the Office Specialty Ladies' League Thursday. Queens have 24, Dubs 14 and Pin-ups 10 in the league race.

Standing in the Monday Night Ladies' League after Monday's session read: Pee-wees 30, J's 29, Happy Gang 26½, Migs 24½, Tugs 24, Speed Balls 22. Scoring Mon.: Happy Gang 3, Speed Balls 1; Tugs 3, Pee-wees 1; J's 2, Migs 2. Flo Campbell topped the scoring list with 656 (172, 270, 214). Other top notchers were: Ede Hall 583, Marion Stark 584, Mona Dean 550, Floss Gibson 540, Phyl McInnis 531, Mary Osborne 526, Arva Thoms 525, Ann Osborne 523, Thelma Sloss 513. Last week Claire Pollock led the scorers with 622 (161, 223, 238), followed by Ede Hall 537, Alice Rose 531, Alice Gibson 524, Jane VanZant 510.

Thursday Night gals had a big scoring week. Here's the top scorers: Myrt Dunn 670, Edythe Hall 596, Helen Birrell 558, Mary Londry 533, Olive Hughson 537, Beryl Reinke 534, Ella Wilkins 521, Doris Beare 518.

Lou Bovair shot a 720 (297, 179, 244) and Jack Malcolm counted 639 (221, 228, 190) to top the Office Specialty Officers' League scoring last week. League standing: Bovair 25, MacFarland 23, VandenBergh 21, Burch 19, Bennett 17, Phimister 15.

Art Flanagan spliced 191, 254, 242 games for 687 to lead Davis Leather League last week. Bud Pettit collected a 611, Bus Jordan a 610.

### STOUFFVILLE OUT

The North York Juvenile hockey league has been cut to three teams. Due to a shift in the O.M.H.A. groupings recently, Stouffville have been lifted from in another group with Bradford, Beeton and Bolton.

That leaves Aurora Juvenile, Newmarket Specialties and Richmond Hill Rose Kings to fight it out for North York laurels. The North York Minor hockey league officials recently applied and were granted affiliation with the O.M.H.A.

To date Newmarket Optimists, Bantam Smoke Rings, Nobleton, Schomberg, Richmond Hill and Woodbridge have indicated they'll make a try to bring O.M.H.A. flags to North York.

Seven destroyer escorts, designed to meet the threat of new, high-speed submarine, are under construction in Canadian shipyards for the Royal Canadian Navy and seven more are on order.

### Down The Centre

By AB. HULSE

Owen Sound Greys will make their last appearance of the season at Aurora arena on Friday night, and the Bears will be out to take this one, as the 'Sounders are the only club in the group to have broken even with the Bears on the season, and in addition the orange and black have handled the Aurora lads with ease at home. Coach Rowntree would like to see his lads at least break even on the season with the Greys and so the fixture will, aside from the fact that the visitors make their swan song to Aurora, assume some importance.

Owen Sound is supported partly by Detroit Redwings, and Toronto Leafs, both clubs having proteges with the team, they would be a real strong contender for "C" honors if they qualified, but for "B" rating they won't last long. With Cy Lemon in the nets they have the outstanding goalie in the group.

While the game is in progress the O.H.A. executive will be meeting in Toronto to decide the fate of Walt Fines of Aurora and Bud Quinn. Rumor has it that they will likely be permitted back next week, which, for Fines and Quinn means a 3-game suspension as both boys sat out Tuesday's game in Midland.

Mystery of the group so far is just how the Shamrocks (who now wear the red and white sweaters of the intermediates) were able to defeat Collingwood Greenshirts 2-1 in Collingwood. Eddie Bush had a full team on hand. This last trip around the circuit will have a distinct bearing on the ultimate championship, and with Midland now having taken the Shirts the fun and games grow more furious.

Pepper Martin, with Fines out of the game, played defence against U.C.C. last week and showed a new lease on life. We personally think Martin can play better at the blue line than up front as he has a chance to get wound-up on rushes, and the play comes to him more slowly for his moves.

Al Williams and Bill Maquire rejoined the club after an absence of weeks and both signaled their reappearance with a goal. These boys should be getting all the hockey they can right now, as it's depth that will count when the chips are down. Bill Smith transferred to left wing for the game looked better than in his previous games and if "Smitty" can come back the team will be really potent.

Cobourg Jays are the only "C" team in the East and there's quite a possibility that when the playoffs start they may be added to the district trio, if the bottom team is not dropped as was the original intention. If there are only two teams in the group play-off Cobourg will meet the winner in the first round.

A welcome visitor with Upper Canada was George Stockwell, trainer of the College clubs and also Toronto Argonauts. George will be well remembered in Newmarket as he trained the Newmarket Redmen for several years under the late Bill Hancock, especially the Memorial Cup series.

Speaking of welcome visitors it's nice to see Earl McCready, popular Canadian grappler, back in these parts for a brief spell at least. The former Auroran has just returned to Canada from the Antipodes and will wrestle on the Tunney-Katan-Robert circuit as well as for Ed Don George a Buffalo promoter. "Big Moose" has been demonstrating his culinary skill while visiting in Aurora to the delight of his friends. Last Thursday he defeated his old rival Howard "Hangman" Cantonwine and he'll be a Toronto regular for some weeks.

Another welcome sight is to see Joe Tunney don the big pads again and start working himself in shape. Joe really has retired, but the Spits need goal insurance and loyal to the core, Tunney is ready to sacrifice the comfort of the fireside and the spectator's role to give his hometown a better chance.

We were glad to see Johnny Campbell, former Newmarket sportsman on hand at the East Hamilton Legion Branch when we visited the Ambitious City last week. John, who looks "in the pink", sends regards to all his friends and he was eager for news of the Spits and his former playmates. He's a steady supporter of the Tigers even tho' they set an O.H.A. record for losses with 28 straight dropped, but figures they should be playing in senior "B". The Tigers would make a fine drawing card for the Spits before the season is over.

Personality parade: Jim Machin, who played with Stouffville Clippers the past two years, is one of the stalwarts of the Toronto Varsity club. Another prominent performer for the Blue and White Collegians is Bob Primeau, son of coach Joe Primeau of the Toronto Leafs. Jimmy Murray and his floodlight committee convened on Sunday and the drive for Aurora floodlights will get underway in earnest soon. On Friday a draw for the aid of the fund will be held at the Owen Sound game to start the ball rolling.

### HOCKEY RESULTS

**Big 8 Int. A. O.H.A.**

### Hi-Sports

Jump off in the North York secondary schools' basketball league was staged at N.H.S. Friday. Fred Speer's midjets, juniors and seniors entertained Frank Gregoire's Aurora High counterparts in a triple-header attraction. Aurora went home counting two wins and a loss over Newmarket at the end of the busy afternoon.

In the senior fixture Aurora impressed with a 63-29 win; in midjet, the Gregoire's notched a 26-23 triumph. Newmarket celebrated a 36-32 victory in junior. Keith Kincaid rolled up 19 points and Bill Jans 14 to spark Aurora's senior victory. Taylor Gilbert with 9 and Fred Bennett with 8 were Newmarket's best shot-makers. Alan Childs hooped 7, Bob Cook 6 and Bob Woolley 5 to lead Aurora midjets.

Grant Morton was Newmarket's top basket sinker with 9. Paul Widdifield paced Newmarket's winning junior drive with 18 points. Ken Cassavoy came in for 8 and Robert Dick 7 points for the Speermen. Ron Geddes furnished the Aurora spark with 16 points, followed by Ron Knowles 7 and Steve Mills 6.

Fred Speer's senior and junior basketball crews prepping for

North York league action scored a twin win over Uxbridge High Monday at the N.H.S. gym. The N.H.S. seniors triumphed 41-19 and the juniors took the measure of Uxbridge 38-28. Fred Bennett gained the highest hoop-erating with 13, followed by Taylor Gilbert 10, Alastair Sinclair 8 and Wayne Robinson 7 in the senior battle.

Ken Wagg and Jack Gleason paced Uxbridge with 10 and 9 points respectively. Robert Dick and Paul Widdifield spearheaded Newmarket juniors with 12 points each. Don Taylor was Uxbridge's top ranking shot-maker with 10.

North York basketball league has three classifications this season, covering senior, junior and midjet. Aurora, Richmond Hill, Pickering College and Newmarket have entered teams in all three divisions. Complete league schedule is as follows: Jan. 21, Pickering at Aurora; Jan. 23, Richmond Hill at Newmarket; Jan. 28, Pickering at Newmarket; Aurora at Richmond Hill; Feb. 4, Newmarket at Aurora; Feb. 5, Richmond Hill at Pickering; Feb. 11, Newmarket at Richmond Hill; Feb. 13, Aurora at Pickering; Feb. 16, Pickering at Richmond Hill.

# Kettleby Takes First Win Of Town League Season

Two king size firsts were featured in the titanic town league tussles Tuesday. Horace Berwick scored his first goal and Kettleby racked up their first win.

Kettleby had three nominees alone for three stars: Bill Winters, John Weedon and Bob Hodgson. Winters got the nod; Horace Berwick was Mount's shining light and Bud Lehman hit the illuminated circle for Vandorf.

First struggle betwixt Regents and Kettleby was the best hockey, bar none, in the rink this winter. And now to the game. Scores were Kettleby 6 Regents 4, Vandorf 9 Mount Albert 5.

The amazing part was that Kettleby won with nine gallants against the strongest unit assisted coach Hack Cain could hurl over the boards. As a result of the Tuesday games the league race tightened, Vandorf are now tied for the top spot with Mount and Kettleby nipping at the heels of the Regents.

Regents, to get back to game one, led 3-2 at the end of two on the strength of Otis Thoms', Whitey Bone's and Stan Gibbons' socking. Hickory Patton and

## Simcoe Jr. League Commences Tonight

Four teams are all set to roll in the Lake Simcoe Junior men's hockey league. They are Vandorf Bearcats, Vivian Foresters, Mount Albert and Queensville. Fans won't have long to wait to see their favorites pile into each other.

League kick-off comes tonight (Thursday) in the Queensville arena at 8 chimes. The big double-header attraction will send Vivian against Mount Albert in the early game while Vandorf and Queensville tie into each other in the nightcap.

Team delegates present at Monday's organization meeting were: Stan Pollard, Vivian; Bob Brown, Vandorf; Bruce Rolling, Horace Berwick, Mount Albert; and Willard Cryderman, Queensville.

There'll be a league double-header attraction each Thursday from here on in the Queensville arena. Future schedule reads: Jan. 22, Queensville vs Mt. Albert, Vivian vs Vandorf; Jan. 23, Vandorf vs Mt. Albert, Vivian vs Queensville. Prize at the end of the rainbow for the teams will be the Morton Brothers trophy.

## HASHMAN AWARD

### Smith For Scoring

Have you been keeping a weather eye on the Spits' scoring of late? If you have, you'll have noticed Don Smith, our hard trying, plugging winger has been keeping regular appointments with the score master. Smith racked up a goal against Collingwood Saturday, two against Milton, two against Harrie Flyers and earlier sunk four in a dash with Midland. That's a snappy record and if you were to check the complete scoring, Don Smith would be well in front in the Spits' list. That's one side of the story; on the other, Smith has been carrying his share of the back checking load. It's a hard combination to beat and if other Morrisomen will pull up their socks a la Mr. Smith, they could yet smash the Bushmen's hold over the Spits. Therefore for work and scoring, Don Smith rates the Hashman award and Roxy Theatre pass this week.

### Spits Even In '53 By Win On Milton, Loss To Bush

Spits won and lost in their first two outings in 1953. At home Thursday they managed a 6-5 win over Milton Co-ops. Saturday the Morrisomen had their first taste of Bush trouble in 1953 as they dropped a 6-4 decision to Collingwood.

Milton-Spits just had enough straight hockey to satisfy most of the customers. One thing the game did have was the smallest crime sheet of the winter. There were only two penalties. The teams battled through a 2-2 all first period.

Spits roared in on the Milton goal with a series of precision passes, starting at 7:01 and ending at 11:03 of the second that gave Fred Haughton, Myles McInnis, Don Smith and Les Clark an opportunity to dunk the biscuit in the Co-ops' strings. That rapid fire four-goal effort set up a 6-2 margin for the Spits.

Spits' machine went into a decline in the third and it was well they had that 6-2 lead as Milton swiped three goals past Ken Tupling. Harold Townsley, son of our ex-centerman Sonny Townsley, fired the visitors' completer with just 20 seconds to go. Townsley's effort cut the Spits' lead to a single goal at 6:5. Townsley also figured in one of Art Melancon's goal. Melancon led Milton with two goals.

Tom Brodie polished off a three-way effort that took in Keith Collings and Les Clark, and Don Smith solved for Spits' first period markers. Myles McInnis, Fred Haughton, Al Shewchuk, Grant Firth, Ken Broughton and Keith Collings gathered assists on the Spits' rapid-fire second period counters. Jack Andrews turned in his best game of the season and Ken Broughton biffed everything in a Milton sweater to furnish the defending highlights.

of the second. Newmarket grabbed the lead early in the third as Ken Smith sunk George Davis' pass.

Ron Leuschner then got the goals that sunk the Specialty ship. Leuschner scored at 14:50 to tie it and 15 seconds later went in alone to supply the game winner for the visitors.

Ken Broughton, coach, Eddie Platt, manager and the Specialty juveniles suffered from wash day blues last week as Bill Mundell's fast skating tribe wiped the Specialists off the map 6-0.

Walt Southwood and Ron Knowles launched the Aurora victory and John Richards and Don Morning widened the gap. Ted "Toledo" Rogers' flashy work set up Aurora's final two goals. Rogers' pass gave Don Morning his second goal of the exchange and in turn dunked a John Richards' relay for Aurora's sixth counter.

Geo. Davis, Freeman West, Jack Staley, Del Creed and Glen Keffer had the best opportunities to crack the shut-out spell but Dave Walte was Johnny-on-the-spot to turn aside their best directed efforts.

## Optimists Peel Off Ninth, Tenth Wins

Newmarket's crunching Optimists continued their winning drive in North York Midget hockey league action last week, making it nine and ten in a row, by clipping Nobleton Waltons 6-1 and 5-3.

Wednesday, performing in championship style at Nobleton, Optimists hustled into a 3-1 first period edge and added another trio of tallies over the rest of the route to put Nobleton to rest. All of Coach Waller's attacking formations had a finger in the scoring pudding. Bill Forhan slammed in a pair and pivot man Earl Lothian stroked in a single to give the Optimists a gaudy start.

Nobleton were on the shelf when Don McKnight picked up Bob Wilson's pass and Jack Cain lashed in two third-period counters. Warren Townsley furnished the relay for Cain's close-up markers. Nobleton mustered their single tally in the early chapter as Hugh Sheardown at close range snuffed out Paul Hillaby's shut-out.

At home Friday the Optimists stymied 1-1 in the first, peppered three unanswered shots into the Nobleton rigging in the middle period. Nobleton, showing fight, outscored Optimists for the first time this season 2-1 in the finale. As for the scoring, Earl Lothian plunked in two, Warren Townsley, Tom Taylor and Don McKnight singletons.

Optimists' passing was clicking; every goal they got climaxed a three-way combo. Norm Smart, Jack Cain, Bill Forhan, Grant Morton, Don Thoms, Charlie McGuire and Bob Wilson getting into the act with assists. Edgar Dobson, Ron Hawman and Lou Davis kept Nobleton in the hunt with scoring credits.

### AURORA GALS WIN

Aurora ladies counted two first period goals and went on from there to defeat Newmarket 3-1 in an exhibition ladies' hockey game in the Aurora Arena Tuesday. Betty Patrick scored twice and Edna Anderson added a single to give Aurora the verdict. Helen Burch with Jeanne MacDonald assisting, accounted for the Newmarket tally.

Newmarket: M. Woodbridge, H. Tennant, J. MacDonald, B. Watt, G. Woodhouse, H. Burch, L. Forhan, J. Bezzer.

Aurora: E. Topp, E. Marlnoff, J. Rose, E. Anderson, I. Mashinter, B. Patrick, G. Evans, M. Woods, J. Hammond.

of the second. Newmarket grabbed the lead early in the third as Ken Smith sunk George Davis' pass.

Ron Leuschner then got the goals that sunk the Specialty ship. Leuschner scored at 14:50 to tie it and 15 seconds later went in alone to supply the game winner for the visitors.

Ken Broughton, coach, Eddie Platt, manager and the Specialty juveniles suffered from wash day blues last week as Bill Mundell's fast skating tribe wiped the Specialists off the map 6-0.

Walt Southwood and Ron Knowles launched the Aurora victory and John Richards and Don Morning widened the gap. Ted "Toledo" Rogers' flashy work set up Aurora's final two goals. Rogers' pass gave Don Morning his second goal of the exchange and in turn dunked a John Richards' relay for Aurora's sixth counter.

Geo. Davis, Freeman West, Jack Staley, Del Creed and Glen Keffer had the best opportunities to crack the shut-out spell but Dave Walte was Johnny-on-the-spot to turn aside their best directed efforts.

## Hold Presentation Night For Greenshirts At Sutton

"Presentation" night took place in the Sutton Memorial arena Monday night when the Sutton Greenshirts were formally presented with the "Lorne Johannes" cup as winners of the tri-county senior hockey in the O.R.H.A. Captain Keith Dunn accepted this cup on behalf of the team from President Ron Stewart of the O.R.H.A.

The "George S. Henry" cup, representing all-Ontario winners, was presented to John Learoyd by President Stewart and was accepted on behalf of the Greenshirts.

The occasion was marked by the presence and short speech-making of reeves of the three municipalities from which the personnel of the Sutton team is drawn, North Gwillimbury, Sutton and Georgina.

The game which followed, between the Haliburton Huskies and the Sutton Greenshirts, was a hard-fought match with the home team winning 6-4. A fight between spectators and players, near the end of the game, threatened to become a "Donnybrook" but the police in attendance soon had the situation under control and the supporters were slumbered down. Twenty-five lucky program holders were recipients of prizes.

### SUTTON WINS

Sutton "Greenshirts" defeated Woodville 12-8 in a game at Sutton Memorial arena last Friday evening. Ron Pringle, son of Coach Ellis Pringle, was used as a forward in place of the absent Bill Brett and put his 14 years to good stead in being credited with an assist on one of the goals scored for Sutton.

## THE Calvert SPORTS COLUMN

by Elmer Ferguson

One of the fine sporting gestures of 1952 was, in our humble opinion, made by an Olympic girl champion. This is an era in which the great ice shows offer amounts almost fabulous to international title winners, and there is nothing wrong nor unethical in these possessors of unique natural talents selling their wares to the highest bidder.

To all this, there's one notable exception. Because she believed her future lay in other, far less glamorous roles than the great ice shows provide, Britain's Jeannette Altwegg, the queen of the last Olympic winter games, hung up her skates, refused a huge offer, choosing to devote her life to charitable work that involved mental and tiresome duties.

After she had stolen the head-lines at the Oslo show, Miss Altwegg announced she was through with competitive skating. Few believed that she was serious. It was felt that when the "big offer" came along, Britain's girl champion would succumb, as had most of the stars of her time.

The "big offer" came, an offer of 2,000 pounds, or around \$6,000 per week from the Music Corporation of America. But still this 21-year old daughter of a British naturalized Swiss declined. She replied simply that she was not interested, no matter how high the offer. "I'm just not cut out for the bustle and whirl of showmanship and it would make me unhappy to do so," she said in effect.

Today Jeannette is doing something that is making her very happy. She is in Switzerland at the international "Pestalozzi" village at Trogen. There she is helping in the British dwelling to look after orphaned children who come from a dozen different nationalities. Her self-imposed tasks for payment, less in a year than she was offered per day by the show magnates, include the hundred and one daily domestic chores involved in looking after children who, if it wasn't for such organizations as this, and such self-sacrificing persons as Jeannette Altwegg, would be thrown helpless upon the world.

This isn't intended to criticize, by inference, those who have followed the dictates of a practical era, and decided to capitalize on the skill they developed through long and arduous hours of practise. They're entitled to their rewards, just as Jeannette Altwegg is entitled to the rich satisfaction she undoubtedly gains in her more humble sphere of life.

Your comments and suggestions for this column will be welcomed by Elmer Ferguson, c/o Calvert House, 431 Yonge St., Toronto.

### Smoke Rings Vault Into Bantams' First Place

Newmarket Gorman Smoke Rings vaulted into first place in the North York Bantam Hockey League when they defeated Geo. Cooke's Woodbridge Red and Whites twice over the past week.

Scoring at a goal a period clip and benefitting from sharp goal-keeping from Larry Proctor and strong defensive work from Lorne Babcock, Ron Allen, Don Bone, Don Zogala and Kenne Cassavoy Smoke Rings scored a 3-1 triumph in Woodbridge Saturday.

Francis Lewis counted two and Lorne Babcock hit the score sheet for a goal and two assists to spearhead the Smoke Rings' attack. Jim Haywood notched a second period goal to wipe out Larry Proctor's shut-out bid.

With the sponsor man Peter Gorman on hand, Smoke Rings downed Woodbridge 5-2 in the local diggings Monday to put the clutch on first place. It was a 2-1 match after the first twenty minutes as Grant Kitching and Francis Lewis racked up the Smoke Rings' tallies and Bill Bradford and Arno Robb fired Woodbridge counter punches.

### Rose Kings Defeat Aurora Legion 5-1

Newmarket, Aurora, Woodbridge and Nobleton midgets please take a memo. Tubby Barrow's Richmond Hill Rose Kings are going to be tough to take on their home ice cushion.

The Rose Kings, after playing all road games, opened at home last Friday and turned in a championship display to thump Bill Mundell's Aurora Legion midgets 5-1.

A three goal second period drive provided the needle ballast for the Rose Kings to bag the win. Pete Zinken with two goals and assist paced the Hill snipers while Don Willis, Jim Neal and Dave Hart dipped into the grab bag for single tallies.

### Juveniles Lose To Aurora and Richmond Hill

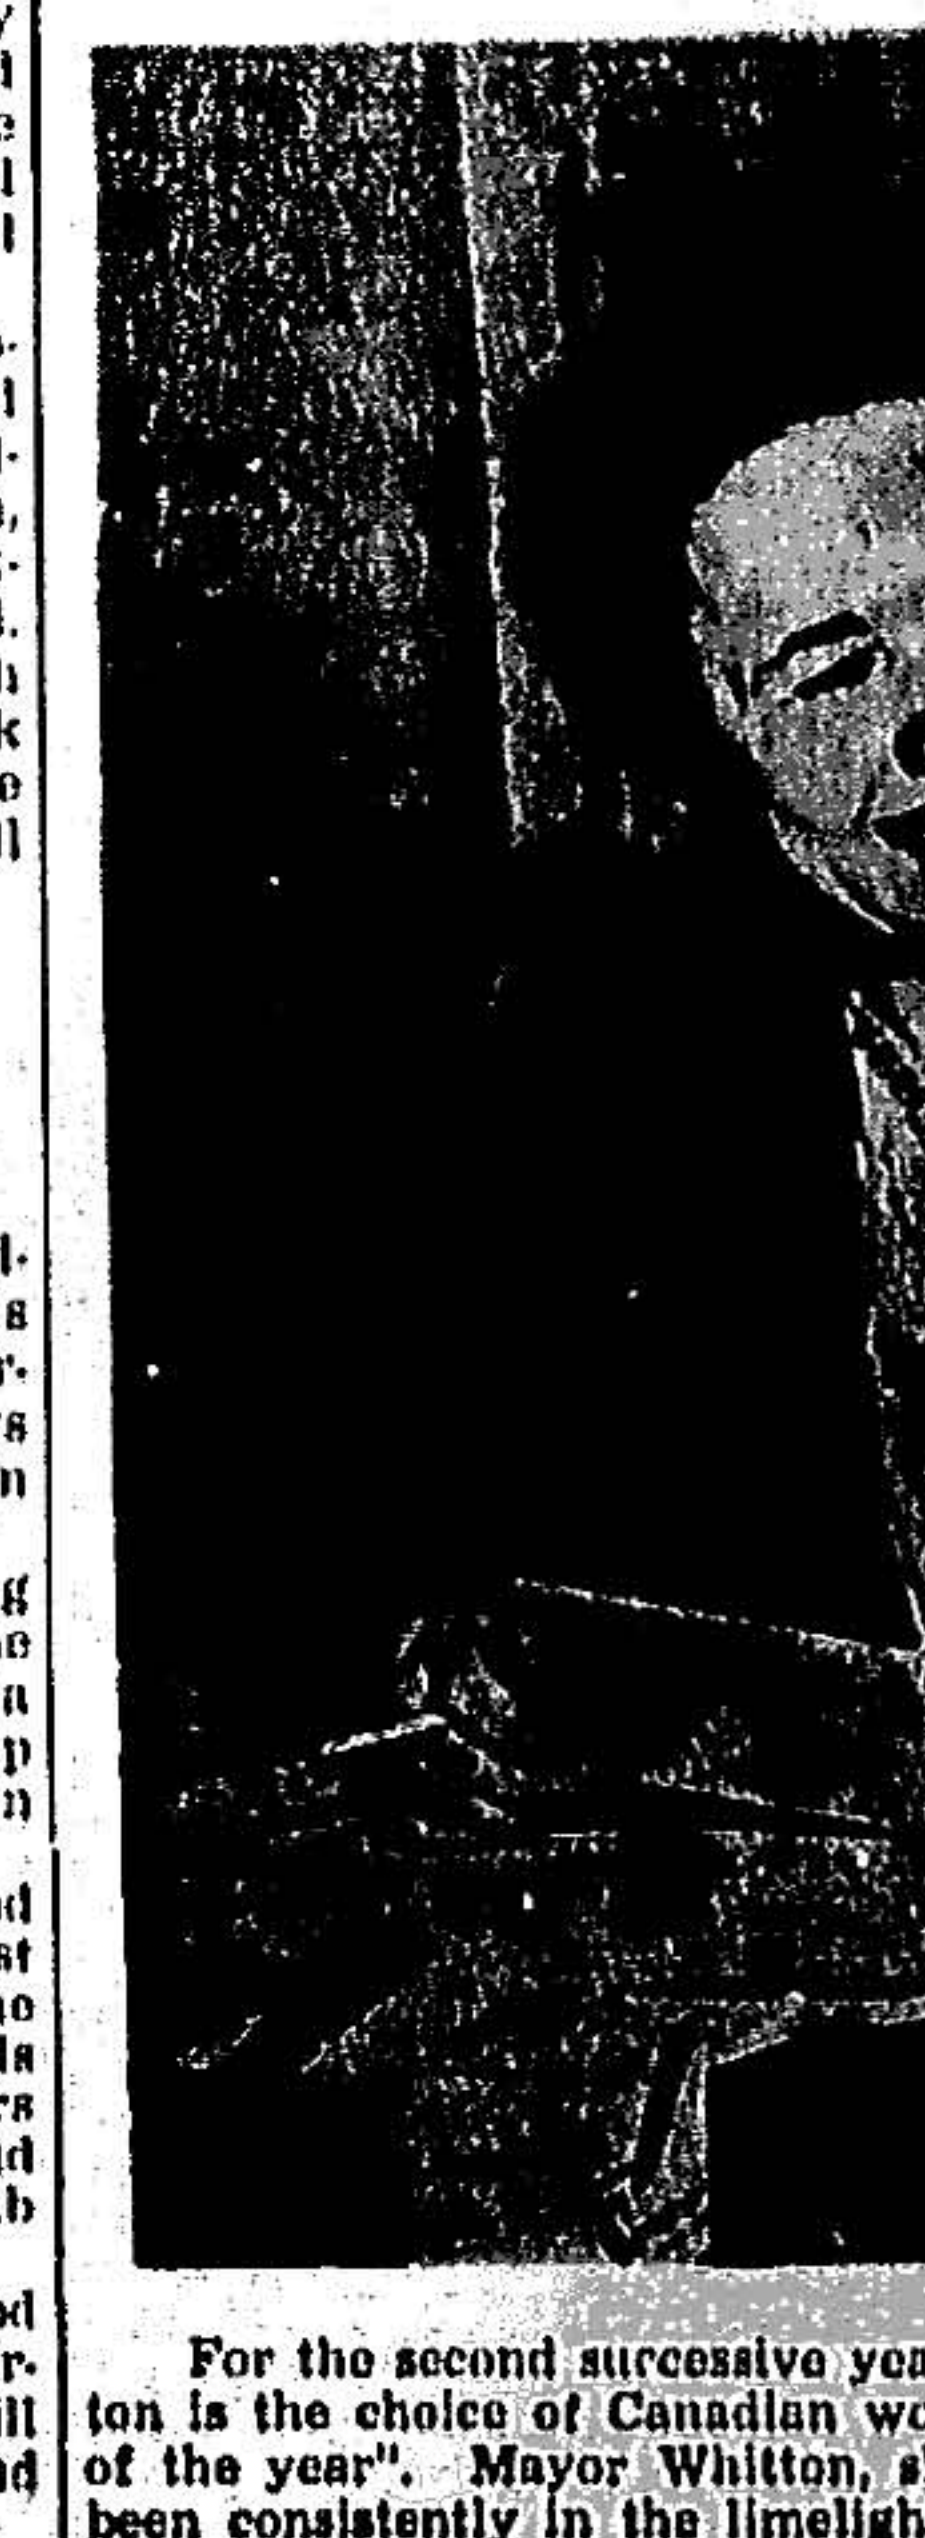

After racking up an impressive three game winning skein Newmarket Office Specialty juveniles hit the skids over the past week.

Bill Mundell's Wilsons dumped the local tribe 6-0 last week and on Monday Richmond Hill scored two late goals to claim a 4-3 win over the Specialists.

Let's look at Monday's rough and ready game. Morty Charles, Richmond Hill's ace triggerman, set the Bill White coached Rose Kings up with an early 2-0 lead. Bob Broadbent camped in front of the Hill cage and re-routed a Jack Staley pass into the Hill rigging to make it 2-1 before round one concluded.

Glen Keffer blazed a blue line shot to tie it in the fifth minute

# "Jaycees Are Going Places In 1953," Says Public Man: Oshawa Sends Good Wishes

A prominent local public man gave us this tip for the new year and we pass it on by way of a prelude to what follows. "Keep your eye on the young fellows who compose the Junior chamber of commerce," he said, "for they are going places in 1953. They are the most active and the most promising organization in town at the present time."

Of course, the statement was bold and challenging. So much so that if we were to give its author's name he would instantly find himself on the "hot plate." He did not authorize the use of his name, so we won't give it. While we have no objection whatever to finding out on the "hot plate," we'd never think of dragging some other poor devil on to it, to take the grill with us.

But the proposition gave us cause to think a great deal. Some of our "thinkings" we propose to set down here. They may get us into trouble, but we're used to it. A little more won't make that much difference, since man was born to wickedness as the sparks fly upwards!

**Sensitive Ears!**  
Many sensitive ears will burn with righteous wrath at the mere suggestion that the Jaycees are the "most active," not to say "most promising," organization in town. The statement is a challenge to the sensitivity of the numerous members of the numerous organizations in town. Those whose skins lie closest to the epidemics will suffer the most. Or, perhaps, those whose skins lie farthest away from the epidemics will take the greater umbrage. Human psychology is a puzzling problem!

As far as "active" goes, we'd have thought the local fire brigade would have first vote. For it matters not for whom the bells toll, the boys of the old brigade are in their truck and out on the street in a matter of the first two or three minutes. There is no more "active" organization in Aurora than the fire brigade.

The Home and School Association, the Recreation Commission and the Rotary club; all these organizations provide proof of being very "active." And there are others, among them the Planning board. The puzzle, however, with the planning board is to know why and on what it is "active?" It holds plenty of meetings and talks plenty. But where does all the talk get it? Sometimes to the council, with more talk and more puzzles. It could be correctly called a "promising organization," only its promises are not palatable!

**Clarifying the Statement**  
Concerning the public man's statement quoted above, we think he meant that the Junior chamber is active mentally and idealistically. That is a good union of invisible forces we would say. In other words the Jaycees are a "live body." To arrive at this conclusion there must be comparisons. The danger surrounding comparisons, we are told, is that they are odious.

Yet it need not be so. Comparisons can be very helpful. But woe unto him who makes them; in this instance ourselves! With whom can we logically compare the Jaycees? With none other, of course, than their grandiose parent, the Board of Trade, the "granny" of her more lively successors, the Junior chamber.

Here is what a member of the

senior organization said to us some time back: "Before it was changed to the Board of Trade we called ourselves the 'Business Men's Association.' We were an active body then, holding frequent meetings and getting things done. It was also a very friendly body where everybody took a part. Changing it to the 'Board of Trade' did not improve matters." He went on to say that the Business Men's Association did not bring in "big speakers from outside," but successfully managed its own affairs.

## Up on a Pedestal

It is a long time since we were present at a dinner meeting of the Board of Trade. On that occasion there was a visiting speaker present who proved to be about the longest-winded bore we have ever suffered under. He was away up on a pedestal while a number of those who endured with us were obviously long past the merely nodding stage. When he returned to earth he was cheered, not for what he had said but for the fact that he had at long last stopped saying it.

There were business men on Main St. present who could have given valuable advice on how to succeed in life, for they had already succeeded. One of them told us later that he had hardly understood one word of what the guest speaker said and thought he was a "theorist rather than a practitioner." Apart from those at the head table, a noticeable feature of the proceedings was the total absence of any remarks from a considerable number of Aurora's successful business men. They sat in silence.

From what we hear, the members of the Junior chamber are avoiding the fundamental mistake a "closed-shop opinion." All its members are being encouraged to participate in its affairs. This may prove one good reason why the public man referred to expressed confidence that the Jaycees will render outstanding work to the town in 1953. In their president, Larry Rubin, they have a knowledgeable and practical man of affairs. The basic ethic of the Jaycees' movement is self-improvement.

**Alderman Clifford Harman**  
Alderman Harman, Oshawa, called at the office last week. He was in Aurora for the funeral of his cousin, Mrs. Brodie, whose tragically sudden death came as a great shock to her numerous friends.

At the time of his call a member of the Aurora town council was in our office and Mr. Harman said he had brought with him good wishes from the mayor of Oshawa to the mayor of Aurora, to whom he had just conveyed them. He also brought good wishes to all members of council from the mayor and members of the Oshawa city council.

Before leaving, Alderman Harman again paid tribute to the Era and Express and to Aurora News Page. To the councillor, Mr. Harman said: "I enjoy read-

## EDITORIALS

### PRAISE OR BLAME

A young man published a book and it received a great amount of criticism from the critics. He planned a second book and asked Bernard Shaw if he would write an introduction for it. Following his custom, Mr. Shaw declined to accept the request. Instead he gave the young author this advice: "It does not matter whether or not you receive either praise or blame. What matters is that you receive attention, for silence is damnation!"

We have often wondered why some of our public men, who are so unduly sensitive to criticism, have not given some thought to the same idea that Mr. Shaw handed on to the young author, who was somewhat put out by the negative reception given to his first book. They should take to heart the knowledge that "silence is damnation."

If some of these public men were not mentioned in the press they would never be known. It costs time and money to report in a newspaper what public men are doing. Newspapers report their activities as a public service for their readers. The more publicity a public representative receives the better he is known. If his activities are not reported readers conclude that they are not of much value.

It does seem, however, that some public men are always ready to lap up praise. The more plentiful it is, the more greedy their palate. But once express some words of criticism, even when the facts show it is justly deserved and they're off on a canter, calling for votes of confidence and threatening resignation!

They don't always resign, however! They hold on for the storm to pass. Self-interest, not the public interest, is the determining factor.

### WHAT IS OLD AGE?

The other day we received a letter from a gentleman who is somewhere around the 90 mark, according to the calendar. It was beautifully written in clear round letters which showed no decline in the art of calligraphy. Its message of good wishes for the family in 1953 was wittily expressed. It is one of those letters that are treasured and carefully put aside among the souvenirs.

According to the calendar the writer of the letter is an old man. But what is old age? If it means either physical or mental decrepitude, then our letter-writer is 40 or 50 years younger than some men we have known. He eats well, sleeps well, walks well, and his interest in affairs shows no signs of diminishing. He is old only in the number of his years. His mental vitality is perhaps as good as it was at any time in his long life.

"Grow old along with me, the best is yet to be," wrote Robert Browning. At 30 one can be old! At 70 one can be young. At 90 one can be an authority on how to live well and still enjoy life. It is all a matter of one's mental attitude to life. At 70 Pericles was learning a new foreign language; at 84 W. E. Gladstone was forming his fourth government; at 90 Bernard Shaw was experimenting with a new dramatic technique.

Some words of caution and sage advice, youthful reader! Do not burn up your precious youth with immoderate living. Take it easy. Go steady. There are long years ahead of you if you will but observe the rules of common sense. You have but one life to live. There is no second chance. It is all here and now. With the exercise of common sense it can be a good life, right on to the end.

### PENALTIES OF PROGRESS

Having a great liking for symphonic music, we have often wondered what the experts think of the modern compositions in contrast with those of the 17th and 18th centuries. In no sense have we any expert knowledge of music. We know when we are pleased; and we are rarely pleased with what we can only describe as the cacophonies of the present-day composers.

Compared with the composers of the past, we think there has been a great decline in musical composition. Is this a penalty of what we understand as "progress"? We cannot alter the tempo of our times, but we can question if what we have is favorably comparable with what we have lost. The tempo of the past was slow and leisurely; the tempo of the present is fast and bewildering.

This change is manifest in others of the higher arts. The writing of great poetry appears to have ended in the period between the two great wars. It probably ended with Swinburne; but at least the first world war produced Rupert Brooke. We are not aware that the second world war produced even a good second-rate poet. Great poetry, like great music, is the offspring of tranquillity; and since the turn of the present century there has been no tranquillity.

To what end is "progress" hastening us? There has been an immense increase of comfort amenities produced by scientific development; but in spite of it all life is generally more tense and precarious today than at any time in history. The paradox is more exciting than satisfying! The composite puzzle is one that we cannot solve. But there may be those among our readers who can unravel the intriguing riddle.

## COUNCIL REPORT

### Arena Board Resignations Received; Plan Aurora's Centennial Celebrations

Standing committees for 1953 were struck; annual appointments to town boards were made and consideration of Aurora's centennial celebrations was introduced at the first regular meeting of the Aurora council on Monday night. Mayor Crawford Rose presided.

In opening council, Dr. Rose recommended as he had in the past three years that as much work as possible be done in committee.

He said that councillors would soon find their places on the various committees and he advised that committees present written reports to council regularly.

Standing committees on town council for 1953, approved on Monday night, are as follows:

**Finance:** King, Coe, Moffat.  
**Fire and Water:** Coe, Murray, Davis, Jones.

**Property:** Dep-Reeve Murray, Jones, Davidson.  
**By-Laws:** Moffat, King, Murray.

**Health, Relief and Sanitation:** Davidson, Dep-Reeve Murray, Davis.

**Streets:** Davis, Coe, Murray, Dep-Reeve Murray.

**Sports and Publicity:** Jones, Davidson, Cook.

**Town Planning:** Cook, Moffat, King.

**Police:** Rose, Jones, Dep-Reeve Murray.

**Building Permits:** Rose, Coe, Murray, Clerk Wilkinson.

Aurora's 100th birthday will be commemorated on Saturday, May 16. A special centennial committee, to be the nucleus of a larger committee of the community, was named. It is composed of the regular sports and publicity committee of council, Jones, Davidson and Cook.

Reeve A. A. Cook was re-appointed as council's representative on the board of health of York County Health Unit. Dr. J. L. Urquhart will serve a two-year term on the Aurora high school board. This was a re-appointment for Dr. Urquhart.

The appointment of a representative to the Public Library board was postponed until a recommendation could be received from the library board by council.

**Arena Board Resignations**  
Letters of resignation from the Arena board were received by council from Frank Underhill and Archie Cousins. Regret was expressed by Vic Jones when he moved that Mr. Underhill's resignation be accepted.

His motion was seconded by Deputy-Reeve Murray who moved a similar acceptance of Mr. Cousins' resignation. Dale King seconded it. Motions were carried.

Mr. Underhill had served on the Arena board as the recommended appointee of the Aurora branch, Canadian Legion, and Mr. Cousins was a recommended appointee of the Lions club. The clerk, George Wilkinson, was instructed to contact these organizations for suggestions for their replacements on the Arena board. Mayor Rose said that these recommendations would be brought to council for approval, probably for next Monday's meeting.

In his letter of resignation, Mr. Underhill said that there was no need to go into the reasons for his resignation as they were well known. He said that he had tried to carry out the arena business to the best of his ability and thanked council for its co-operation, support and non-interference. Mr. Cousins said that as he had been the recommended appointee of the Lions club, he had presented his reasons for resignation to the last meeting of the club.

Councillor Murray reported that the new public address system had been installed at the arena. "It is not built-in completely," he reported.

Mayor Rose brought an urgent matter to the attention of Vic Jones regarding the Arena board. "Take \$100 or \$200 and buy some suitable skating records. We have more complaints about the music at the rink than any other thing. It is the most urgent need there at the present time," he laughingly commented.

Mayor Rose.

A letter was read from Don Glas of the recreation commission. In it, Mr. Glas said that the commission this year will carry on a more extended and varied recreation program. The commission appreciated council's guidance and referred to the necessity of council appointing two members of council as members of the commission. Last year, Councillors Murray and Corbett rendered "valuable and faithful service" to the commission, Mr. Glas said. It was moved by Clarence Davis and seconded by Dale King, that Councillors Vic Jones and D. J. Murray be appointed as repre-

## Home Background Vital To Education, Speaker Claims

Mr. Larry Rubin, president of the Junior Chamber of Commerce, was the special speaker at the meeting of the Home and School association held on Monday night, January 12. The subject of his specially prepared address was "Earth's Greatest Treasure".

Referring to that part of the creed of the Junior Chamber, who studied public speaking courses to stand before a group and express themselves effectively in the human personality, Mr. Rubin drew attention to the successful classes for public speaking that were being conducted by the Aurora Junior Chamber.

In the building up of character, the speaker said that while schools did much in that direction, the background had to be provided in the home. He said that we were living in an age of specialization and that the children of today needed all the help it was possible for them to obtain. He stressed the pressure of modern competition, and the need for early training of the young if they were to be successful and happy.

Mr. Rubin illustrated his talk with humorous references to the difficulties some students at public courses experienced, but when once they had overcome these they became effective speakers. He emphasized that the majority of students were not interested in making careers of public speaking, or of entering politics. The real objective was to build up personal confidence, for a useful application of individual talents.

The speaker dealt at considerable length with the work of the JC movement in relation to the learning of the art of public speaking, bringing with it feelings of self-assurance and self-confidence, and enabling those

who studied public speaking courses to stand before a group and express themselves effectively in the human personality, Mr. Rubin drew attention to the successful classes for public speaking that were being conducted by the Aurora Junior Chamber.

**KESWICK**  
The Evening W.M.S. will meet at the home of Mrs. Orvan Huntley, Tuesday, Jan. 20. There will be installation of officers and the study will be conducted by Mrs. E. Winch. Roll call is to pay one's fees.  
Rev. and Mrs. Gordon Winch returned to their home in Central Butte, Sask.,  
Mr. and Mrs. Isaac King, Bond

Head, and Miss Margaret King, Toronto, visited Mrs. J. Marritt at the home of her daughter, Mrs. K. Boothby, on Sunday.  
The United church annual meeting will be held on Monday, Jan. 19. There will be a pot-luck supper, followed by the church reports.  
Mr. and Mrs. Harold Marshall entertained Mr. and Mrs. Gordon Carr and Peggy on Saturday evening.

**PINE ORCHARD**  
The Church of Christ Sunday school held its annual Christmas party at the home of Mr. and Mrs. Howard Lehman on Jan. 2.  
Mrs. W. Galley, Toronto, visited recently at the home of Mr. and Mrs. Wesley Lundy.  
Mr. and Mrs. Aubrey Wood, Mr. and Mrs. Raymond Haines and family, Snowball, and Mr. and Mrs. Owen Barr and family, Aurora, were recent guests of Mr. and Mrs. Howard Haines.  
Mr. John Sytema and Mrs. Ross Armitage attended the On-

tario Federation of Agriculture annual meeting in Toronto last week.  
Mr. and Mrs. Howard Haines moved into their new home on Jan. 10.  
The Willing Workers of Union church had a good attendance at their meeting at the home of Mrs. Horace Mullin on Wednesday afternoon, Jan. 7. They decided to give a donation to offset expenses in laying the floor in the basement of the church. A supper will be served at the church on the evening of Feb. 27, previous to the showing of the Royal Tour films. The sewing committee handed out patches for making quilt blocks. Lunch was served by the hostesses, Mrs. Jack Preston and Mrs. Horace Mullin.  
Miss Karen Hooey, Peterboro, visited recently at the home of Mr. and Mrs. Douglas Hope and family.  
Whitchurch Township Federation of Agriculture is sponsoring a meeting at Vandorf hall on Tuesday afternoon, Jan. 20, at 2 o'clock, in connection with warble fly control. Mr. R. N. Graham of the livestock division of the department of agriculture will be guest speaker. It is hoped there will be a good attendance.  
Sorry to hear Mr. A. Boake is ill. Best wishes for a complete recovery.

**Consider Imported Oils Effect On Dairy Industry**  
Speaking at the annual meeting of the Halton Holstein Breeders' club, held Jan. 7 at Trafalgar, Ont., Stanley Hall, M. P. F. for Halton stated, "Anything that is detrimental to livestock is detrimental to agriculture since land and animals go together and it is impossible to keep the land fertile without livestock. We, therefore, need to take carefully considered action on any imported products that would interfere with our cattle population."  
Mr. Hall was referring to a resolution passed by the meeting, drawing attention to the serious situation that prevails in the dairy industry as the result of the encroachment of vegetable oils on traditional dairy markets and recommending that immediate legislation be passed to protect the dairy industry from any further invasion from this source.  
George W. Henry, Todmorden, president of the Holstein-Friesian Association of Canada, described the vegetable oil issue as "a menace to the entire dairy industry".

**EXPERIENCES ON LAKE SIMCOE**  
**Veteran Ice Fisherman Tells Story**  
By Albert Osellon, Newmarket  
Going Fishing? That question is asked the year round but in this instance I mean fishing through the ice. I have been ice fishing for more than 15 years and yet have to find any of the hazards so many people believe are entailed in it.  
Of course, if you cannot do without the comforts of home when out on the ice, then home is the place for you. For the thrill and excitement of looking down a hole in the ice and seeing all kinds of fish come swimming into view and being on pins and needles wondering if they are going to bite and if you can land them, you can't beat it.  
Very little is required in the way of equipment, a couple of wobblers, a small spinner, a decoy, a few assorted hooks for different fish and, of course, a fish hut. If a person is handy with tools or who has a little cash, he can make or buy a hut at little cost.  
The regular and most efficient size for a hut is four feet by six feet with a peak roof. One third pitch would give you almost a six foot centre. The hole in the ice is usually 20 to 26 inches and allows ample room for two people to fish without being cramped. For a stove, any good five gallon can, round or square, will be ideal to burn wood, coal or charcoal. If one wants to be elaborate there is a special stove on the market for ice fishing huts which burns oily oil.  
For people with cars, a hook-up section hut is best because it can be carried on the car roof but the solidly built ones stand more use. If you don't wish to build a sleigh, anyone on the

lake will oblige by lending his. I don't think you will find a friendlier bunch of people than those who fish through the ice all the time. They have their own code of ethics and are jealous of them; if you are a regular, you are soon made a member of the fraternity. One or all will help you move your hut and expect you to help them back in a friendly fashion.  
Talking about moving huts reminds me of the year we had the big snowfall. It was in '38 or '39 and three feet of snow drifted on the lake. Almost everyone, nearly 50, had to move huts. It took at least four men to a hut and was really a tough job to get them moved.  
One poor fellow never moved another hut after that day; next day he went out to fish as usual but about ten o'clock, I found him frozen stiff outside his hut; he had had a heart seizure.  
I really missed that old man because he and I would go out day after day all winter and fish apart from the rest of the gang and catch more fish and see so many different things occur in the water that some people would doubt our veracity.  
One day I went out to fish about seven in the morning just when the fish start to move around. After getting my stove going and settling down to fish, suddenly in came a big pike, I would say about eight pounds. He made a dash for my decoy and believe me, pike can really travel. He missed on his first try and swam away out of sight. A few minutes later, when the water was settled, he came gently coasting back and for at least

ten minutes, which seemed like hours, he just inched slowly towards the hanging decoy, chomping all the time. Suddenly, bang! He was hooked, a beauty in anyone's language.  
Then there was the day that I had five houses rented to the gang from the King Edward hotel, a day we will all remember. I had all but two of the party settled down to fishing and had taken the two with me to the last house. We were just inside when one of the men let out an awful yell and on looking at him to see what was wrong, I saw that he was standing with his eyes popping and pointing into the hole in the ice. Believe you me there was a fish going past that was by a good guess on the conservative side, at least fifty pounds. It was very slow in moving, was warted and covered with eaked mud. I still believe it was an old muckie.  
The fun started when the man jumped out of that house and ran yelling around to the other houses, telling everyone about the monster fish but the others had also seen it as it had gone under the ice, under every house in the row.  
During the next two winters, we local boys had trouble with what we believe was the same fish. We began to ask each other daily if anyone had seen the Old Doozer, a name we gave it.  
Then it happened one morning about 9 o'clock that Walter D., one of the local boys, set up a yelling. I was about 50 feet away and was soon over to his hut. He was standing with his feet braced against his doorway and hanging on to his line for dear life.  
He told me he had hooked the Old Doozer, so taking hold of the line with him, I helped pull for about five minutes which seemed like hours, with Old Doozer tugging and diving about in ten feet of water. Suddenly we both fell down with a slack line on our hands. That old fish had straightened out the big gang hook and gone away.  
The air was blue around there for hours afterwards and not with smoke either. I saw that old fish twice more but he would not bite anything I had to offer. He would just go along the bottom of the lake, picking up dropped bait and salted minnows we lost from our hooks from time to time.  
Never having heard of his being caught, I often wonder if he is still alive in the lake or if he died of old age.  
The rest of my story about fishing through the ice will be in next week's issue when I will tell of one or two other amazing experiences on the lake.

**It's FORD again for '53**  
*with the Sensational new "Miracle Ride"*

**and a brand-new, longer, lower, wider look**

**Power-Pivot Pedals** suspended from above, work easier and eliminate drafty floor holes, road noise and dust—provide more floor space for the driver!

**Centre-Fill Fueling** makes filling-up easy from either side of the gas pump... prevents damage to finish and gas spilling on fenders.

**Golden Anniversary of the Greatest Name in Motoring**

**Multi-Tight Bodies**, for dust-free, draft-free comfort, are built to stay "young" for years.

**State-of-the-Art V-8 110-hp. Engine** with high compression performance and Automatic Power Pilot for traditional Ford economy. Advanced design backed by experience gained in building more V-8 engines than all other manufacturers combined.

It's here... the new, pace-setting, style-making '53 Ford—presenting for the first time—the sensational new **Miracle Ride!** Now, feel the difference in the '53 Ford—with the entire suspension system completely balanced for a safer, smoother, quieter ride—that gives a brand-new concept of comfort on all kinds of road. Again, Ford steps ahead with all the features you want...

**Full-Circle Visibility** with one-piece curved windshield that really lets you see... a car that handles with effortless steering, braking and parking... with proved V-8 power and brilliant performance. See it... check it... you'll find the 1953 Ford gives you so many things you need and want. Test-Drive Ford—you'll know why, more than ever before, the swing is to Ford!

*\*Fordomatic Drive, Overdrive and white sidewall tires optional at extra cost.*

**No wonder the swing is to FORD!**

**Fordomatic® Drive** is the finest, most versatile automatic drive on the road. With Ford you can choose from Fordomatic®, Overdrive®, or Synchro-Silent Shift.

**New Miracle Ride** that takes all the factors of ride, engineers them into a completely balanced combination for a ride that's truly a revelation.

**Queensville News**

A special Young People's service is being held Friday, Jan. 16, at 8 p.m., in the Baptist church. Rev. N. Rowan and his young people of Second Markham Baptist church will be presenting the program. Everyone is cordially invited.  
The C.G.I.T. re-organized recently with the following officers: pres. Ann Goode; first vice-pres., Margaret Goode; second vice-pres., Barbara Comer; sec., Nancy Kavanagh; treas., Erica Ring. The C.G.I.T. meets each Monday night at 7:30 p.m. in the United church basement.  
Mr. and Mrs. Rex Smith are spending ten days in New York.  
We extend sympathy to Mr. Harry Tombs on the death of his mother last week.  
Sunday visitors of Mrs. Stallibrass were Mr. and Mrs. Robert Foote, Aurora, and Mr. and Mrs. Elmer Preston and family, Pine Orchard.  
Master Peter Smith is visiting his grandmother, Mrs. Moore, in Newmarket.  
Don't forget the Women's Institute bazaar for Korea. Leave any clean, good, used clothing or new clothing at Mrs. J. L. Smith's or Mrs. Lew Irwin's.  
The Institute euchre will be held on Friday night, Jan. 16, at 8:15 p.m. in the school.  
Junior choir practice will be held in the United church basement on Saturday from 1 to 2 p.m.  
The Evening Auxiliary will meet on Tuesday night, Jan. 20, at the home of Mrs. R. Strasser. Miss E. Huntley will be in charge of the devotional service.  
Mrs. Willis Hunking, Gormley, will be the guest speaker, telling of her missionary work in Nigeria, Africa. Mrs. Hunking is now home on furlough, having flown from Africa early in December. Hostesses are Mrs. David Weddel, Mrs. H. Tombs and Mrs. L. Wellman.  
Plan to hear Dr. Carlos speak and show a colored film "Need of Spain" in the Baptist church on Friday night, Jan. 23, at 8 p.m.  
We wish a speedy recovery for Mr. W. Power S., who suffered a heart attack last week. Mr. Power is now in York County hospital.  
Misses Frances and Mary Cranley and Mr. Ambrose Cranley spent New Year's with Mr. and Mrs. Harry Knights, Toronto.  
Recent weekend visitors of Mrs. Frank Milne were Mr. and Mrs. Leonard Milne and Mr. and Mrs. T. Hodgins, all of Toronto.  
Mr. and Mrs. Milton Keller, Zephyr, spent Sunday with Mr. and Mrs. C. Milled.  
The ice and snow over the weekend changed our trees and shrubs into a picture of fairyland, although it was not so good for driving.  
With the colder weather, the local arena has a full schedule. A public school hockey league has been formed, as well as the Lake Simcoe Junior league. Manager Bert Boyd is kept very busy.

As man enters the second phase of "the Age of Flight" which had its humble beginning 50 years ago with the Wright brothers' "crazy flying machine," fantastic aviation developments are provided that will astound the world. But probably few modern inventions will be able to match the weird designs rigged up by early inventors. Notable among these was a Parisian, Raymond De Mangel, shown on his "Aviette," a bike equipped with a pair of sails. In 1910 he entered a contest at Longchamps race course. After some pedalling, De Mangel's peculiar machine rose in the air, fluttered a bit, then came down with a flop.

**Had your aluminum today?**

CHANCES are you have, because practically everything we eat—grains, vegetables, meat, milk, eggs—contains aluminum. This is not surprising, since one-eighth of the earth's crust is aluminum. Aluminum is most readily available commercially, however, in the form of bauxite ore. Alcan ships this ore from South America to feed its pot lines at Alcoa, Inc. in Maine, Shawinigan Falls and Beauharnois, P. Que. When the huge new Kilmat development is completed in A.C., refined ore will be shipped up the West Coast from South America or other abundant sources. Aluminum Company of Canada Ltd. (Alcan).

# To Sell Ontario Hogs Thro' Market Agency

All hogs marketed in Ontario will be sold through a Central Hog Marketing Agency after January 23, C. W. McInnis, president of the Ontario Hog Producers Marketing Board announced this week. The move is aimed at improving marketing conditions for Ontario hog producers by establishing a sound basis for competitive bidding through open market.

"Under present marketing conditions," Mr. McInnis stated, "approximately 90 percent of all hogs sold in Ontario are purchased from the farmer direct by the processing companies and smaller slaughterers. In many cases the hogs arrive at the slaughterers' premises and are processed before the true market value is established, thereby depriving the hog producers of their bargaining power."

The only answer to the problem, Mr. McInnis explained, is through a Central Hog Marketing Agency and the Ontario Hog Producers Marketing Board has appointed United Livestock Sales Limited as its sole representative to deal directly with buyers in establishing prices and eliminating general marketing problems.

The company is an amalgamation of the individual hog departments of the various livestock brokerage firms operating at the Ontario stockyards. Through this joint venture, the company will have a single sales board

comprising the most experienced hog salesmen available in Canada.

According to C. D. Black, newly-appointed general manager of United Livestock Sales, "hog prices established on Jan. 23, through the Central Sales Board of the company will be effective for all shipments arriving Monday, Jan. 26. Prices to be paid at all major centers throughout the province will be published daily."

## Mount Albert News

Forty-six attended the Cheerio 20th anniversary party in the United church on Saturday evening. Thirteen of the original 17 charter members were present. They had an exceptionally good program, part of which was a history of the 20 years by Mrs. H. Broderick and Mrs. Geo. Walsh.

Officers elected for the new year were: pres., Mrs. H. Cunningham; first vice, Mrs. Geo. Smith, second vice-pres, Mrs. H. Shillinglaw; sec.-treas., Mrs. Roy Carr (who has held this position 17 years); pianist, Mrs. Couper; asst. pianist, Mrs. R. Cupples; program conveners, Gladys Brooks, Mrs. Errington, Mrs. E. Davis; visiting comm., Mrs. F. Hopkins, Mrs. W. Rate, Iola Campbell, Mrs. Scott, Mrs. Couper, Mrs. N. Brooks, Mrs. J. Har-

ison, Mrs. Harvey Leek and Mrs. D. Stiver.

The Mount Albert Horticultural annual supper meeting will be held in the United church on Tuesday, Jan. 20. There will be speakers and the usual reports. Each member will receive further notice.

Miss Effie Hayes has gone to Port Perry where she may be staying for some time.

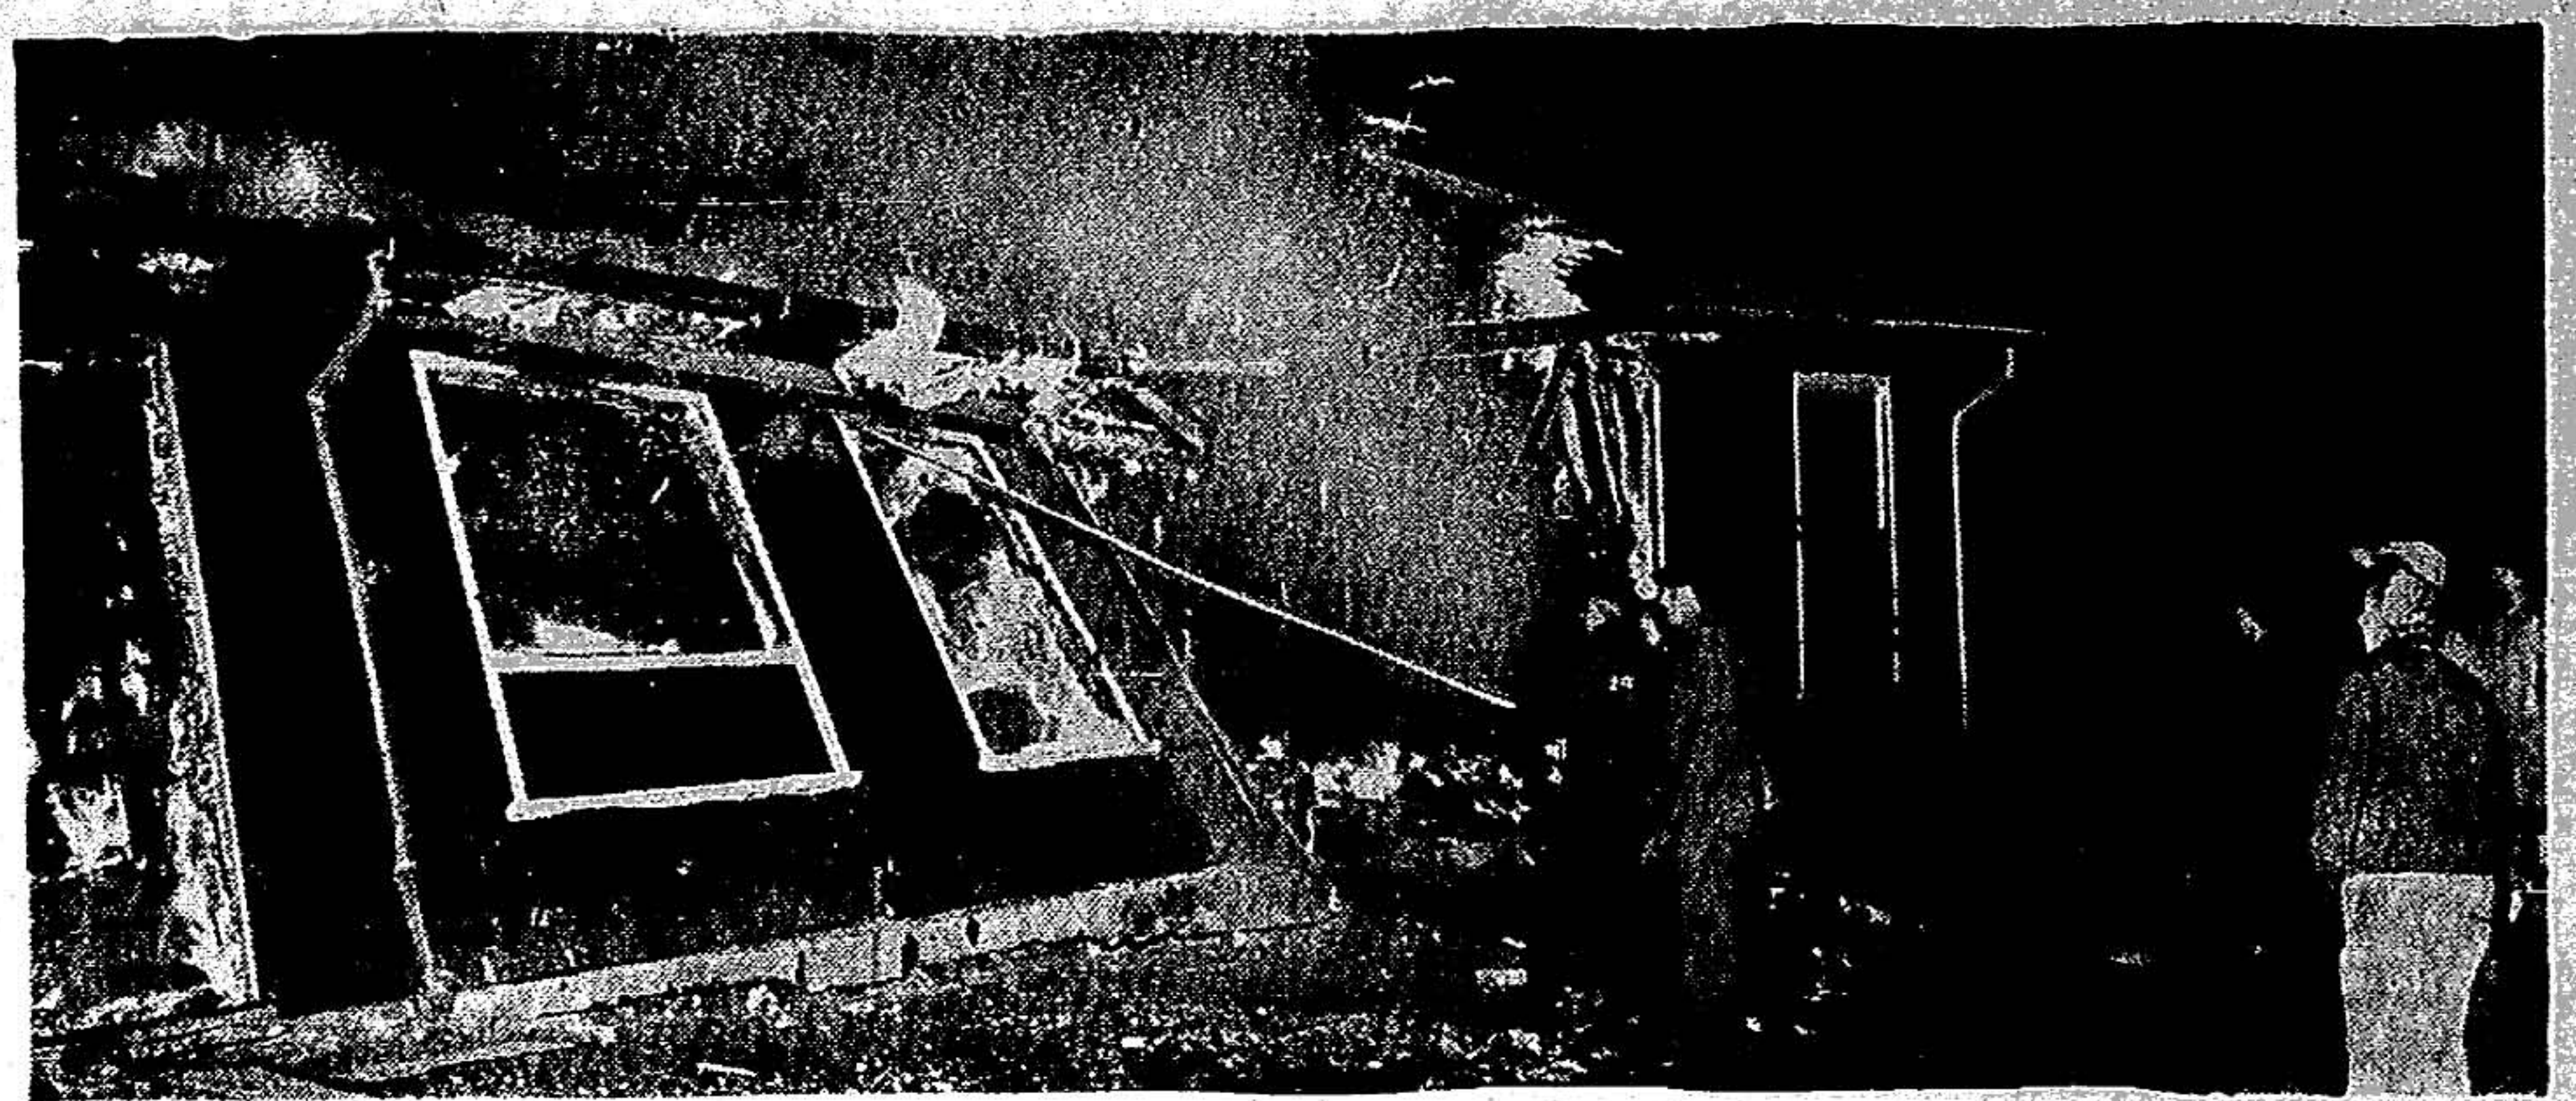

Mrs. W. S. Robertson who has spent the last three months at the home of her son, Howard, was taken to Toronto on Sunday to the home of her son, Lloyd.

Mrs. Arthur Sheppard has returned home after a stay in the hospital and convalescing nicely at her home in town.

The W.M.S. of the United church held its January meeting at the home of Mrs. F. Cunningham with the new presi-

## SCHOMBERG

Schomberg volunteer fire brigade had an opportunity to find out how their new fire extinguishers work. They have 150-lbs. pressure. On Sunday evening, a two-fire alarm put the extinguishers to work on a chimney blaze at the Samson and Baker home. A 45-minute period elapsed before a skeleton crew returned to do battle with the chimney. The new equipment worked perfectly. No water was used and no damage was done. Unclean chimney and pipes were the cause of the blaze. Walter Thompson is Schomberg's fire chief. One of the reasons for the New Year fireman's dance was to raise money to help pay for the new equipment.

An Aurora fireman shoves against a wall to hasten its collapse while another knocks down burning sections as a \$50,000

blaze destroyed a new ranch-style home in King township Wednesday night last week. Not quite completed, the house was located

on a 200-acre farm of D. C. Henderson, Forest Hill. Mr. and Mrs. Henderson had planned moving in next spring. The house was

insured. Although Aurora firemen covered 10 miles in little more than 10 minutes to the farm on the 6th of King, they were

unable to save the building. They had to return to King City to refill the water tank on their truck. Photo by Russell Cooper

dent, Mrs. H. Harmon, presiding. The yearly report was given. There are 20 members and eight life members, and \$379.65 had been sent to the presbytery treasurer.

No doubt you have noticed the date of Mount Albert Cemetery Co. annual meeting on Monday, Jan. 19, at 2:30, and if you are a plot owner, you should be interested enough to attend and take part in the election of the

board and hear reports of committees.

The Public Library is in the charge of a board of ladies and they are asking ticket-holders or anyone interested to come to the library room on Monday, Jan. 19, at 2:30 p.m. One may hear all about the work it takes to keep our very fine library working for everyone's benefit. One of the very nicest social evenings was held in the United

church school room on Thursday evening when the Board of Stewards and the Session entertained the choir members at a grand turkey supper with all the trimmings and then some. A very fine program of community singing was provided, with Mrs. Snyder at the piano. Contests to get the people mixed up proved amusing and several readings by Mrs. W. Hurst, Keswick, kept everyone in roars of laughter.

All people present and especially the choir are very grateful for this nice way of saying thanks to the choir for their part in church services. They surely feel they are appreciated if they work hard with their very fine leader, Mr. Geo. Price.

The Chamber of Commerce held its regular meeting to finish up last year's work and the Santa Claus parade was, they felt, one of their outstanding features. They feel the wonderful co-operation and assistance they received from all the organizations made a success and they have expressed their appreciation. The Chamber of Commerce requests any suggestions by the residents of Mount Albert for future community projects.

## TEMPERANCE FED. CONVENTION AT KING ON FEB. 13

It is planned to hold the annual convention of the North York unit of the Ontario Temperance Federation in King on February 13, 1953. (Note change of date).

The officers appointed last year are: hon. pres., Dr. S. J. Boyd, formerly of Newmarket; pres., Dr. J. P. Wilson, Richmond Hill; vice-pres., Harry West, R. R. 3, Newmarket; sec.-treas., Rev. H. E. Wellwood, Richmond Hill; children and youth work, Elma M. Starr, Mr. W. A. Tice, Newmarket; Mrs. Florence Yakely, Stouffville; law and legislation, Rev. E. C. Moddle, Aurora; education and publicity, Rev. P. L. Lambert Maple; membership, Rev. Harvey J. S. Howey, Aurora. President of W.C.T.U. for York and Peel counties is Mrs. P. E. Winch, Keswick.

For each of the municipalities in which this organization is divided in North York, representatives were appointed at the last convention to help further the temperance cause in their area and to receive the literature of this organization. During the past two weeks, sheets of rules for the oratorical contest on temperance topics were posted to these representatives, to distribute to their schools and young people's societies or clubs. This contest has three age groups, ranging from six to 20 years.

The ideal is for the representatives to arrange and conduct municipal contests and send the winners to the county contest which is held early in the evening session of the convention.

If additional sheets of the rules or some recitations for the Juniors to memorize, or authentic materials to help in preparing addresses are desired, anyone is asked to apply to the Ontario Temperance Federation, 39 Davenport Road, Toronto 5, or to Elma M. Starr, R. R. 3, Newmarket.

## RAVENSHOE

Mrs. Oldham, Sharon, spent the weekend at the home of Mr. and Mrs. H. Bray.

The W.A. supper at the United church will be held on January 21. Supper will be served from 6 to 8 p.m. Hostesses are to be Mrs. E. Breen, Mrs. W. Rose, Mrs. A. Sedore, Mrs. F. Perry, Mrs. W. Cryderman, Mrs. C. Hodgson and Mrs. I. Rose. The annual board meeting will be held after everyone is served.

The halo for Korea will be packed at the end of the month. Those wishing to contribute are asked to leave articles at the church or with the supply secretary, Mrs. E. Hamilton.

Nearly 700 C.P.R. agents in the Canadian West provide reports which make up the railway's highly informative weekly crop report.

## TRANSFER COMMAND IN GERMANY

Brig. Geoffrey Walsh, left, signs over his command of the 27th Canadian Infantry Brigade Group in Germany to Brig. J. E. C. Pangman in a ceremony at London Barracks in Hanover. Brig. Walsh returned to Canada to take up his new appointment as Director-General of Military Training at Army headquarters.

## CHEVROLET FOR '53

- Entirely New STYLING
- Entirely New POWER
- Entirely New POWERGLIDE
- Entirely New ECONOMY
- Entirely New SAFETY
- Entirely New DURABILITY
- Entirely New POWER STEERING

Chevrolet's lower in height, with long, flowing, smoothly rounded lines to give you the newest look in cars! New interiors are richer—color-matched to exterior finish.

New 115-h.p. high-compression "Blue Flame" engine with Powerglide models. New 100-h.p. high-compression "Thrill-King" engine with gear-shift models.

New automatic starting and passing range gives you flashing get-away from a standing start, greater passing ability in city driving. Gas consumption is substantially reduced!

You go much farther on every gallon of gas! Greater over-all economy of operation and upkeep! And, again in 1953, Chevrolet is the lowest-priced line in its field.

Greater ease and safety of control. Greater visibility with a new, one-piece curved windshield. Finer, smoother brakes. The safest Chevrolet you ever drove!

Beneath the brilliant new beauty is heavier, stronger, more rigid construction. This means even longer life for a car always famous for durability and dependability!

You park and steer with finger-tip ease, yet you retain the familiar feel of the road. Power steering, optional at extra cost on Powerglide equipped models.

\*Combination of Powerglide automatic transmission and 115-h.p. Blue Flame engine optional in "Two-Ten" and "El" Air models at extra cost. (Continuation of standard equipment and trim is retained is dependent on availability of material.)

## COUNCIL REPORT

(Continued from Page 9)

he would decide whether he would pay for the installation of sewers, adding their costs to the sale price of his lots or consider petitioning the town for such services under local improvements.

A special meeting of council was called for Thursday, Jan. 15, to deal with all problems relating to new sub-divisions. Deputy-Reeve Murray suggested that council should prepare regulations which could be used as a guide in future dealings concerning sub-divisions.

The third reading was given to the by-law regarding sanitary and storm sewers for Kennedy St. It had been passed at a meeting last summer but through a technicality, had to be re-voked.

The solicitor was instructed to prepare a by-law which would amend the procedure by-law changing the first meeting of council each year from the second to the first Monday in January, except in those instances when the first Monday falls on January 1st.

The finance committee (King, Cook and Moffat) with the mayor, were authorized to meet with the public school board to discuss the future of the old public school building.

Mrs. Moffat mentioned that the Cancer society had been looking for a suitable room where they could make dressings. If such a room could be made available to groups for community work in the old building, it would be grand, she said. The matter was left for discussion between the board and council's committee.

Vic Jones moved and Clarence Davis seconded a suggestion that the older men of the town have the use of the east room in the old hall for afternoon social gatherings.

"As long as the room is not in use and they leave it in good condition, they should be allowed to have their gatherings at the hall," said Mr. Jones. Motion was carried.

Council meeting concluded with a prolonged discussion regarding possible celebrations for Aurora's centennial year. Immediate plans will be started to make Saturday, May 16, a memorable event in the town's history.

(We shall review the foregoing council proceedings in our next issue and deal with an incident at the press table, when the editor of the Aurora-Banner, F. J. Pickering, ordered our reporter to leave her seat and give up her chair to him.—Editor Aurora News Page.)

The Hamilton naval division, HMCS Star, acquired new status during the summer of 1952 as headquarters of the Great Lakes Training Command providing accelerated training for newcomers to the Royal Canadian Navy (Reserve).

Said Vic Jones, "Was it in committee or council that we discussed the leads?"

Dale King and Deputy-Reeve Murray: "Committee."

Deputy-Reeve Murray: "Perhaps I've slipped up in not

bringing it into council. These changes come up in the course of operation. They have to be decided immediately. I try to take care of them as best I can. I have a shortcoming, my short memory. It's not that I'm trying to keep anything from council. It's just that it slips my mind."

**Additional By-Laws**  
A routine by-law was passed, giving the clerk authority to borrow up to \$100,000 until taxes are collected in June.

The regular monthly meeting of the United church Women's Association was held in the church parlors on Thursday afternoon.

Congratulations are extended to Mr. Bill Langman who has been elected president of the York County Police Association.

Mr. and Mrs. Geo. E. Moody, Bowmanville, were recent guests of Dr. and Mrs. Rose.

Miss Jean Willson entertained her Sunday school class at her home on Saturday afternoon.

Mrs. Humphries is visiting for a few weeks at the home of her parents, Mr. and Mrs. Fred Cousins.

## WHAT THEY ARE SAYING

(Continued from Page 9)

ing Aurora News Page and cannot understand why some people criticize it. Public men who can't take criticism ought not to hold public office."

Incidentally, we learned that Mr. Harman lost first place at the recent elections for council in the city of Oshawa by 11 votes only, and not by nearly 100 as incorrectly reported in the Oshawa press. Customarily he heads the aldermanic poll.

**Saves \$5,000**  
For quality of building, Mr. John W. Bowser long ago established for himself well-earned fame and in recent years the Aurora Building Company has maintained that high standard.

The three additional rooms to the former high school, built by the Aurora Building Co., which formed part of the remodelling of the new public school, provide further proof of that building quality.

We are informed that when the work was completed, Mr. Bowser found that the company had effected a saving of \$5,000, below the price of the contract and that this very substantial sum could be handed back to the public school board.

Our informant suggested that this was worth-while news which the taxpayers of Aurora should know and we fully agreed with his opinion and have pleasure in putting it on the record. It is something we did not know until this public-spirited citizen called us on the phone and made us aware of it.

Mr. Bowser is to be congratulated on his care in the above connection, for the citizens of his native town.

The history of gold mining in Canada dates from 1654 when Louis XIV of France granted a concession to Nicholas Denys to mine gold in Nova Scotia.

Walt Fines was terrific in that first 20 minutes. Walt's fine rushes set him up in position to sink two goals and assisted on two others. Bob Cook was the other Bearman with a yen to get goals. Cook got two and Nobby Ash furnished the fifth of the period.

Moving into the second, Artie Barber converted a Bob Veale pass and Barber supplied Nobby Ash with a relay for a rigging-hitting shot to raise Aurora's count to 7-0 before Gerry Gerow found a chink in Joe Burke's stout armor. Bob Cook completed his hat trick on a pass from Grant Edwards to make it 8-1 at the three-quarter pole of the third. Then Murray Yorke elicited for the visitors' final pay-off shot late in the session.

Friend Abner Hulse's New Year's message to the Newmarket troops Pepper Martin, Bill Smith and Bob Hanna had the desired result. The trio played improved hockey, Bill Smith in particular coming back to form. Andy Closs was a stand-out on the Aurora rear-guard and Joe Burke was at his top best.

## North Gwill. Concession 4 To Be County's

The fourth concession of North Gwillimbury township, which extends from Lake Simcoe on the north to Toronto on the south, by connecting with the Don Mills Road, is expected to be taken over completely by the Toronto and York Roads Commission.

This road is the artery used by many summer residents to reach Lake Simcoe by the shortest route and East and North Gwillimbury townships have been endeavoring to have the County of York take over the maintenance of it completely.

The road is already maintained by York County from Toronto to Pleasantville and negotiations have reached a stage where the matter is ready to be dealt with by the County Council at its next sitting. If York County Council approves of taking the road over, it should mean a safer road for all travelling it.

Better road signs erected would eliminate possible confusions due to the road being a "through" one at some intersections and "Stop" with the signs badly placed, at others.

The new portion of the road which is expected to be taken over by the county, extends from Pleasantville, on the south, to within approximately three and one-half miles from the lake.

**N. GWILLIMBURY ATHLETIC ASSOC. HOLDS ANNUAL**

North Gwillimbury Athletic Association held its annual meeting and election of officers on Monday evening, Jan. 12, at the Memorial Centre, Keswick.

Mr. Joel Hopkins, Keswick, is the 1953 president and Allen Stiles, Belhaven, was elected to the vice-president's chair.

Mrs. Margaret Arnold and Mr. Sam Borsellino were returned to the offices they held last year, secretary and treasurer respectively.

Seven directors, representing the seven school sections in the township, were elected and are as follows: Howard Enkous, Jersey; Bernard Thompson, Belhaven; Edwin Mahoney, Mount Pleasant; Clarence Selby, Elmgrove; Clark Martin, Keswick; Adam Chalmers, Roche's Point; and D. Menar, Base Line.

**SHARON**  
Mr. and Mrs. Garnet Evans and Donald visited at the home of Mrs. Wreggit on Sunday.

Mr. Ross Mitchell visited his mother at Oshawa on Sunday. Sorry to hear Mrs. McTague has not been as well as usual.

Mr. and Mrs. Dan Gill and children visited Mr. and Mrs. Donald Scott, Vandonr, on Sunday.

United church service at the hall each Sunday is at 9:45 a.m., Sunday school at 10:45 a.m.

**MOUNT PLEASANT**  
The Women's Guild will meet at the home of Mrs. Robt. Davidson on Tuesday Jan. 20 at 2:30 p.m.

Some from here attended the farmer's meeting at Belhaven on Monday evening dealing with the Warble fly that is such a menace to cattle.

Sorry to hear that Miss Iva Stiles, R.N., is on the sick list.

Mrs. Wm. Moulds spent Monday evening at the home of Mr. Bernard Davidson.

Lead produced in round one. Then the Emmensen erupted furiously for four goals in just three minutes and two seconds and Spits trailed 5 - 3. Spits never quite caught the Flyers again but did pull up within one of a tie as they outscored Barrie by a 3 - 2 margin over the rest of the route.

Who's most likely to go on the Flyers' negotiation list if he can secure a junior certificate? Why Don Smith. Smitty picked up two goals to pace the Spits. Smith's wing-mate Grant Pirih, counted a single as did Ken Broughton who played a steady defensive game. Don Gibson and Mylea McInnis.

The game gave Hub fans a chance to view Hip Emmis' trading genius at first hand as all the Barrie stars Orval Tossior, Tony Poeta, Bill Harrington and Jack Higgins were in action. John Marian and Jim Robertson, a pair of Emmis' old rallebers, gave Ken Tupling, who played a stand-out game, most trouble with a pair of goals apiece to spearhead Barrie's attack.

Who's most likely to go on the Flyers' negotiation list if he can secure a junior certificate? Why Don Smith. Smitty picked up two goals to pace the Spits. Smith's wing-mate Grant Pirih, counted a single as did Ken Broughton who played a steady defensive game. Don Gibson and Mylea McInnis.

## Hear Opinions About What Should Be Done In Twp. Assessments

Assessments in North Gwillimbury township have been the subject of controversy for several years. At the regular meeting of the township council last week, Mrs. Peggy Arnold, Roche's Point, gave her opinions and suggestions on what should be done.

"Mr. Pollock's suggestion for a board of assessors is unnecessary," she stated. "The county assessor's job is to instruct and teach local assessors and, as we are levied against by the county, to pay a portion of his wages, it is only right we use his services. If the local assessor, Mr. Ted Anderson, would use the provincial manual of assessment values, under direction of the county assessor, our local assessment troubles could be corrected in a period of two years."

"If council would consider the use of appraisal forms, ratepayers would have a clear picture of what they were paying and why," she said.

"Our assessor should be able to visit every property in the township each year and it is his duty to do so. I have not been able to find that he has done so, but, maybe ratepayers have not been informed of his visits."

"The fact that the voters' list is in such a mess is proof of Mr. Mogg's incomplete job of reassessment and also points to the fact that Mr. Anderson has done little to correct this."

"Mr. Winch, the township clerk, received the blame in this instance and although I have heard many words of praise for Mr. Anderson, I have never heard any word of this lack in fulfilling his duty. The ratepayers have a right to know on whom to lay the blame when cases of this kind arise."

"If council does not show foresight and leadership in this instance and correct this situation, they will find, in the years

## GERMAN AUTO MAY BE BUILT HERE

New competition for Canadian and U.S. car manufacturers may be felt in the German Volkswagen or some other small German car. A German company is seeking to buy a 250-acre tract near Oakville, Ont., on which to build an assembly plant. The Volkswagen shown here is popular all over Europe.

## Temperanceville

The euchre held at Temperanceville schoolhouse under the auspices of the W.I. on Tuesday, Jan. 6, resulted in the following winners: ladies' first, Mrs. Thos. Ditty; second, Mrs. Fred Hare; consolation, Mrs. Robert Ash; gentlemen's first, Fred Hare; second, Francis Powell; consolation, Wm. Ash. The next euchre will be held on Tuesday, Jan. 20.

The W.I. president, Mrs. Clayton Beynon, and secretary-treasurer, Mrs. Gordon Baldwin, were guests of Richmond Hill Institute on their 40th anniversary last week.

The girls of the Homemaking club, under the leadership of Mrs. Everett Phillips, have completed their project in sleeping garments. The achievement day

for this course will be held on Saturday, Jan. 31, in Newmarket. A junior member, Miss Betty Beynon, joined the club this season.

The Young People's meetings, to which all are welcome, is held Friday evenings in the church basement.

Those holding office in the W.A. for the year 1953 are: hon. pres., Mrs. J. Jennings; Mrs. W. S. Hare and Mrs. John Umehara; pres., Mrs. W. Jennings; vice-pres., Mrs. Fred Boys; sec-treas., Mrs. Ed Paxton; pianist, Mrs. A. Folliott; parsonage committee, Mrs. W. Jennings and Mrs. W. Hudson; visiting com., Mrs. W. Hare, Mrs. M. E. McClure, Mrs. Norman Rome and Mrs. C. Beynon.

Officers of the W.M.S. for 1953 are: hon. pres., Mrs. F. Wilkins and Mrs. J. Paxton; pres., Mrs. W. Hudson; vice-pres., Mrs. M. E. McClure; sec-treas., Mrs. Fred Boys; temperance, Mrs. A. Folliott; Missionary Monthly, Mrs. Frank Bell; supply sec., Mrs. John Umehara; mite boxes, Mrs. Frank Bell; missionary supt., Mrs. M. McClure, assisted by Mrs. Ed. Paxton.

Mr. and Mrs. John Lloyd, Dixie, called on Mr. and Mrs. E. Phillips on Sunday.

## BROWNHILL

Here at Brown Hill, a real country site, is where at this time of the year, all the folks are going into the cellar to see if the dill pickles and sauerkraut are ready to be attacked with vigor and a good appetite which this good country air gives all, especially the Brown Hill Rinky Dinks, our famous hockey team.

Corn popping was a feature enjoyed by the school children recently. Mrs. W. Sedore generously supplied butter for the popcorn.

A number of folks enjoyed the television at Mitchell's garage over the weekend. We have two T.V. sets in Brown Hill. Alvin Rose has been enjoying his set for some time.

Mrs. W. Humphreys and Billie have moved to Alliston.

It seems we have talent unknown here at Brown Hill and the expert games at cribbage going on just goes to show that each player is very good at the game.

We will have Sunday school here at Brown Hill Sunday, Jan. 18, at 2:30 p.m. Be sure and come and bring the children. We all hope Mrs. Casement will soon be back with us and hope she is doing very well.

Mr. and Mrs. Harvey, Dusty and Dixie, of the famous Rodeo shows, had guests from Newmarket last Sunday.

A number of folks are enjoying the library which Mr. Harvey has.

## BELHAVEN

Mrs. Charles Barker, Lindsay, has been spending the week with her brother-in-law and sister, Mr. and Mrs. John Spence.

Mr. and Mrs. W. Switzer, Bancroft, spent Thursday with her parents, Mr. and Mrs. Selby Fairbairn. While here they had supper with Mr. and Mrs. Perry Fairbairn.

Mr. and Mrs. Erwin Winch had tea Sunday evening with Mr. and Mrs. Norman King.

Sorry to hear that Mrs. Lockie is on the sick list and we wish her a speedy recovery.

Mr. and Mrs. David Davidson had dinner Sunday with Mr. and Mrs. Earle Mundy.

Rev. and Mrs. John King attended the district quarterly meeting and Sunday school convention in Newmarket from Thursday to Sunday.

In May, 1952, the Canadian Army was 97 years old. The present army had its beginnings in the forces authorized by the Militia Act of May 9, 1855.

Total budget of the Defence Research Board for the fiscal year 1951-52 was about \$35,000,000 divided almost equally between research and development.

# Keswick News

The first meeting of the W. C. T. U. for 1953 was held in the Christian church with Mrs. Campbell presiding. Mrs. Serick gave a splendid devotional, stressing the importance of spiritual guidance in our lives and work for the coming year.

Mrs. Perry Winch, Sr., read many interesting answers from pupils' temperance exam papers, showing the real grasp many of the mhave on the subject.

Mrs. Agar gave in her own quiet, impressive manner, that beautiful selection "The Black Madonna". Lunch was served and a short social time was enjoyed. The next meeting, Feb. 3, will be at the home of Mrs. Perry Winch, Sr.

Miss Babe Wilson, Angus, is visiting her cousin, Mrs. H. J. Leppard.

Cannington won the Saturday night hockey game with Keswick at the arena, 8-3.

Over 25 fish houses are alrtdy on one spot on the lake and many more are scattered here and there. The ice is not very thick yet.

Last week was a "week of prayer" with services led by Rev. Campbell and Rev. Serick.

"Plus and Minus" was the title of a devotional reading by Mrs. Winston Prosser at the January meeting of the United church W.A. in which the positive factor of dedication was emphasized. Miss Gilroy presided during the business session when it was decided again to hold a bazaar during the summer. Rev. G. Campbell installed the officers for 1953:

Past president is Mrs. F. A. Morton; pres., Miss Eva Gilroy; first vice-pres., Mrs. Wm. Hill; second vice-pres., Mrs. K. Boothby; recording secretary, Mrs. M. Rye; corr. secretary, Mrs. O. M. King; treasurer, Mrs. J. Porter; committee conveners: mansk, Mrs. P. F. Winch; devotional, Mrs. Wm. Hill; visiting, Mrs. C. Grant; flowers, Mrs. O. Huntley. United church will be held on The annual meeting of the Monday evening, Jan. 19, preceded by a pot luck supper be-

ginning at 5:30 p.m. All church families are invited to attend both supper and annual meeting.

## SUTTON W.A. OFFICERS

The Women's Auxiliary of Knox United church, Sutton, have held their annual meeting and election of officers. Mrs. Jean Isaacs was elected to fill the president's chair for 1953 and Mrs. Jean Day as vice-president. Mrs. Minnie Cryderman takes on the duties of the secretary and Mrs. Iona Cronsberry continues to fill the roll of treasurer for another year. The executive of this large and active group have drawn plans for another interesting year of work and entertainment.

## Obituaries

### John Elbert Ianson

John Elbert Ianson passed away at his home, 19 Bedshaw Ave., Toronto, on Tuesday, Jan. 6, after an illness of two years. He was born in East Gwillimbury, 8th con., the son of the late Mr. and Mrs. Thomas Ianson. He married Martha Ann Leppard in 1888.

He leaves three daughters, (Stella), Mrs. G. Tomlinson; (Zella), Mrs. G. Maltin; (Caroline), Mrs. G. Morris; one son, William Frederick.

The funeral service was conducted by Rev. Casement in the chapel, Mount Albert. Pallbearers were G. Marles, F. Cunningham, R. Cupples, A. Hopkins, H. Gibney and L. Pegg. Interment was in Mt. Albert cemetery.

### Flossie V. Espeland

Flossie Viola Espeland passed away Nov. 27 at New Westminster, B.C., following a heart attack. She was born near Stouffville on Aug. 31, 1898, daughter of Mrs. R. Long, Sharon, and the late George Hopkins. In 1911 she moved with her family to Alberta and on April 23, 1918 she married Arthur Stokes. In

## HOPE

The Hope Hobby Club will meet at the home of Mrs. Longford Pegg, on Tuesday, Jan. 20, at 2 p.m. Roll call "The nicest Christmas I can Recall". Lunch committee, Mrs. J. Hall, Mrs. W. Graham, Mrs. J. Farr and Mrs. A. Balsdon.

The annual supper and business meeting will be held in the United church on Monday, Jan. 19, at 6:30 p.m.

Sixty-seven percent of all life insurance owned in Canada is with Canadian companies, 31 percent with United States companies and two percent with British companies.

The annual supper and business meeting will be held in the United church on Monday, Jan. 19, at 6:30 p.m.

## MEETING FILLS HALL

## Crop Improvement Association Annual

Surpassing all previous records, over 400 farmers of York County taxed the Newmarket town hall to capacity for the annual meeting of their Soil and Crop Improvement Association on Wednesday last week for an all-day program of addresses, discussions and election of directors.

The meeting was to start promptly at 10.30 but President Frank Barnes, Schomberg, was obliged to delay the call to order for 10 minutes to clear the congestion at the door. This organization with an enviable reputation for starting promptly, actually had the original supply of 300 chairs taken when the meeting opened.

Following the presentation of the financial statement and report of activities, Walter Reesor, Markham, reported on the two-day bus tour to Western Ontario, followed by slides presented by Secretary W. M. Cockburn, Newmarket. The ever popular discussion period featured a panel, chaired by Alex Davidson, Agincourt and the following consultants: Thos. Lane, soils fieldman, O.A. College; Harold Clapp, farm manager at Fraserdale, Farm, Concord; Frank Marritt, Keswick, county weed inspector; and Eugene Lemon, Stouffville, an outstanding "dirt farmer". The panel was introduced by E. K. Pearson, assistant agricultural representative for York County.

After the lunch hour, printed ballots were passed out to those with membership tickets for the election of 12 senior and 2 junior directors. Following this, there was a draw for several prizes for those present by 10.30 and the prize for the driver bringing the most "first timers" in his car went to Lloyd Pegg, Sutton West, who had five in his load.

First of the guest speakers was Dr. D. N. Huntley, field hus-

bandry department of the O.A.C., who was introduced by Kenneth Fallis of the Ontario Crops, seeds and weeds branch, Toronto. Dr. Huntley gave an informative resume of the newer developments in field crops and, amongst other points, stressed the increased acreage and possibilities of husking corn as a high per acre producer of home grown feed grain.

Clark Young, Unionville, introduced Mr. Stanley Tallman, the other guest speaker. Mr. Tallman, who is field research engineer for the Massey-Harris Company and formerly agricultural engineer for a western agricultural college, has had a wide experience over the North American continent, also in Africa.

His address on the newer trends in tillage and reasons for such operations as deep tillage with a minimum of cultivation, created a great deal of interest. Heavy machinery and heavy loads on broad rubber tires has created a compressed layer or sole about 12 inches below the

surface which becomes impervious to water and roots, he said.

The following directors were elected: Frank Marritt, Keswick; Ernest Crossland, Newmarket; Norman Bagg, Edgeley, Bruce Snider, Maple; Eugene Lemon, Stouffville; Archie Cameron, Jr., Woodbridge; Walter Reesor, Markham; Clifford Wallwork, Stouffville; Chas. Haines, Newmarket; Douglas Campbell, Mt. Albert; Joe Lanthier, Gormley; Carl Boynton, Woodbridge; Murray Macklin, Agincourt, and El-dred King, Markham.

At four o'clock the directors met following the general meeting and elected the following officers: past president, Frank Barnes, Schomberg; president, Carl Boynton, Woodbridge; vice-president, Eugene Lemon, Stouffville; sec-treas., W. M. Cockburn, Newmarket.

The president and vice-president were named as delegates to the Ontario Crop Improvement Association. The ticket committee reported the sale of 294 memberships for 1953.

## Health Unit Joined By New Staff Member Unit Work Reviewed

Mr. Jack Park joined the staff of inspectors of the York County Health Unit recently to fill the vacancy left by the resignation of Mr. Peterson in September.

The total number of general sanitary inspections during December was 165 with a large proportion being concerned with waste disposal and protection of water supplies, emphasizing what appears to be the most important health problem at the present time in the York County Health Unit area.

## School Health Services

Each pupil in the public or separate elementary school in the York County Health Unit area is inspected by the public health nurse at some time during his course through school, and in many cases he has been inspected more than once.

The public health nurse's inspection does not take the place of a medical examination by the family physician because the nurse does not pretend to determine the state of health of each pupil in all cases.

However, many obvious defects which may interfere with the pupil's learning ability, or prevent his full participation in school activities, may be detected during the nurse's inspection and these findings are drawn to the attention of the parent or guardian with the recommendation that the pupil be examined by the family physician.

During the month of November, 1952, 499 health inspections were done as a regular routine, while 183 special inspections were made for particular reasons. There was 593 vision tests and 11 hearing tests done on pupils during the month. Where further observation of the pupil is desirable, the pupil is re-inspected at intervals, and during November 76 pupils were listed for further observation. The public health nurse made 86 visits to pupils' homes to assist parents with health problems concerning their children at school.

The annual congregational supper and meeting was held in the evening and a good attendance was present.

Immunization against Diphtheria, Tetanus and Smallpox is being maintained among the

school population, and facilities are provided for immunization of preschool children against the same diseases and whooping cough.

## Sanitation

General problems in refuse disposal, drainage, public health nuisances, waste disposal, privies, septic tanks, protection of water supplies, and health problems involving yards, sheds, and areas continue to predominate the sanitation division of the health unit. 647 inspections of this nature have been made since the beginning of 1952.

While a minimum standard of sanitation is being maintained for milk, food, and water supplies, it is desirable that more time be spent on inspection of milk producers' farms, pasteurization plants, and lunch counters and restaurants in order that progress may continue in protecting the health of the people of the communities concerned, the director, Dr. R. M. King states. With the increase in residential building subdivision of land for building purposes, it appears unlikely that more time can be devoted to food and milk inspections without neglecting at least temporarily the general field of environmental sanitation.

## SNOWBALL

Mr. and Mrs. Ivan Allan and daughters, Ruth and Lorna, Toronto, were recent guests of Mrs. Frank Hollingshead.

Mr. and Mrs. Howard Morning and Mr. and Mrs. Chancey Conner spent two days with Mr. and Mrs. William Gould, Norland.

The members of the congregation of Snowball church, also the Sunday school, are having a supper on Friday, Jan. 16, in the church basement, with the annual meeting to follow the supper. All members of the congregation are requested to be present.

Mr. and Mrs. Art Storey spent a day recently with Mr. and Mrs. George Storey and son, Richard, Sutton.

Mr. Harry Bovair, Western Canada, is visiting his sister, Mrs. C. White, Mr. White and family.

Mrs. Bert Smith is a patient at Toronto General hospital. We wish her a speedy recovery.

Canada's fine paper mills, unlike the "one product" newsprint mill, are called upon to produce a very wide range of papers requiring great skill and versatility.

## Seek Changes In Election Day For 4,800 Summer Residents

A letter from the North Gwillimbury Beaches association was presented to the township council by Jack Sinclair, Island Grove, last week, urging council to change the voting and election day by-laws. "We ask this to encourage and facilitate over 4,800 non-resident voters to exercise their franchise," the letter said.

"We respectfully suggest that the present by-laws covering nomination day, voting day and the hours of voting be repealed and a new by-law enacted setting nomination day as the first Saturday following Nov. 14, setting voting day as the third Saturday following Nov. 14 and setting the hours of voting from 10 a.m. until 8 p.m.," the association requested.

"The two week period between nomination day and election day will give those who live outside the township a better opportunity to select those candidates who, in their judgment, are best qualified to serve the township," the letter stated.

Speaking price-wise, these little pigs are due for a fall, for the packing companies, if not for the consumers. The federal price support program called for a decrease from 26 to 23 cents a pound and farmers, anxious to sell their pigs at the higher price flooded packing houses with pigs at the end of December. It may be some time, however, before the lower price reaches the retail stores.

## NEWMARKET VETERANS

Attention members of Newmarket Veterans' association! Our next general meeting date is Friday, Jan. 30; place, the Dugout; time, 7.45 p.m. sharp. If interested in Civil Defence, you will enjoy the evening. The speaker on the subject knows what it's all about. Come along and bring your buddies with you. Refreshments as usual.

Remember February 14 is St. Valentine's Day. Arrange to be at the Dugout at 2 p.m. sharp. Bring the family with you. There will be lots of fun for the children and yourself. Refreshments for all.

It may interest the readers of this column to know that the Christmas hampers sent to needy families and the flowers sent to those who lost sons or husbands cost in the neighborhood of \$500. The total amount spent by the organization for 1952 will be shown later.

Newmarket Veterans take this opportunity to thank all those who made this work possible by assisting in any way. We as well as the less fortunate feel our Christmas season was remembered.

## BIRTHDAY CLUB

Birthday wishes are extended this week to:

Douglas Keats, Newmarket, 8 years old on Wednesday, Jan. 7. Cary Balle, Lethbridge, Alta., 13 years old on Friday, Jan. 9. Floyd King, Belhaven, 13 years old on Friday, Jan. 9.

Dayle Eves, R. R. 3, Newmarket, 4 years old on Friday, Jan. 9. Larry Douglas Bone, Newmarket, 11 years old on Sunday, Jan. 11.

Heather Ann Milligan, Newmarket, 2 years old on Sunday, Jan. 11. David McGrestley, R. R. 3, Newmarket, 4 years old on Sunday, Jan. 11.

Sharon Suddes, Newmarket, 13 years old on Sunday, Jan. 11. Iris Allen, Mount Albert, 14 years old on Monday, Jan. 12.

Dorothy Marguerite Leonard, R. R. 1, Schomberg, 9 years old on Tuesday, Jan. 13. Billy Holly, Holland Landing, 14 years old on Wednesday, Jan. 14.

Johnny Winter, Newmarket, 10 years old on Wednesday, Jan. 14.

Charles Wayne Ley, Keswick, 4 years old on Wednesday, Jan. 14. Send in your name, address, age and become a member of the Newmarket Era and Express birthday club.

## ATTENDS POULTRY CLINIC

Mr. Morley Case, Mount Albert, has returned from Myers-town, Pa., where he attended the clinic on poultry health and nutrition conducted by Whit-moyer Laboratories, Inc. During his stay at the laboratories, Mr. Case attended the classroom lectures and demonstrations and participated in poultry disease diagnosis work.

## ELMHURST BEACH

Friends and neighbors of this community extend their deep sympathy to Mrs. Boynton and family in the loss of Mrs. Boynton's mother, Mrs. Carr, who has been in poor health for some time.

A Statement by  
CANADA'S FIRST  
BANK...

To those who  
want to get ahead

It's good to go into debt... to yourself

It's the streamlined way to make financial progress. Some of our most successful customers use this system. It's the very heart of Personal Planning—the B of M's method of family-financing which Canadians from coast to coast are finding practical and stimulating.

It means putting yourself on your own pay-roll... making up your mind that you yourself have a claim on your income just as much as the landlord, the butcher and the tax-collector.

You'll do this, of course, because you have a definite objective—a strong reason for saving. It may be a general goal like family security... or it may be something specific like a new refrigerator, a house, or even a place in the country.

You can go into debt to yourself in two ways—by saving and by borrowing.

Saving comes first, of course... so much a pay-day owing to yourself.

A bank balance gives you personal confidence as few other things can. It gives you a good foundation for your financial plans... and it makes it easier for your B of M manager to lend you money when you want to realize an objective sooner than you otherwise could.

When you have a sound financial program, but need money for some useful purpose, borrowing at the B of M is just as sound as systematic saving. Indeed, it is another form of saving. And it is the B of M's business to lend you money, when it's good business for you to borrow.

A B of M Personal Loan simply enables you to enjoy sooner the things you plan for... and you pay it off in regular instalments just as you have built up your savings balance.

Why not make up your mind to get what you want this streamlined way—and open your special-purpose savings account at "MY BANK" tomorrow. And while you're in the Bank, have a chat with the Manager or Accountant. You will find them ready and interested to discuss your plans and problems.

## Needlecraft News

by Pauline Roy

IF YOU APPRECIATE nice linens for your home, and who doesn't? You'll enjoy making a few new things to replace some of your old favorites. Or, if you have plenty on hand for your own use, why not try making some lovely pieces such as luncheon sets, dollies, runners and tea cloths to be tucked away as gifts for the bride-to-be or for your donation to the church bazaar.

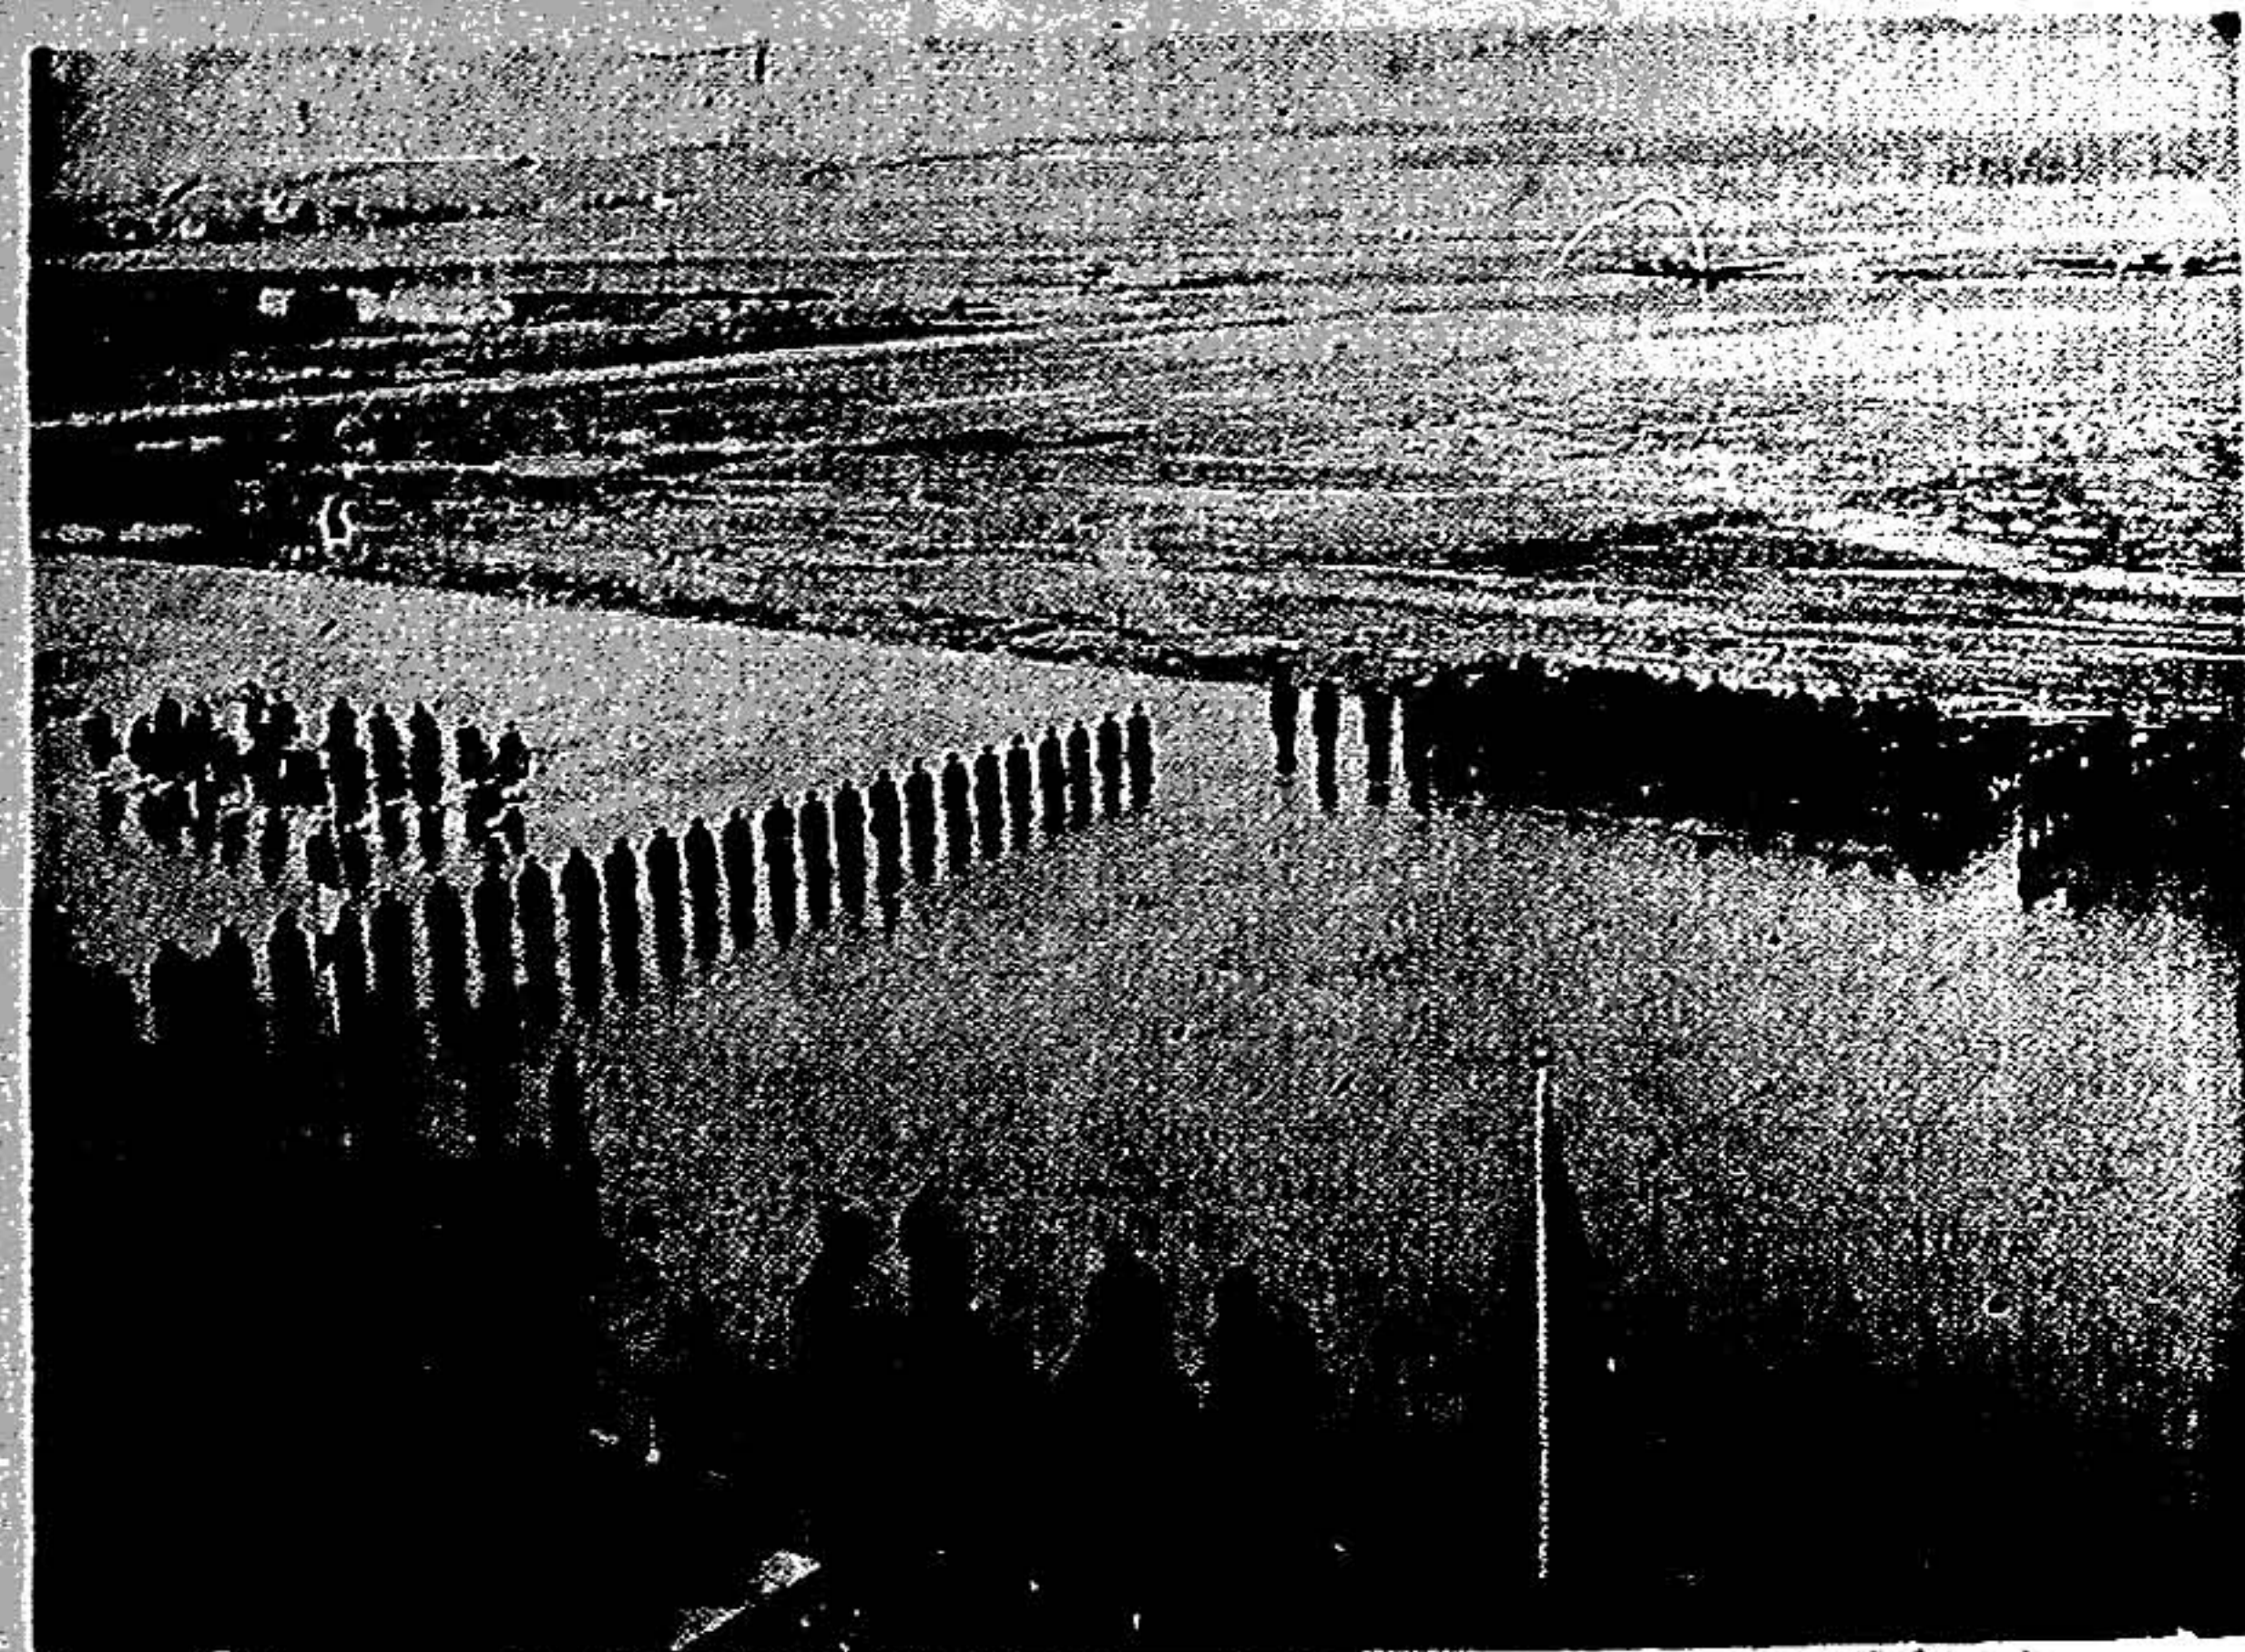

## Linen for Embroidery

Embroidery designs are fun to do and are very popular at the present time. Embroidered linens will be found as always on table linens from the richest banquet to the daily breakfast set. Perhaps one reason for rich embroidery on table linens is the fact that linen is the best of all materials with which to do this type of work. It is strong, durable, and if handled with care, the article made will stand many years of service, always maintaining its crisp, fresh look. Linen and linen-like type of materials are easy to work with for pulling threads in hemstitching and for counting threads when following a pattern. Perhaps one of the most popular embroidery stitches and one of the easiest to do is the cross stitch. Children love to do the cross stitch. Children love to do the cross stitch. Children love to do the cross stitch.

## Cross Stitch Place Mats

Beige linen is used for the place mats pictured here. The cross stitch pattern is worked in brown with white stem stitch underlining each row of the cross stitch. If you would like to have a leaflet with directions for making the ALGONQUIN DESIGN PLACE MATS, just send a stamped, self-addressed envelope to the Needlework Department of this paper requesting Leaflet No. PE-4918.

In an impressive ceremony, Rene Plevin, French minister of defence, presented the completed airfield at Grostenquin, 20 miles south of Metz, to Canada's defence minister Brooke Claxton. The airfield will be manned and operated by the RCAF. It was accepted by Mr. Claxton on behalf of the North Atlantic Treaty Organization.

## USE ERA AND EXPRESS CLASSIFIEDS IN TURNING UNWANTED ARTICLES INTO CASH

A debenture issue, successfully floated, does not solve your whole sewer problem. The important point is—how will your sewers "stand up"? Many municipalities have found pipe failure developing long before the debentures were paid off.

It's all a matter of chemistry. If sewer pipe cannot resist the strong corrosive action of acids and alkalis—in the sewage and in the soil—then you'll have a costly replacement job on your hands before long.

Sewage develops gases that have a powerful chemical action. VITRIFIED CLAY PIPE is acid and alkali proof, and provides sure and permanent resistance to such chemical action. It is "bonded by fire!" This assurance of permanency makes VITRIFIED CLAY PIPE the best and most economical buy.

### James Hennessey

The death, following a short illness, of Mr. James Hennessey came as a great shock to the Vandorf community. He passed away at York County hospital on Saturday, Dec. 20. After he rested at his home, lot 12, con. 4, Whitchurch, the funeral service was held with requiem High Mass in St. John's Roman Catholic church, Newmarket. Rev. Father McCabe officiated, assisted by Rev. Father Lynett, Aurora. Interment was in St. John's cemetery.

Mr. Hennessey was a life-long resident of Vandorf where, in his earlier days, he was employed for eight years with Van Noststrand's saw mill. He then went west and homesteaded in Saskatchewan, later returning to Vandorf where he spent the remainder of his life farming. He was a member of St. John's church, Newmarket, but lately had attended the Aurora R.C. church. His kind neighborly spirit will be long remembered in the community.

His wife, Luella Cooney, predeceased him eight years ago. He leaves to mourn his loss, his sister, Mrs. Hannah Stone, Elmvaal; a daughter, Mrs. Arthur Cloutier (Velma), and three sons, John, Toronto, Howard and Lawrence at home. There are also three great grandchildren.

Pallbearers were Gerald and James Stone, nephews, Joseph and James Cooney, brothers-in-law, his son-in-law Arthur Cloutier and Gerald Nelson, Oak Ridge.

### Mrs. E. F. Streeter

Mrs. Edward F. Streeter, Newmarket, passed away on Thursday, Dec. 18. She was married to Edward F. Streeter in November, 1927, by Canon McGonigle, in St. Paul's church.

Mrs. Streeter was well-known and well-liked in Newmarket, having been librarian in the town library for a number of years. She worked at Plekoring College as bookkeeper and later as general secretary for 25 years; she was also a life member of the W.A. and a missionary to China for five years.

The funeral service was held at St. Paul's church on Monday, Dec. 23. Pallbearers were Mr. R. E. K. Rourke, Mr. F. D. L. Stewart, Major T. M. Ewing, Mr. Evans, Mr. Terry and Mr. Rook. Rev. J. T. Rhodes read the burial service in the church. Mrs. Streeter was buried at the Newmarket cemetery in the Hamilton plot.

### Alfred Worville

Alfred Worville, 58, Mount Albert, passed away on Tuesday, Jan. 6, while being prepared for an operation, in which a leg and foot fracture were to be set. Death was due to shock.

Mr. Worville was caretaker at the Mount Albert cemetery and a resident of this district since coming to Canada from England about 20 years ago.

He is survived by two sisters, Mrs. Putman, Crystal Beach, Mrs. Rogers, and two brothers, Bob and Bill, Niagara Falls and Art, Mount Albert.

The funeral service was held on Saturday, Jan. 10, at the Chapel. Rev. C. P. Chapter conducted the service. Interment was in Mount Albert cemetery.

### Lorne Miller

Mr. Lorne Miller passed away in Kingston General hospital on Thursday, Jan. 1. He formerly resided in Newmarket, being with the Office Specialty Co., and in Aurora with the Collic, Cockrill Co., moving to Brockville with them. On leaving there he went to Kingston with the McLachlan Lumber and Home Equipment Co., where he has been employed for the past 26 years as foreman.

His widow, the former Grace Dyke, Newmarket, one daughter, Mrs. Jack Traves, Kingston, are left to mourn the loss of a good husband and father; also one sister, Mrs. Bert Askin, West Toronto.

Mr. and Mrs. J. C. Bodfish, nephew of Mrs. Miller, and Miss L. Dyke, her sister, attended the funeral on Monday, Jan. 5.

## Pottageville

The Pottageville United church held its annual meeting in the church hall on Saturday, Jan. 10, at 3 p.m. Each of its organizations reported an active and prosperous year. The Woman's Association showed a large balance on hand from a sale of quilts and teas put on by the 12 members. The Sunday school teachers told of their good work with the children in teaching and guiding their young lives.

The newly organized choir of almost 20 voices is to be complimented for the fine co-operation under the able leadership of Mrs. Graham and organist, Mrs. Clift. They are planning in the very near future to have a hot supper, followed by a concert.

The pastor, Rev. Graham, told of his work in the community since coming here last July and welcomed everyone to the

services on Sunday at 10.30 a.m. and Sunday school at 11.30. The meeting closed with a hot supper.

Best wishes from all for a speedy recovery go out to Mr. Alan Proctor who is in the Toronto General hospital.

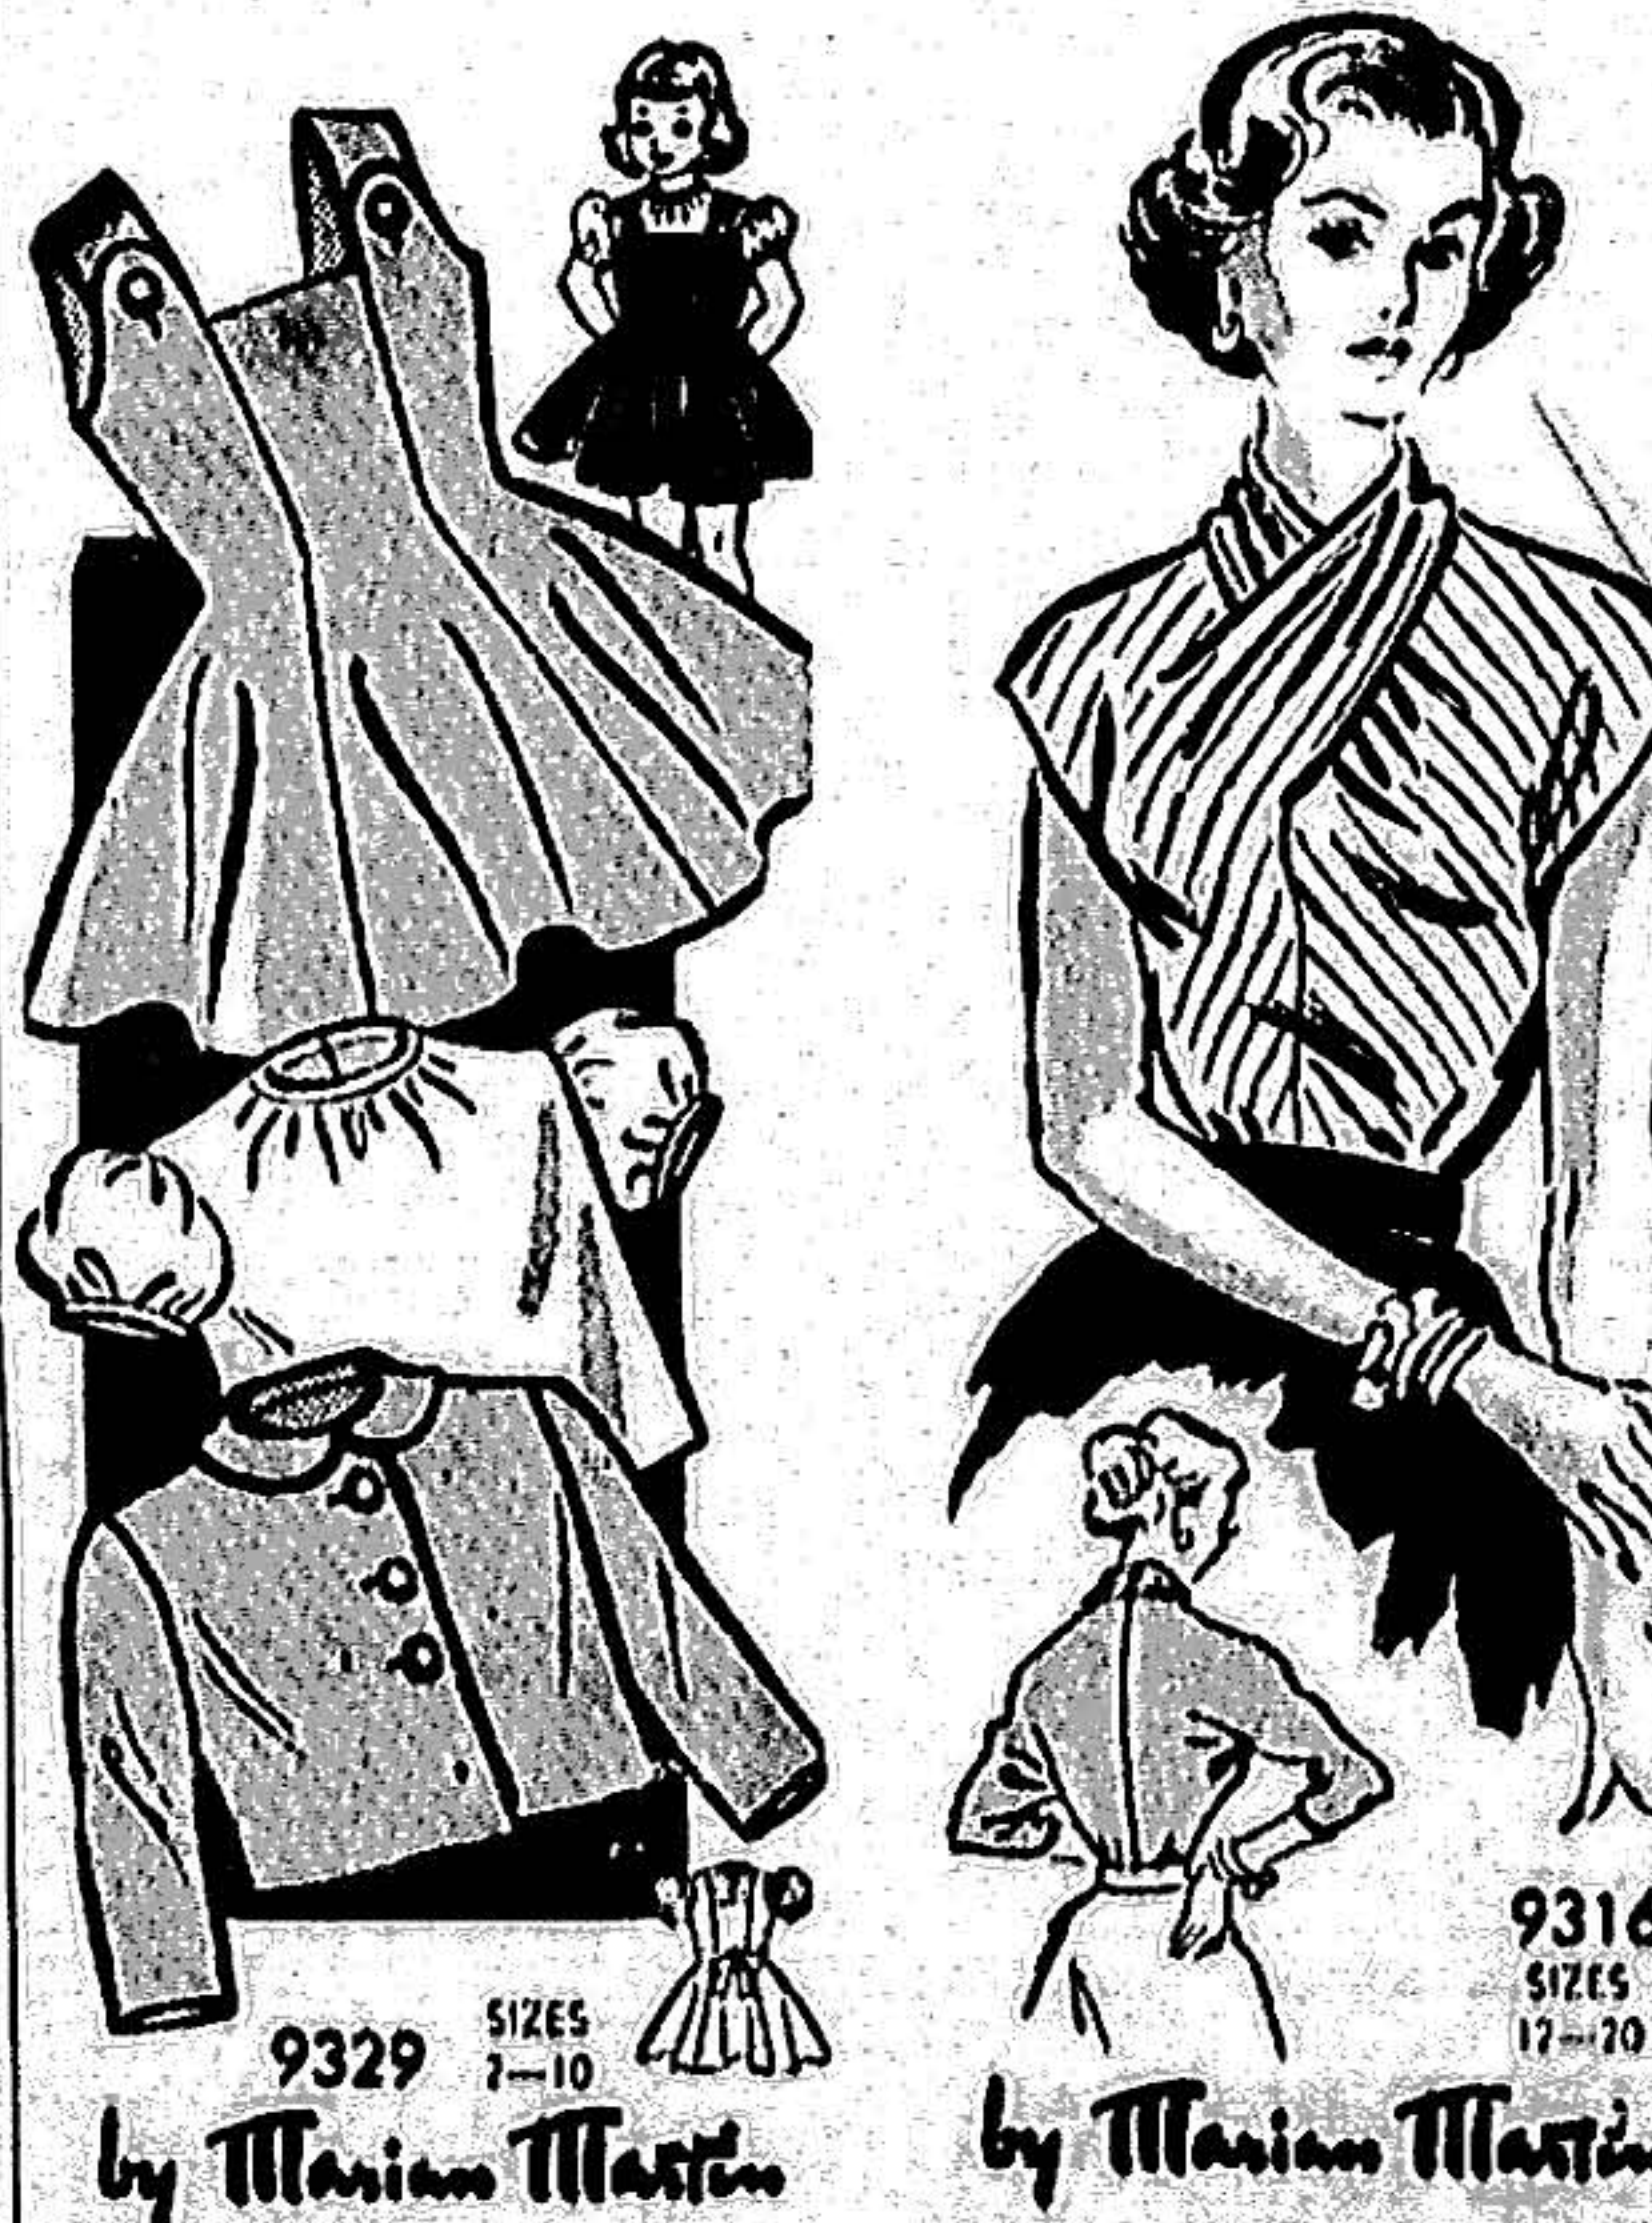

The many friends of Mr. Hudson Bowman will be pleased to hear that he is able to be up each day for a short time.

Sorry Mr. Elias Paton is on the sick list.

Miss Kay West returned to Toronto after spending a week at her home.

The Woman's Association of the United church will be having their January meeting in the church hall on the third Wednesday of the month.

The Mission Circle of the Second King Baptist church will hold a dinner meeting at the home of Mrs. Hugh Hamilton on Tuesday, Jan. 13.

Her Majesty Queen Elizabeth has a rare smile on her face as she laughs at the antics of circus performers at Olympia, in London. The circus put on a special showing for the Queen and the Duke of Edinburgh.

### HOPE

The W.A. is having a croquignole party in the fourth school house on Friday evening at 8 p.m., Jan. 16. We would like as many as possible to bring tables and croquignole boards.

Mrs. Stewart Stickwood and Mrs. J. W. Lang visited Mrs. A. Dike on Tuesday afternoon.

Mr. J. W. Lang flew to England last week.

Mrs. J. Gillham spent last Thursday visiting Mr. and Mrs. Gillham in Kettleby.

### BAPTIZED

Nancy Jane, daughter of Mr. and Mrs. A. E. Lawrence, Jr., London, was baptized at First St. Andrew's United church, London, by Rev. A. J. MacQueen, on Sunday, Jan. 4, at 3 o'clock.

Nancy were a hand-made embroidered organically dress brought by her great-grandparents, Mr. and Mrs. A. E. Silverwood, from Paris, France, for the occasion.

After the ceremony, Mr. and Mrs. A. E. Lawrence, Sr., entertained at a tea for 24 relatives and friends at their home on Canterbury Road.

Nancy is the granddaughter of Mr. and Mrs. F. E. Brammer, Pearson St., Newmarket.

## The Common Round...

By Isabel Inghe Colville

### RESOLUTIONS

To make a resolution is the easiest thing to do. These age-old institutions That we never follow through. We say, no matter what may seem To be real provocation, We'll on the provocator beam.

And feel a fine elation. We'll smile when we are feeling blue. So not depress our friends. Old friendships half forgot, renew. For lapses make amends.

### STAGE CONCERT AT "HOME"

The Armitage school children put on a concert for the residents of York County Home, Yonge St., recently. They sang carols and the girls and boys staged skits. Mrs. Beckett, Aurora, the school teacher, directed the concert, assisted by Mrs. Hendricks, the pianist. The matron, Mrs. Phillip Lovick, said the residents enjoyed the concert and several said they "loved to hear the children's voices".

The words we often wait to say Until it is too late. For folk, lest mind readers they be, find words of praise elate. We'll answer letters right on time.

To show that we can do it. Our friends will not believe their eyes. We'll say, "Hal Nothing to it!"

We'll read some heavy worth-while books. Our mysteries lay aside And leave the world of crime and crooks. And with the great abide.

Oh resolutions make you feel How wonderful you are. To think you really want to hitch Your wagon to a star.

Alas, the brightness fades a bit. As daily gives place to day. But though some even we may quit A few are here to stay.

If at the end of any year We've even kept a few. Why, let us just resolve some more. An see what we can do!

### MUSICAL TALENT

French Horn, Bassoon, Bass Clarinet, Cello and Viola instrumentalists required for Coronation Little Symphony Orchestra.

## Stage Successful Show

The launching of the 1953 Chevrolet, conducted by the Bill Drinkwater Motors, brought over 900 people to his open house last Friday and Saturday. Visitors from all parts of the countryside were enthusiastic when they examined the new models. Mr. Drinkwater was assisted by Don Hadwen, Harold Kirby and Bruce Barker. He was greatly satisfied with the response to his invitation to attend the opening and the opportunity to meet so many in person.

The success of the presentation did not overshadow the hospitality of the host and his 12-man staff. Standards of beautiful chrysanthemums, supplied by Miller's of Maple, gave an arresting touch to the hall, buffet court and the private office. It was Mrs. W. S. Drinkwater who was responsible for the decoration of the refreshment room. The W.A. of King United church presided and hot coffee was served.

Reeve Elton Armstrong drew the tickets for the draws on Friday evening. Mr. James Patton, one of the village older residents, drew tickets on Saturday night.

Miss Doris Patton, local school teacher, won a G.M. battery. The Robson family did well. Leslie won a battery and his niece, Dianne, Maple, won back-up lights.

Other prizes were: oil filters, won by Mrs. E. B. Johnston, King, and Mrs. Philip Ratcliffe, Toronto; sideview mirrors, Mrs. Howard Neill and Clifford Dalton; gallon of anti-freeze, Roy Crook of Maple; five gallons gasoline, Jim Davidson, King City; electric lantern, Mrs. W. A. Smalley, King City; set driving lights, Stanley Watson, King; driving lights, Miss Annie McBride, King; can of auto polish, Mrs. Stanley Chambers, King, R. R., and Mrs. Bruce Gordon, Richmond Hill; dash tray, Mrs. J. G. Keens, King; oil change, C. F. W. Burns, King.

**New Inspector for Schools**  
Mr. Maynard Hallman, B.A., P.Aed., of Hamilton Normal school staff, has been appointed public school inspector of King, Markham and Vaughan townships, upon the superannuation of Mr. I. A. Galpin, who was appointed in September replacing Mr. Chas. Howitt.

Mr. Hallman has taken district 9 as his first inspectorate and has communicated by letter with the teaching staff in his various schools. King township council received a letter from Mr. Galpin announcing his resignation. He asked the same co-operation from teachers and school boards of the King township be extended to Mr. Hallman, that had been extended to him. Mr. Hallman has his headquarters at Richmond Hill, formerly occupied by his predecessor. He has already visited some of his schools, one being Oak Ridges.

**Toronto Choir Entertained**  
Once a year, Miss Dorothy Armstrong and her mother, Mrs. F. J. Armstrong, are hostesses to First Avenue Baptist choir, Toronto. This event was held at the Armstrong home last Friday evening and despite unfavorable weather, about 50 motored to King City to spend an enjoyable social evening. The minister, Rev. B. F. Rice and his wife, Mr. Robert Merrill, the acting organist, and his wife, were among the party. Miss Armstrong has been organist of the city church for two years. She took a leave of absence in November and will resume her position early this year.

**Honored by Presbyterian**  
Honorary membership in the Women's Missionary Society of the Presbyterian church was recently conferred upon Mrs. T. L. Williams by the Toronto West Presbyterian, at the January meeting of the executive at Victoria church, Toronto. It is the first time this honor has been awarded to a rural district of the Presbyterian. Mrs. Williams is president of Eversley W.M.S. and is rural district president over nine auxiliaries. She has served a total of 10 years on the Presbyterian executive.

For more than 25 years, Mrs. Williams has been associated with mission work, when she first became a member of the Eversley society. Her first connection with the Presbyterian executive was in 1932, by her appointment as a rural vice-president, which office she held four years, resuming that capacity six years ago.

**Another New Home**  
While Mr. and Mrs. D. C. Henderson of Forest Hill Village, Toronto, were stunned by the destruction by fire, of their almost completed home on their 200-acre farm, 6th line, last week, they are not discouraged and will rebuild. Rubble clearing commenced this week and providing weather is favorable, the building contractor, D. M. Ross, will have operations underway once again. The house was in the last quarter of construction and plasterers were to have moved the day after the fire occurred.

Although the time of occupancy will be greatly delayed for the Hendersons, they are determined to have the "house of their dreams". While the cause of the disaster has not yet been determined, the Hendersons attach no

blame to workmen. It happened several hours after they left work that day. "We are thankful it was not worse, that the barn and our stock was saved by Aurora fire department and that no one was injured," they said.

**Churches Receive Flowers**  
On Sunday, Jan. 11, the United Baptist, Anglican and Eversley Presbyterian churches were brightly decorated with large baskets of chrysanthemums, that adorned the Chevrolet motor display at Drinkwater Motors. Mr. Drinkwater gave the flowers to the congregations for use at their respective services.

The installation of the officers of Eversley Presbyterian W.M.S. and the W.A. was conducted by the minister, Rev. D. C. Wotherpoon.

On Sunday, Jan. 18, Rev. M. R. Jenkinson will hold Communion services at Teston, Laskay and King United churches. On Friday, Jan. 16, the congregation of Laskay will hold a turkey dinner at the noon hour, followed by the annual meeting and election of officers. On Friday, Jan. 23, King United congregation will hold an annual meeting.

**Officers Reinstalled**  
All officers of Laskay United Y.P.U. have been reappointed for the coming year; honorary president is Rev. M. R. Jenkinson; president, Helen Hunter; vice pres., Bob Watson; secretary, Rev. Mr. Jenkinson; treasurer, Duncan Marwood; missionary convener, Mrs. Verna Fletcher and Vera Hunter; Christian culture, Mr. Jenkinson and Bob Watson; fellowship, Jim Marwood and Jesse Bryson; citizenship, Freda Farley and Marjorie McMurchy; pianist, Marjorie McMurchy; editor of Laskay Beacon, Mr. Jenkinson and lunch committee, by all the members of the organization.

**Unpaid Dog Taxes Costly**  
When E. J. Reddick, King township assessor, reported that persons who fail to pay their dog tax, are costing all taxpayers money, his proposal to rectify the situation was confirmed by council.

The majority of dog owners pay the license but for 20 to 30 in the township who do not and who are duly notified of their obligation, it means that time and travel expenditures are involved to make the collections. There were from \$160 to \$170 that the township constables had to collect.

Mr. Reddick proposed that when he assesses for a dog tax, he will inform the constables where the tax is unpaid. They will notify the owner, allowing a certain number of days before he must appear in court.

**Fox Bounty \$40**  
Monies paid out by King township on Jan. 5 were fox bounties, \$40; membership on Good Roads Commission, \$75; Assessors' Association membership, \$10; Municipal Association, \$10; Hospital for Sick Children, \$25; Salvation Army, \$15; damage to sheep owned by Hugh Sheardown and H. Wilton, \$87, and \$8 to valuator; destruction of sheep-worrying dog, \$5.

## Appoint D.M. Findlay Chairman Of King City Trustee Board

At the first meeting in the New Year of King City village trustees, held on Monday night, Jan. 12, trustee D. M. Findlay was appointed chairman of the board for 1953. Trustee Wm. Carson was made waterworks superintendent. The latter two offices were created to expedite management. When residents make inquiries on these matters, Mr. Carson and Mr. McLeod can be readily contacted.

Norman Taylor, Oak Ridges, will be approached to continue as electrician of the village pumping station; E. J. Patton is to resume maintenance of street lighting bulbs at the same salary as in 1952, and Frank Morrison, as caretaker of the water system pump, on the same basis.

Public meetings of trustees will be held in the Masonic hall, on the following dates: Jan. 26, Feb. 23, March 30, May 23, July 27, August 31, Sept. 28, Oct. 26, Nov. 2 and Dec. 14.

**Sale of Land Approved**  
Village trustees have given approval to the sale of approximately two acres of land, out of the Newsum property, King St., to M. A. Wilson, under the terms of the planning act. A private right-of-way, 22 feet wide, would be required between the Wilson and Walker properties.

**Too Many Bells**  
When trustee Carson stated there were complaints about the short duration of street light bulbs and that as many as five burn out in three days, trustee McLeod consented to consult L. J. Roy, hydro area superintendent, who had previously advised the use of 125 watt bulbs which could be obtained from hydro.

Trustee Findlay wondered if it were wise to use this bulb on the present 110 voltage system. A new transformer has recently been installed at Armstrong's corner and inquiries will be made from Mr. Roy, if this will help voltage.

**Open Excavation Dangerous**  
The problem of an existing open excavation on a building

lot on the north side of Dow St., at the east end in King City, was brought before trustees by trustee McLeod, prompting them to decide that a request be forwarded to King township council, asking that the owner of the property be advised to install a suitable fencing around the hole for public protection.

Mr. McLeod said he had viewed the situation and considers it dangerous to children playing there. "I saw them sliding on ice in the excavation, which was strong enough to hold them up, but that does not alter the fact that mild weather could not produce a different story. If an accident happens, and lives are endangered, parents would be justified in protesting to the village authorities," he stated. It is not feasible to put in fill in cold weather, it was pointed out. The township building by-law demands that excavations on building lots be protected where no construction work is being carried out.

**Roadway Hazard**  
Villagers are assured that the roadway hazard on Keele St., north, is being righted by Annie, the contractor, who laid the water main to the entrance of Heritage Park. The water leak in the connection will be repaired and the roadway will be levelled. On behalf of the owners of the subdivision, Mr. Annie is installing water mains in the property which will see this part of the village building up with homes.

In the hope of improving a portion of roadway on Keele St., just north of the railway track, help will be sought from King township council to make temporary repair where the roadway is very rough.

**Town Water in Kingsview**  
Town water flowed into the Dew subdivision property on Monday of this week. The mains were installed by John Dew, the owner of the land, and have been approved by engineer Redfern.

On behalf of the school board of Area 1, King township, Earl Cook has requested council to open four-fifths of a sidewalk, in the Holland Marsh area north of the townline, at the fifth concession, to facilitate school buses which will carry children from this section to the new consolidated school under construction, near Kettleby.

"It would save retracing a portion of the route," said Mr. Cook. Otherwise an extra four miles would have to be covered in order to reach the school. Two buses will be required to supply transportation for students. The school area consists of four sections.

Mr. and Mrs. Mervin Wilson became grandparents of the third child of their daughter, Evelyn, and husband, Kenneth Sim, Toronto, to whom a son was born on Wednesday, Jan. 7, at the Western hospital.

Mrs. A. E. Kelley entrained on Saturday evening for Springfield, Mass., to be with her daughter, Mrs. Jim Snelgrove.

Mr. and Mrs. Bill Willoughby and son Paul have moved from Kinghorn to an apartment in the home of Miss Jessie Gellatly.

Paul Wotherpoon, 6, is recovering from measles and his sister, Mary Carol, will return to school in a few days. Betty Bowen also had measles.

Miss Lois McBride is back at McDonald Hall, Guelph, for the second half of her one-year course, which finishes in June. She successfully completed her Christmas tests. The policy of the training course is that those who make the half year tests are allowed to finish out the year, otherwise they do not return.

**Ruling Master of Lodge**  
Roy Bowen was installed ruling master of Robertson Masonic Lodge, A.F. and A.M. at the installation performed by Wilbert Jennings, past master of Robertson, who was assisted by Ivan Musselman, past district deputy; Harry Mitchell, past grand senior warden, Ernest Stoddart, past district deputy and Very Worshipful, Tom Haslem were among 110 who registered. The installing officer had the pleasant task of installing Fred Boys as treasurer of Robertson lodge, who is entering his 25th year as secretary of the organization and 35th in the King lodge.

A dozen or more from district "D" lodges were present including Toronto, Aurora, Richmond Hill, Schomberg, Caledon East, Woodbridge and Bolton.

Other officers installed in the 123-membership organization, were Harry McBride, I.P.M., Douglas, senior warden; Kelley Beynon, junior warden; Wilbert Burns, treasurer; Ewart Jennings, senior deacon; L. J. Shropshire, junior deacon; Ray Jennings, director of ceremonies; Inner guard, Norman Burnett; Tyler, Harry Edwards; senior steward, Grant McCachen; junior steward Ivan Specht.

Recent holiday travellers during Christmas and New Year's season, were Miss Dorothy Armstrong who reports an excellent ten days at St. Petersburg, Fla. She went by bus with Miss Bessie Halbert, a Toronto teacher and they were guests of the latter's uncle. The climate was pleasant

and they took a pleasant tour, seeing the famous Cyprus Gardens and the Bach Tower. Miss Doris Patton, junior room teacher on King City staff went to Miami, Fla. for her vacation.

## CANADIAN FLOWN FROM KOREA FOR CHILDREN'S FUNERAL

Reunited at Ottawa, Pte. Joseph Glendon, frontline stretcher-bearer in Korea, is shown with his wife, Florence, and only surviving child, a son, Richard, of fire which gutted his home at Deschênes, Que., trapping his four other children inside. Red tape was slashed by the Canadian army to fly Glendon home on compassionate leave from the front line to attend the funeral. Pte. Glendon had a 30-day leave with his family before he left for Korea but because his departure was made from Camp Borden, Ont., more than 300 miles from his home, they were not there to see him off. The mother of the victims was visiting a neighbor when fire, believed to have started from an oil stove, broke out.

antly warm and they took a pleasant tour, seeing the famous Cyprus Gardens and the Bach Tower. Miss Doris Patton, junior room teacher on King City staff went to Miami, Fla. for her vacation.

Mr. and Mrs. Gordon Shaw, Toronto, friends of Mr. and Mrs. Bill Drinkwater came to King City for the official launching of the new Chevrolet car, sponsored by Mr. Drinkwater at his Open House, during the weekend.

Dr. Glenn Sawyer, with his wife and two children of St. Thomas, have taken the R. H. Benson house, King side road, moving in last Saturday. Mr. and Mrs. Benson have moved to the Sawyer home at St. Thomas. Dr. Sawyer is secretary-treasurer of the Ontario Medical Association and will commute to Toronto to carry on his work.

Mr. and Mrs. Arthur Green have taken an apartment in Islington where they will make their home. The Greens came to King over four years ago from Niagara Falls, purchasing the Meades' general store, where they operated a successful business. Mr. Green's ill health forced them to retire from business.

**Addresses Lions Club**  
Ontario has the lowest T.B. death rate of any part of the North American continent, chiefly owing to the pasteurization of milk that is sold and the TB testing of cattle. The North American Indian is the most susceptible of races to the disease on the continent while the Jewish race has the lowest percentage of deaths.

Interesting facts concerning tuberculosis were outlined to King City Lions by Dr. E. B. Phair, King, who is connected with York County Health Unit at Newmarket, and was, for five years, on the staff of Weston sanatorium. He was introduced to the club by his brother-in-law, W. W. Drinkwater.

Dr. Phair spoke at the supper meeting of the Lions, catered by the Women's Institute at the United church on Jan. 6. On Jan. 20, the club will hear Norman Garriock, radio farm commentator, who will be the guest speaker on "Agricultural Night", convened by Wilbert Jennings.

**Subdivision Plan**  
A tentative subdivision plan, prepared by C. A. Meadows, was examined by King township council at the inaugural meeting last week. It comprises the Cressy property, fronting King side road, east of Oak Ridges and land northward to Elm Grove Ave. The plan contains about 160 lots, with provision for a park and school site, conforming with the Ontario planning act that sets five percent of subdivision land for township or municipal public parks and buildings. The lots measure 7,500 feet.

Before making any recommendation to the Toronto and York Planning board, council decided to look over the land and to have the department of health examine the plan. As required by the act, Oak Ridges school board has seen the plan and is concerned with the effect on school population the proposed subdivision would have.

At present the enrolment is over 300 and the basement is now being used once again as an additional classroom, with an extra teacher engaged. Mr. Meadows told the school board an acre of land has been reserved for a school site and that adjoining land can be available.

**Waste Paper**

## Farm Forum News

The Newmarket East Farm Forum members held their meeting at the home of Mr. Jack Farr on January 12, with 18 present, to discuss the question "Where are the new farm leaders?"

The majority of the group thought that meetings of organizations such as the Junior farmer's club, 4H clubs, machinery, homemakers and garden clubs, also the church, offer good opportunities to develop leadership in young people and ability to take an active part in different activities such as farm forums.

All this helps to discover and develop young people with leadership qualities. The young people should be encouraged to take an active part in the present activities and be given leadership and guidance by older, more experienced persons to help develop their leadership qualities.

Lack of interest, drifting to the cities to seek higher income, are reasons that may keep young people from holding office or taking positions in farm organizations, it was felt.

The next forum meeting will be held at the home of Sheldon Walker.

The Newmarket East and Hope farm forums met on January 5, at the homes of Harry

Walker and Allen Hopkins, with fifteen members present in both groups. Cost of marketing was the topic.

The Newmarket East forum believed unnecessary costs existed in food distribution in duplication of delivery such as over-lapping the delivery of milk, bread, etc. They decided to eliminate marketing costs by planned delivery, doing away with unnecessary credit, also by dealing through co-ops. Town marketing costs would be an advantage to the consumer in lower retail prices.

Lower marketing costs would be an advantage to the farmer in a greater volume sales and higher returns to the farmers. Next Newmarket East Forum meeting is to be held at the home of Mr. Jack Farr.

The Hope forum was divided on the first question, as some believed they were not in a position to have definite opinions. As for the unnecessary costs, one group said that if products were not packaged so attractively they would not sell and there would be considerable waste.

The second group said, yes, there was unnecessary costs in the over-lapping of milk and bread routes, the answer lying in zoning deliveries.
